Going Rogue With Sarah:

Going Rogue with Sarah Kause O'Grady, 2009-11-19 Bi partisan satire of teenage politicians Barry and Sarah as they prepare for 2012 Hilarious tongue and cheek romp *The Lies of Sarah Palin* Geoffrey Dunn, 2025-09-23 In *The Lies of Sarah Palin* Geoffrey Dunn provides the first full scale and in depth political biography of the controversial Republican vice presidential candidate and former governor of Alaska Based on more than two hundred interviews many of them with Republican colleagues and one time political allies of Palin s and more than forty thousand pages of uncovered documents Dunn chronicles Palin s troubling penchant for duplicity in grim detail from her dysfunctional childhood in Wasilla through her contentious run for mayor and her failed governorship of Alaska He also provides the shocking inside story of her betrayal of running mate John McCain during the 2008 presidential campaign and her self serving resignation as governor in July of the following year Dunn deftly places Palin in the American tradition of right wing demagogues from Huey Long to Joe McCarthy and details her troubling obsession with Barack Obama as it fuels her own political ambitions and a potential run for the presidency in 2012 *The Lies of Sarah Palin* is a journalistic tour de force that vividly reveals the Queen of the Tea Party movement as a vengeful and manipulative empress without clothes This is the definitive book on Sarah Palin *An Undevotional* Jimmy R. Watson, 2019-04-30 In the same spirit as his previous book *Big Jesus* Watson takes us on a journey through the Gospel of Luke with a touch of humor and a wheelbarrow full of insights and information Watson believes nothing is more pretentiously self pious than to write something and call it a devotional unless one has already been canonized as a saint *An Undevotional* is not a spoon fed offering of theological niceties but rather a head spinning array of possibilities into the mind and ministry of Jesus of Nazareth with contemporary applications At times irreverent at all times interesting this book is un dispensable for Jesus devotees and un devotees alike *Female Force: Sarah Palin the Sequel* Dan Rafter, 2011 Discusses in graphic novel format the former Vice Presidential candidate s activities since losing the election in 2008 **Wiki at War** James Jay Carafano, 2012 In *Wiki at War* James Jay Carafano explains why these and other Internet born initiatives matter and how they are likely to affect the future face of war diplomacy and domestic politics

Sarah Palin's Expert Guide to Good Grammar Jenny Baranick, 2017-03-07 A hilarious informative guide to language and grammar inspired by America s favorite maverick It would seem to go without saying that a strong understanding of how to use language properly and effectively is a requisite for success in the 21st century And yet increasingly even some of America s most prominent public figures and leaders seem to have only the most tenuous grasp of how to put together a coherent sentence or paragraph No individual could be more representative of this unfortunate national tendency than Sarah Palin the former Governor of Alaska Fox News pundit and now campaign surrogate for Donald Trump another public figure with only a passing familiarity with how to use the English language Time and again Ms Palin finds ways to bungle basic tenets of vocabulary syntax and grammar often giving speeches or interviews that upon reexamination read more like the drunken

ravings of someone unhinged But it is for this very reason that Ms Palin can be a great example for all Americans Often it is only possible to learn from making mistakes and Ms Palin has made plenty This book will be a guide that uses the colorful and chaotic language of Ms Palin to illustrate key lessons of how not to write and speak well **The Faith and Values of Sarah Palin** Stephen Mansfield,2010 Explores the religious and moral belief system of former vice presidential nominee and Alaska governor Sarah Palin and explains how actions tied to these beliefs will affect the United States *Blind Allegiance to Sarah Palin* Frank Bailey,Ken Morris,Jeanne Devon,2011-05-24 This explosive up close view of Sarah Palin comes from an inner circle confidant who shares surprising information about how Sarah dealt with staff and perceived enemies and the discrepancy between what she said and what she did **Sarah Palin versus The World #1** Joe Dunn,2011-01-01 Sarah Palin politician author commentator maverick She s on the way to meet her dream job But to get it she s got to defeat some of the nastiest opponents in the country From career politicians to gotcha media men to secret service agents they all want some control of her dream Has she got what it takes to beat the world You betcha **Profiles in Ignorance** Andy Borowitz,2022-09-13 NEW YORK TIMES BESTSELLER WALL STREET JOURNAL BESTSELLER WASHINGTON POST BESTSELLER Andy Borowitz one of the funniest people in America CBS Sunday Morning brilliantly chronicles our embrace of anti intellectualism Walter Isaacson in American politics from Ronald Reagan to Dan Quayle from George W Bush to Sarah Palin to its apotheosis in Donald J Trump Andy Borowitz has been called a Swiftian satirist The Wall Street Journal and one of the country s finest satirists The New York Times Millions of fans and New Yorker readers enjoy his satirical news column The Borowitz Report Now in Profiles in Ignorance he delivers a wittily alarming polemic that tracks the evolution of American politics from grounds for gravitas to festival of idiocy The New York Times Borowitz argues that over the past fifty years American politicians have grown increasingly allergic to knowledge and mass media have encouraged the election of ignoramus by elevating candidates who are better at performing than thinking Starting with Ronald Reagan s first campaign for governor of California in 1966 and culminating with the election of Donald J Trump to the White House Borowitz shows how during the age of twenty four hour news and social media the US has elected politicians to positions of great power whose lack of the most basic information is terrifying In addition to Reagan Quayle Bush Palin and Trump Borowitz covers a host of congresspersons senators and governors who have helped lower the bar over the past five decades Profiles in Ignorance aims to make us both laugh and cry laugh at the idiotic antics of these public figures and cry at the cataclysms these icons of ignorance have caused But most importantly the book delivers a call to action and a cause for optimism History doesn t move in a straight line and we can change course if we act now Sarah Palin Michael V. Uschan,2011-10-03 This volume traces the life of divisive political figure Sarah Palin and relates her childhood in rural Alaska her interest in basketball and journalism as a teen and young adult her devotion to her family and her faith and her unusual entrance into politics The focus is on Palin s role as a controversial figure as well as her ability to ignite conservative

supporters through her charisma and fiery speeches Topics covered include the 2008 vice presidential campaign Troopergate the Tea Party Movement and Palin s association with the 2011 Arizona shooting of U S Representative Gabrielle Giffords

This Is Our Message Emily Suzanne Johnson,2019-01-04 Over the past 50 years the architects of the religious right have become household names Jerry Falwell Pat Robertson James Dobson They have used their massively influential platforms to build the profiles of evangelical politicians like Mike Huckabee Rick Perry and Ted Cruz Now a new generation of leaders like Jerry Falwell Jr and Robert Jeffress enjoys unprecedented access to the Trump White House What all these leaders share besides their faith is their gender Men dominate the standard narrative of the rise of the religious right Yet during the 1970s and 1980s nationally prominent evangelical women played essential roles in shaping the priorities of the movement and mobilizing its supporters In particular they helped to formulate articulate and defend the traditionalist politics of gender and family that in turn made it easy to downplay the importance of their leadership roles In *This Is Our Message* Emily Johnson begins by examining the lives and work of four well known women evangelical marriage advice author Marabel Morgan singer and anti gay rights activist Anita Bryant author and political lobbyist Beverly LaHaye and televangelist Tammy Faye Bakker The book explores their impact on the rise of the New Christian Right and on the development of the evangelical subculture which is a key channel for injecting conservative political ideas into purportedly apolitical spaces Johnson then highlights the ongoing significance of this history through an analysis of Sarah Palin s vice presidential candidacy in 2008 and Michele Bachmann s presidential bid in 2012 These campaigns were made possible by the legacies of an earlier generation of conservative evangelical women who continue to impact our national conversations about gender family and sex

Framing Sarah Palin Linda Beail,Rhonda Kinney Longworth,2013 Sarah Palin s 2008 vice presidential candidacy garnered tremendous levels of interest polarizing the American public both Democrats and Republicans alike While many have wondered who she really is trying to cut through the persona she projects and the one projected by the

media Beail and Longworth analyze why she touches such a nerve with the American electorate Why does she ignite such passionate loyalty and such loathing How did her candidacy mobilize new parts of the electorate Using the notion of framing as a way of understanding political perception the authors analyze the narratives told by and about Sarah Palin in the 2008 election from beauty queen maverick faithful fundamentalist and post feminist role model to pit bull hockey mom frontier woman and political outsider They discuss where those frames are rooted historically in popular and political culture why they were selected and the ways that the frames resonated with the electorate Framing Sarah Palin addresses the question of what the choice and perception of these frames tells us about the state of American politics and about the status of American women in politics in particular What do the debates engendered by these images of Palin say about the current roles and power available to women in American society What are the implications of her experience for future candidates particularly women candidates in American politics **Female Force: Sarah Palin: The Graphic Novel** Dan Rafter, 2015-09-20 In the 2008 US Presidential election Sarah Palin became a household name In this graphic illustrated biography TidalWave presents a critical examination of the life and times of Palin From her upbringing in Alaska to being an activist best selling author this graphic novel features her struggles as well as her achievements **A biography on Sarah Palin ,**
