Spiritual Building Blocks Marshall Welch, 2015-09-26. Spiritual Building Blocks takes the greatest commandment and uses it as the cornerstone in building a spiritual foundation to help notice God's presence in our everyday lives. Part 1 begins by unpacking the greatest commandment into six essential parts: God, the self, our neighbor, our head, our heart, and our hands. The opening chapters answer common questions about spirituality and its relationship with religion. Part 2 presents a variety of spiritual practices and exercises using our head, heart, and hands as building blocks to nurture our spiritual lives as we love God, the self, and our neighbors. Some of these practices may be new, while others may be familiar but reframed in a new way. Personal stories by everyday people illustrate many of these exercises. Spiritual Building Blocks was written for individuals or small groups interested in deepening their spiritual lives. **God with Us** Justin S. Holcomb, 2021-11-16. Celebrating The 12 Days of Christmas Chris Marchand, 2019-10-10
The song The 12 Days of Christmas is a mainstay of the holiday season, but the practice of celebrating Christmas as a twelve-day festival fell out of fashion long ago in most cultures. In *Celebrating the 12 Days of Christmas*, author Chris Marchand explores the history behind the season and individual feast days from December 25 to January 6, and then offers suggestions for how you can celebrate it with your family, church, or community. Along with this, he provides answers to many of the nagging questions surrounding the holiday, such as the history behind the twelve days song, why December 25 was chosen as the date, and what to do about its supposedly pagan origins. The challenge before us is to first help people see Christmas as a holiday that begins rather than ends on December 25, and then to together figure out how to reinvent Christmas in the present by learning how it was celebrated in the past.
