Hard Questions Real Answers:

Hard Questions, Real Answers William Lane Craig, 2003-10-17 Why doesn't God answer my prayers? If God is so powerful, why does evil exist? And if He is so good, why do we suffer? Nonbelievers and even Christians are often troubled by questions about suffering, doubt, failure, and unanswered prayer. Yet careful, compassionate answers are hard to find in part because evangelicals have not taken the life of the mind seriously enough. The intellectual currents of our day are just too strong for simplistic responses. In *Hard Questions, Real Answers*, William Lane Craig doesn't offer trite phrases or pat answers; he offers honest insights gained from a life of study and ministry. Readers in the midst of doubt and confusion will find real answers to these perplexing questions and learn to stand on the only sure foundation for hope: God Himself. This expanded new edition includes chapters on abortion and homosexuality to help readers know how to think about these volatile social issues. *Hard Questions, Real Answers*, 2003. Real Answers!](#) Phil Shaw (Writer on Christianity), Greg Palmer (Writer on Christianity), 2021. *Where Was God When...?* Mike Calhoun, Ric Garland, 2010-07. From two men who have experienced loss first hand and grown closer to the Lord as a result comes *Where Was God When*, a book about the attributes of God and how that truth shapes how we understand pain. Ric Garland and Mike Calhoun write collaboratively to address hard questions with real answers. **Real Questions, Real Answers about Sex** Melissa McBurney, 2009-05-26. Answers to real life, nitty-gritty, private questions Christians are asking about sex. Louis and Melissa McBurney offer frank, humorous, sensitive, and biblically grounded answers to the thousands of sex questions readers have sent to the editors of *Marriage Partnership*, a publication of Christianity Today International. The authors deal with sensitive issues that need to be talked about but within a solid spiritual, psychological, and therapeutic context. This book is perfect for newlyweds, newlyweds of 25 years, or for parents to give their engaged son or daughter who is soon to be married. The McBurneys give frank, honest answers to real, honest questions that many Christians have always wanted to ask but were too embarrassed or afraid. The author's authentic, unblushing yet thoroughly Christian perspective is presented in a two-column format. Their husband-wife dialogue and to-the-point answers provide an ideal reference for all the stages of married sex. *Molinist Philosophical and Theological Ventures* Kirk R.

MacGregor,2022-10-04 This volume represents a significant advance of the philosophical and theological conversation surrounding Molinism It opens by arguing that Molinism constitutes the best explanation of the scriptural data on divine sovereignty human freedom predestination grace and God s salvific will The alleged biblical prooftexts for open theism are better explained according to Kirk MacGregor by Molinism Responding to philosophical critics of Molinism MacGregor offers a novel solution to the well known grounding objection and a robust critique of arguments from explanatory priority He also presents a Molinist interpretation of branching time models as heuristic illustrations of the relationship between possibility and feasibility Seeking to push Molinism into new territories MacGregor furnishes a Molinist account of sacred music according to which music plays a powerful apologetic function Finally regarding the nature of hell MacGregor contends that Molinism is compatible with both eternalism and eventual universalism **Why I Am a Christian** Norman L. Geisler,Paul K. Hoffman,2006-12 Now with a new chapter on Why I Am Not a Muslim by an ex Muslim Why I Am a Christian is an even more helpful resource in our global times **God's Solution to the Doubting Dilemma** Gordon Kainer,2016-02-02 Are you facing doubting dilemmas that challenge you doubts you find extremely annoying the kind that are messing up your Christian life Do you want to discover real solutions that are biblical effective and easy to understand If the answer is yes then this book offers the answers you are seeking Readers will discover the reasons why believers in Christ like everyone else have doubting quandaries about such significant topics as God the Bible especially the story of creation In presenting the only effective solution that comes through God s grace this book will unveil the intimate relationship between heaven s rebellion and the creation event It will also reveal why there is such an aggressive present day effort to present the creation story as a myth or parable rather than a literal historical event *Evil: A Guide for the Perplexed* Chad Meister,2018-02-22 *Evil A Guide for the Perplexed* is a lively examination of the philosophical and theological problems raised by the existence of widespread evil It explores classic debates around this problem and also engages with more recent ones from new challenges posed by scientific advances in evolutionary theory neuroscience and cosmology to concerns of climate change and environmental degradation to questions raised by increasing religious and secular violence This second edition also contains new chapters and topics such as Jewish Christian and Islamic responses to evil and skeptical theism The result is an even handed guide to both traditional and contemporary issues raised by the reality and ubiquity of evil **Stop Asking Jesus Into Your Heart** J.D. Greear,2013-02-01 If there were a Guinness Book of World Records entry for amount of times having prayed the sinner s prayer I m pretty sure I d be a top contender says pastor and author J D Greear He struggled for many years to gain an assurance of salvation and eventually learned he was not alone Lack of assurance is epidemic among evangelical Christians In *Stop Asking Jesus Into Your Heart* J D shows that faulty ways of present ing the gospel are a leading source of the confusion Our presentations may not be heretical but they are sometimes misleading The idea of asking Jesus into your heart or giving your life to Jesus often gives false assurance to those who are not saved and keeps those who

genuinely are saved from fully embracing that reality Greear unpacks the doctrine of assurance showing that salvation is a posture we take to the promise of God in Christ a posture that begins at a certain point and is maintained for the rest of our lives He also answers the tough questions about assurance What exactly is faith What is repentance Why are there so many warnings that seem to imply we can lose our salvation Such issues are handled with respect to the theological rigors they require but Greear never loses his pastoral sensitivity or a communication technique that makes this message teachable to a wide audience from teens to adults

Slipping Through the Cracks Zachary Breitenbach, 2021-04-02 Would a good God allow some people to be lost to hell due to the bad luck of their circumstances such as never hearing the Christian gospel Do some who are lost slip through the cracks i.e. they would have freely chosen to be saved if only God had placed them into different circumstances After surveying and responding to other significant objections within the so called soteriological problem of evil this groundbreaking new work identifies the above as the most difficult soteriological challenge for Christian theism and explores it in great depth Finding William Lane Craig's famous solution to this problem insightful but ultimately inadequate the book proposes an alternative solution that upholds Christian exclusivism the view that one must hear and respond to the gospel to be saved and is both biblically consistent and philosophically plausible It offers an intriguing possibility for how God might ensure that all people have an opportunity to be saved and that none who are lost slip through the cracks in a way that is inconsistent with God's goodness Additionally the book reveals how its response to

this soteriological problem has much value for addressing key aspects of the broader problem of evil
