abandonment for it is truly the beginning and the end of his mission on earth In this simple but profound book Father Stinissen distinguishes three degrees or stages in abandonment The first stage consists of accepting and assenting to God s will as it manifests itself in all circumstances of life The second is actively doing God s will at every moment of one s life In the third stage abandonment to God is so complete that one has become a tool in God s hands At this stage it is no longer I who do God s will but God who accomplishes his will through me      **Primitive Baptist Hymn & Tune Book** ,1997
