Handbook To Life In The Aztec:

Handbook to Life in the Aztec World Manuel Aguilar-Moreno, 2007 Describes daily life in the Aztec world including coverage of geography foods trades arts games wars political systems class structure religious practices trading networks writings architecture and science **Handbook to Life in the Aztec World** Manuel Aguilar-Moreno, 2006 Captures the essence of life in great civilizations of the past Each volume in this series examines a single civilization and covers everything from landmark events and monumental achievements to geography and everyday life *Everyday Life in the Aztec World* Frances F. Berdan, Michael E. Smith, 2020-12-03 This book offers views of Aztec lives and their interactions in rituals markets courts and on the battlefield **Conflict in the Early Americas** Rebecca M. Seaman, 2013-08-27 This detailed study is the only reference work of its kind to address Spain's conquest of Central and South America providing in depth coverage of native and European ideologies political motivations and cultural practices of the region As the study of world history evolves from a Eurocentric perspective to a more global viewpoint formerly marginalized groups are now the focus of discussion revealing a background rich with important military political social and economic achievements This book examines the once prosperous and powerful native civilizations in Central and South America discussing the key individuals strategies and politics that made these countries strong and indomitable In spite of this the author shows how in only a few generations Spain defeated these mini empires eventually dominating much of the Western Hemisphere **Conflict in the Early Americas** An Encyclopedia of the Spanish Empire's Aztec Incan and Mayan Conquests focuses primarily on the defeat of the Aztec Incan and Mayan civilizations but also includes Spanish interactions with lesser known native groups Supporting documents including primary sources maps and visual aids provide necessary context to this once untold story *Encyclopedia of Vampire Mythology* Theresa Bane, 2017-02-10 From the earliest days of oral history to the present the vampire myth persists among mankind's deeply rooted fears This encyclopedia with entries ranging from Abchanchu to Zmeus includes nearly 600 different species of historical and mythological vampires fully described and detailed **The Oxford Handbook of the Aztecs** Deborah L. Nichols, Enrique Rodríguez-Alegría, 2017 The Oxford Handbook of the Aztecs the first of its kind provides a current overview of recent research on the Aztec empire the best documented prehispanic society in the Americas Chapters span from the establishment of Aztec city states to the encounter with the Spanish empire and the Colonial period that shaped the modern world Articles in the Handbook take up new research trends and methodologies and current debates The Handbook articles are divided into seven parts Part I Archaeology of the Aztecs introduces the Aztecs as well as Aztec studies today including the recent practice of archaeology ethnohistory museum studies and conservation The articles in Part II Historical Change provide a long term view of the Aztecs starting with important predecessors the development of Aztec city states and imperialism and ending with a discussion of the encounter of the Aztec and Spanish empires Articles also discuss Aztec notions of history writing and time Part III Landscapes and Places describes the Aztec world in terms of its geography

ecology and demography at varying scales from households to cities Part IV Economic and Social Relations in the Aztec Empire discusses the ethnic complexity of the Aztec world and social and economic relations that have been a major focus of archaeology Articles in Part V Aztec Provinces Friends and Foes focuses on the Aztec s dynamic relations with distant provinces and empires and groups that resisted conquest and even allied with the Spanish to overthrow the Aztec king This is followed by Part VI Ritual Belief and Religion which examines the different beliefs and rituals that formed Aztec religion and their worldview as well as the material culture of religious practice The final section of the volume Aztecs after the Conquest carries the Aztecs through the post conquest period an increasingly important area of archaeological work and considers the place of the Aztecs in the modern world
