Rationalising the Bible — Volume 1 Ivy Bedworth,2016-02-28 Rationalising the Bible is a collection of volumes that cover the books of the Old and New Testaments of the Holy Bible Written by mostly unidentified authors the Bible is generally attributed with being the moral compass of the world of Judeo Christian religious adherents In fact the Bible is mostly mythological history inaccurate science exaggerated reports of violence and discrimination against the people who settled the Fertile Crescent and a set of laws plagiarised from those already in existence in the area Even the writing of it claimed to be that of the patriarchs can clearly be identified in the reading of it as belonging rather to a period when all people in the civilised world were writing their stories It was not written as atheists often charge by illiterate nomadic tribespeople in pre history Instead it was written by politicians and priests at a time when the western civilisations were making their mark on the world s politics

The Manifold Beauty of Genesis One Gregg Davidson,Kenneth J. Turner,2021-10-28 See and celebrate the multilayered grandeur conveyed by the first chapter of Genesis The first chapter of the Bible s first book lays the foundation for all that follows about who God is and what God is like Our technology age fascination with the science of origins however can blind us to issues of great importance that don t address our culturally conditioned questions Instead Genesis One itself suggests the questions and answers that are most significant to human faith and flourishing Geologist Gregg Davidson and theologian Ken Turner shine a spotlight on Genesis One as theologically rich literature first and foremost exploring the layers of meaning that showcase various aspects of God s character Song Analogy Polemic Covenant Temple Calendar Land Our very knowledge of God suffers when we fail to appreciate the Bible s ability to convey multilayered truth simultaneously The Manifold Beauty of Genesis One offers readers the chance to cultivate an openness to Scripture s richness and a deeper faith in the Creator
