Dear [Mr./Mrs./Ms.] [Hiring Manager's Name],

I was delighted to find out about the opening for [Position] at Discover Learning Academy on LinkedIn. As a current preschool teacher at the Goddard School in Colorado Springs, I am very familiar with private school systems and their intensive learning environments. Prior to the Goddard School, I also spent four years leading classes at Blue Lake Preschool in Carbondale. Noteworthy highlights from my teaching career thus far include:

- Receiving Teacher of the Month (April 2018) at the Goddard School
- Developing and coordinating successful field trips for students, with 95% positive feedback from parents
- Implementing a highly reviewed storytelling program that improved students' speech clarity by 24%

My additional qualifications include my certification in infant and child CPR as well as my musical talents, which I like to regularly incorporate in the classroom. I have always enjoyed engaging students through music and the arts, and have subsequently been praised for my creative instructional delivery.

I'd love to learn more about the opening at your school and look forward to the opportunity to speak with you further. If you have any questions about my experiences, please do not hesitate to contact me. Thank you for your time and consideration.

Sincerely,

[Your Name]

Too Late to Say Goodbye Ann Rule,2007-06-05 From bestselling author Ann Rule comes the engrossing true story of two beautiful loving women and their murder by the man in their life handsome charming rich a man marked for unlimited success but one who would never allow any woman to leave him no matter what the provocation Jenn Corbin a lovely slim brown eyed blonde appeared to have it all two dear little boys a posh home in one of the upscale suburbs of Atlanta expensive cars a plush houseboat and a husband Dr Bart Corbin a successful dentist who was tall handsome and brilliant But gradually their seemingly idyllic life together began to crumble There was talk of seeing a marriage counselor Bart was distraught Jenn seemed disenchanted She needed to reach out to someone she could confide in beyond her mother and her sisters Then just a few weeks before Christmas 2004 Jenn was found dead with a bullet in her head a revolver beside her From the position of the body her death appeared to be a suicide But Gwinnett County detective Marcus Head was not totally convinced nor was Jenn s family who could not believe she would take her own life And how was this death related to another apparent suicide fourteen years earlier that of Dorothy Dolly Hearn a spectacularly beautiful dental student A star athlete and homecoming queen in high school Dolly later dated Bart Corbin in dental school Was there a connection or was the answer to be found in a secret even dangerous relationship Jenn Corbin was having outside her marriage For Too Late to Say Goodbye Ann Rule has interviewed virtually everyone in any way related to the story the victims families police investigators prosecutors and sources from Georgia to Australia to uncover the truth behind the headlines of these two sensational deaths What emerges is an incredible tale of jealous rage of stunning circumstantial and physical evidence that runs from the steamy to the macabre to almost unheard of forensic techniques and of a tragic irony a fateful discovery that motivated the killing The definitive unraveling of one of the strangest murder investigations of our time Too Late to Say Goodbye is perhaps the finest achievement of a truly great writer s career **Preschool Assessment** Marla R. Development and Education is a comprehensive child development text written especially for educators. It helps students to translate developmental theories into practical implications for teaching and caring for youngsters with diverse backgrounds, characteristics, and needs. The text draws from innumerable theoretical concepts, research studies conducted around the world, and the authors' own experiences as parents, teachers, psychologists, and researchers to identify strategies for promoting young people's physical, cognitive, and social/emotional growth. In this Australian edition, contemporary Australian and New Zealand research has been highlighted, and local educational structures, philosophies, and controversies have been reflected.

Can You Keep a Secret? Millisa C. Thomas, 2009-11-03. Millisa C. Thomas is a multifaceted woman. To her friends, she is passionate about life, courageous, giving, pure, and full of infectious strength and resolve. To her children, she is simply the world. To her coworkers and employers, she has proven herself time and time again to be resourceful, reliable, intelligent, and invaluable. And to her family of origin, she is a crazy and insignificant whistle blower who threatens to expose the venerated family secrets. Ms. Thomas was born in Wilmington, Delaware, and now resides in Southern California with her three remarkable children and her faithful Shepherd Collie mix, Angel. One of her greatest accomplishments includes the birth of her three precious children. Other accomplishments include a successful twenty-two year long career in the medical field, completing a college degree, surviving, healing, and now telling the story. She still does not like Valentine's Day tulips; they are still her favorite flower, and Christmas is still her favorite holiday.
