*God Is Pain* David Charles Asscherick, Juan Stuarz, 2009      *God in Pain* David Asscherick, 2013-12-10 Another Look at Evil Suffering And the Cross      **The Redeemed Good Defense** Anthony MacPherson, 2021-07-06 Why God Everyday this question is uttered in sorrow bewilderment or anger This cry is the problem of suffering It is also known as the problem of evil It asks why a good all powerful God allows evil and pain Theodicy is the name of the theological responses that seek to defend God against charges of unfairness Traditional theodicies have been accused of intensifying the problem by claiming that God is justified in allowing evil because he uses it to bring about a greater good This greater good approach has been criticized in more recent times It seems to uncomfortably align God and evil too closely together Does God need evil in order to bring good This study explores an alternative stream of theodicy found in the idea of cosmic warfare In this theodicy God fights evil in its moral physical spiritual and supernatural forms This book explores the world of theodicy and its cosmic warfare forms It navigates the theological and ethical minefields involved Building on the idea that God is in the midst of a great cosmic controversy it seeks to further the conversation and articulates a new alternative redeemed good defense

God of Pain Jack S Flietstra, 2020-05-05 I have been a pastor for over 30 years now and I have seen too many people who have been discouraged in their faith because life hit them hard and they felt that God had left them or was unkind to them They had developed an unbiblical view of what a loving heavenly Father looks like and when the suffering came and the troubles grew stronger in their lives it became obvious to them that God was not real And they are correct the god whom they sought after and worshipped and served was not real he was a god fashioned out of a mostly North American health and wealth mentality the belief that God loves me above all and He just wants to bless me and give me everything I need and want They believe all they have to do is be a good Christian They would say to themselves I was a good Christian I went to church regularly gave money read my Bible prayed and loved my enemies but my wife got sick or I lost my job and my mom and dad died and I can't serve a God that would do that to me after all I have done for Him Chapter 5 is a walk through the Bible doing case studies looking at suffering as part of the purpose of God in our lives

**God in Pain: Questions of God about suffering** John Henry Moule Chamberlain, 2017-11-04 God in Pain seeks to ask questions of God about the problem of evil and not accept easy answers Why does God allow such horrendous suffering to occur in the world Is He responsible for all the pain that we see This is not a book for the faint hearted but it is a book for those who want to honestly engage with the problem and with God By asking bold questions the book reveals startling answers that show something of the love of God

Your Pain Is Changing You David Crosby, 2014-07-01 Pain will change you more profoundly than success or good fortune You can experience power in the midst of life's pain All of us suffer Yet this suffering it shakes up our expectation guts our goal plunders our priority devastates our dream and votes no to what we may value the most shifts our perspective and opens our hearts to the power to choose How will we respond to suffering In our response lies our opportunity to be at our most powerful to allow our pain to change us in remarkably fruitful ways Your Pain Is Changing You does not attempt to answer the question of why we suffer but rather provides the how to persevere David Crosby's true life stories lead readers deep into suffering and deeper into their own theological perspective In reading about the suffering of others men and women will soon find their interest in the stories has led them to empowering God based truths Truths that enable them to take charge of their response to pain dramatically change their quality of life as well as positively impact those around them We cannot choose whether sorrow will interrupt us We can choose our response our character and share that victory with others

**When Life Hurts** Philip Yancey, 1999 Pain calls our most basic beliefs about

God into question Philip Yancey's *When Life Hurts* addresses five major questions brought on by pain: Is God competent? Is He really so powerful? Is He fair? Why doesn't He seem to care about pain? And where is God when I need Him most? Yancey provides thought-provoking answers to questions faced by believers in their darkest moments and reveals that even in suffering and pain, and sometimes because of them, God's competence, power, wisdom, and love still shine through. **Pain: The Divine Mystery** Elmer Towns, 2014-04-01

Discover the Divine Purpose for Your Pain. Pain is an enigma, a haunting reality we all face. Whether the pain you are experiencing is chronic or the result of a new injury or illness, you have no doubt asked the Lord, "Why? Why must I suffer? Why must the pain be so intense or so never-ending?" Elmer Towns confronted similar questions as he. **The Pain of Christ and the Sorrow of God** Gerald Vann, 1959

**Why, God? His Purposes in Our Pain** David P. Ley, 2013-12

On May 19, 2012, I stood in the 5800 wing of Loma Linda Children's Hospital and watched our seventeen-year-old son, Loukas, breathe his last earthly breath. His sudden home going from cardiac arrest and the resulting confusion of soul and mind with the purposes of God's plan has compelled me to write this book. For years, I have sought to discover a Biblical theology of suffering so that I might comfort and counsel God's people under my pastoral care. On the day my son died, that Biblical theology changed from theory to reality. It is my hope and prayer as you read these pages that you will take comfort in the eternal truth that for believers in Jesus Christ, there is no senseless suffering; that they will ever experience during their journey to glory. No, in fact, there are eternal purposes that God intends to accomplish through the suffering we experience and the evil we endure. **Where Is God When It Hurts?** Philip Yancey, 2010-02-23

Gold Medallion Book Award Winner. Over a million copies sold. An inspirational classic for more than thirty years, *Where Is God When It Hurts* honestly explores pain from physical wounds to emotional and spiritual pain and sheds new light on God's presence in our suffering. How can a loving God allow this to happen? God is either all-loving or all-powerful, but he can't be both. You've heard that question, and perhaps you've even asked it yourself. When a loved one dies, we receive a terminal diagnosis, or natural disasters strike, people often wonder whether God is the cause of suffering and why he doesn't immediately take away the pain or fix the situation. As a result, we become angry at the once-beloved God who betrayed us. Bestselling author Philip Yancey uses examples from the Bible and from his own experiences to show us how we can learn to accept without blame, anger, or fear what we don't understand. Along the way, he answers questions such as: Why is there such a thing as pain? Is pain a message from God? How should we respond to suffering? How can we learn to cope with pain? *Where Is God When It Hurts* speaks to everyone who thinks that suffering doesn't make sense. With compassion and clarity, Yancey brings us one step closer to finding an answer when our pain or the pain of those we love is real and we are left wondering where God is when it hurts. One of the most helpful treatments of the problem of evil that I've ever read. If I were looking around for something to give to individuals who are going through travail or difficulty, this is the book I'd recommend. Dr. Vernon Grounds, former Chancellor of Denver Seminary.

**To Those Who Suffer** Sean Nolan, 2010-05-01

We often hold out for God

to alleviate our circumstantial suffering or pain But what about those who suffer and fall between the cracks of conventional Christian teaching Those that don't have that luxury to have the horrific circumstance removed or reversed that has caused their hardship These people aren't able to hold out hope that the Lord will alleviate their circumstances because their circumstances are not transformable within the rules of life that the Lord has set up The Lord will not reasonably reattach the legs of a person who has had both of their legs amputated nor will God bring a woman's husband of fifty years back from the dead so does this mean that these people have no hope The answer to this question is there is hope There is a solution to suffering that doesn't depend on the transformation or relief of our circumstances To Those Who Suffer proves that the Lord's hope is not primarily found in the relief of our condition but in the actions of Christ on the Cross The Lord will come through for us even if He doesn't change our circumstances This doesn't mean that there isn't circumstantial blessing and relief to be had in our lives It simply means that such things are a secondary solution to our suffering compared to the spiritual solution that our Savior sends to all who seek to understand suffering from His standpoint This truth is best displayed by the actions of Christ at the Cross If Jesus had the circumstantial pain that He was in immediately alleviated then the greatest gift and most wonderful thing that the world has ever seen would not have come to pass The same is true for us To Those Who Suffer helps you to understand that the Lord is not short changing you by allowing pain and suffering in your life The best and most wonderful thing that the Lord brings to pass in the lives of His children is not the protection of their personal pleasure but the process of being conformed into the image of His Son In Chapter 10 author Sean Nolan explains that Paul understood that the highest calling and greatest gift God gives to His children is not comfortable circumstances but a Christ-like character Paul realized that suffering fueled and propelled his relationship with God Through this he came to understand something more fulfilling and valuable than a pain-free existence Paul learned that his physical pain had produced spiritual prosperity He may have been suffering in his physical earthly circumstances but he was abounding spiritually His relationship with the Lord had flourished and he had an abundance of Christ-like characteristics that had been cultivated through the removal of his comfort It is the purpose of this book to help you understand that the Lord takes the same tree and changes its fruit Instead of suffering giving birth to misery despondency anger hate and pain the Lord prunes and works in our lives so that we bear different fruit from the same tree or circumstances Instead of negative bitter fruit our suffering can yield fruit of love joy peace patience kindness goodness faithfulness gentleness and self control The Lord may not bring relief of your pain but instead He'll use it as a breeding ground for Godly character traits such as love joy and purpose It is the message of the Cross and the message of this book to To Those Who Suffer that a seemingly hopeless circumstance can give birth to the most powerful victory and wonderful blessing

**Why Do You Hurt Me, God?** David J. Mathews, 2018

**God, Medicine, and Suffering** Stanley Hauerwas, 1994-12-12 Why does a good and all powerful God allow us to experience pain and suffering According to Stanley Hauerwas asking this question is a theological mistake

Drawing heavily on stories of ill and dying children to illustrate and clarify his discussion of theological philosophical issues Hauerwas explores why we so fervently seek explanations for suffering and evil and he shows how modern medicine has become a god to which we look in vain for deliverance from the evils of disease and mortality

**Where Is God in Our Suffering? (Pack Of 25)** Crossway, 2018-01-31 Those of us who have lost a loved one to disease or have loved ones who are fighting an illness or who dread its possible return may sometimes feel as though we're about to be overwhelmed with fear or that God has abandoned us or doesn't care about our battles But God's love for us is not wishful thinking It is not a mirage in the desert of life on earth HE REALLY DOES LOVE US AND HE UNDERSTANDS The Bible tells us The Lord is near to the brokenhearted and saves the crushed in spirit Psalm 34 18 If you or a loved one are facing disease or as you mourn one whose life ended because of a terrible illness remember that God says to those who love him Fear not for I am with you I will strengthen you I will help you Isaiah 41 10 God is not an absentee father he is a present help and refuge We cannot see him we cannot physically hear his voice we cannot literally feel his touch but he is here with us in our times of crisis God wants to connect with us to encourage us in our difficulties and give comfort to our souls Psalm 62 1 2 God does care about us he has not abandoned us He is a compassionate heavenly Father We do not have to face our trials and fears alone The ultimate proof of God's love for us was sending Jesus to die on the cross for us taking the punishment our sins deserve then rising from the grave three days later As 1 John 4 9 tells us In this the love of God was made manifest among us that God sent his only Son into the world to die in place of sinners so that we might live through him And John 3 36 says Whoever believes in the Son has eternal life How wonderful it is to know that all who trust him fully find eternal life through him For everyone who calls on the name of the Lord will be saved Romans 10 13 Because of Jesus Christ who is the God Man and our Great High Priest we have a Savior who understands and sympathizes with our weakness Hebrews 4 14 16 And the Spirit whom God has given to those who have placed their faith in Jesus intercedes for us with groanings too deep for words as we wrestle with living in a sinful broken world and await the day when all things will be made right Romans 8 18 27 All those who place their trust for forgiveness and eternal life completely on Jesus Christ who died for them and rose again can say with the words of Psalm 23 The LORD is my shepherd I shall not want He makes me lie down in green pastures He leads me beside still waters He restores my soul He leads me in paths of righteousness for his name's sake Even though I walk through the valley of the shadow of death I will fear no evil for you are with me your rod and your staff they comfort me You prepare a table before me in the presence of my enemies you anoint my head with oil my cup overflows Surely goodness and mercy shall follow me all the days of my life and I shall dwell in the house of the LORD forever If you don't have the assurance of God's provision for your deepest needs I invite you to place your absolute trust in Jesus Christ today He is able to forgive your sin and give you not only an eternal relationship with God but hope and peace today The Bible says that those who believe in him become children of God John 1 12 And as a child of God you're invited to cast all your anxieties on him because he cares for you 1
