Paul R. Peluso

Infidelity A Practitioners Guide To Working With Couples In Crisis

Tara DeLecce, Todd K. Shackelford

Infidelity A Practitioners Guide To Working With Couples In Crisis:

Infidelity Paul R. Peluso, Taylor J. Irvine, 2024-06-06 This second edition brings together an impressive array of experts to discuss and provide understanding to the treatment of infidelity. Bringing together voices from a range of disciplines and backgrounds including couples therapy, family therapy, evolutionary psychology, relational research, and more, Peluso and Irvine help therapists understand and practically treat this common and complex issue. Divided into three parts, chapters begin by laying the foundations for understanding why couples commit infidelity, before looking at different treatments such as Gottman Method Couples Therapy, models of fidelity and forgiveness, and other integrative approaches. This new edition includes brand new material on topics such as nonmonogamy, teletherapy, cyber infidelity, and the impact of infidelity on couples and families from different social, cultural, generational, and sexual perspectives. With revised referrals and resources at the end of each chapter, additional infidelity treatment methods, and examinations of gender, race, and power, this guide is essential reading for all practicing and training marriage and family therapists, counselors, psychotherapists, and social workers.

Infidelity Paul R. Peluso, 2015-04-23 When one partner in a relationship is unfaithful to the other, it takes a lot of work by both parties involved to salvage the relationship. In today's therapy-friendly climate, marriage couples counseling is often a part of that rebuilding process. Many couples seek out professional therapy after an affair is out in the open, but often the act of infidelity is revealed while uncovering and discussing unrelated issues for which the couple is in counseling. And yet, amazingly, as common as this complex and difficult topic arises in therapy, there is relatively little professional literature devoted to understanding and treating infidelity. In this volume, Paul Peluso has assembled a truly impressive list of contributors from a range of disciplines and backgrounds, including marital therapy, family therapy, evolutionary psychology, marriage research, and cyberstudies, with the aim of filling this void.

A Family Systems Guide to Infidelity Paul R. Peluso, 2018-06-19 *A Family Systems Guide to Infidelity* offers an explanatory model and concrete techniques enabling therapists and counselors to treat the core of a couple's relationship problems instead of merely applying a therapeutic bandage. Chapters give therapists proven techniques to help couples redevelop trust, rebalance power, increase satisfaction, and recover from the wounds that infidelity causes. This text uses case studies from clinical practice, examples of public or historical figures, and scenarios from popular movies to illustrate concepts, and it provides a systemic explanatory model for understanding infidelity, one that focuses on marital dissatisfaction, power imbalances, unfulfilled dreams, and the discovery of infidelity.

The Oxford Handbook of Infidelity Tara DeLecce, Todd K. Shackelford, 2022 This handbook showcases a broad range of infidelity topics through perspectives in social psychology, evolutionary psychology, and other areas of research on romantic relationships. It discusses the processes of infidelity alongside sources of variation such as sexual orientation, developmental life history, individual differences, and culture for the broader social scientific community interested in fidelity in romantic relationships.

Contemporary Issues in Couples Counseling Patricia A. Robey, Robert E.

Wubbolding, Jon Carlson, 2012 *Contemporary Issues in Couples Counseling* explores the most difficult issues that people in the helping professions face when treating couples and provides concrete solutions for addressing them effectively Using the revolutionary choice theory and reality therapy approaches to couples counseling the book shows clinicians how to combine a relationship based approach with the pragmatism of cognitive behavior therapies Both experienced and beginning clinicians will find *Contemporary Issues in Couples Counseling* ideal for helping clients focus on the here and now not the past and for creating treatment plans that meet clients individual needs while also addressing the needs of their partners *Principles and Practice of Sex Therapy, Fifth Edition* Yitzchak M. Binik, Kathryn S. K. Hall, 2014-03-19 This book has been replaced by *Principles and Practice of Sex Therapy Sixth Edition* ISBN 978 1 4625 4339 7 *American Families in Crisis* Jeffrey S. Turner, 2009-03-03 An authoritative reference that helps general readers understand the varieties of crises impacting modern day families and the intervention techniques designed to resolve them An urgent authoritative resource *American Families in Crisis* spans the full spectrum of events and conditions that endanger families offering the latest research and insights while evaluating current strategies and techniques for dealing with challenging family behaviors The handbook begins by analyzing the history of family crises in the United States then looks at how to identify prevent and respond to specific problems everything from marital strife teen runaways and unemployment to school shootings natural disasters problems created by the Internet and extended military deployment The coverage is backed by hundreds of current key reference sources plus chapters on notable contributors to the field important data and documents and resources for further information **The SAGE Encyclopedia of Marriage, Family, and Couples Counseling** Jon Carlson, Shannon B. Dermer, 2016-10-11 The *SAGE Encyclopedia of Marriage Family and Couples Counseling* is a new all encompassing landmark work for researchers seeking to broaden their knowledge of this vast and diffuse field Marriage and family counseling programs are established at institutions worldwide yet there is no current work focused specifically on family therapy While other works have discussed various methodologies cases niche aspects of the field and some broader views of counseling in general this authoritative Encyclopedia provides readers with a fully comprehensive and accessible reference to aid in understanding the full scope and diversity of theories approaches and techniques and how they address various life events within the unique dynamics of families couples and related interpersonal relationships Key topics include Assessment Communication Coping Diversity Interventions and Techniques Life Events Transitions Sexuality Work Life Issues and more Key features include More than 500 signed articles written by key figures in the field span four comprehensive volumes Front matter includes a Reader s Guide that groups related entries thematically Back matter includes a history of the development of the field a Resource Guide to key associations websites and journals a selected Bibliography of classic publications and a detailed Index All entries conclude with Further Readings and Cross References to related entries to aid the reader in their research journey **Integrative Couple Therapy in Action** Arthur C. Nielsen, 2022-04-26 *Integrative Couple Therapy in Action* offers a

comprehensive user friendly guide to handling the most common problems and crisis situations seen by couple therapists Drawing on the latest literature and the author s experience of over 40 years Nielsen investigates what makes certain issues such as sex or situations such as extramarital affairs so stressful for clients and challenging for therapists Unlike most graduate programs and texts on couple therapy that focus on theory and technique Integrated Couple Therapy in Action fills in the details The chapters cover common presenting problems sex money children and the stresses of time work and simply living together and then discuss catastrophic crisis situations couples reeling from affairs contemplating divorce divorcing or living in stepfamilies after divorcing Integrative Couple Therapy in Action provides one stop shopping for readers of all skill levels interested in understanding the subject matter that bedevils so many couples *Recovering Intimacy in Love*

Relationships Jon Carlson, Len Sperry, 2011-01-11 The loss of intimacy is one of the most difficult but also one of the most common factors in the destruction of any relationship Recovering Intimacy in Love Relationships lays out practical evidence based guidelines on which clinicians can depend as they wade through the intense emotions and fragile bonds of couples in crisis With care and sensitivity the book s authors analyze the increasingly complex context in which the cycle of intimacy develops wanes and recovers The chapters delve into diverse populations attitudes toward intimacy and provide an entire section on cultural gender and religious issues Clinicians looking for a research based practical take on the many facets of intimacy in the twenty first century need look no further than this book **Foundations for Couples' Therapy** Jennifer Fitzgerald, 2017-02-03

As a quality resource that examines the psychological neurobiological cultural and spiritual considerations that undergird optimal couple care Foundations for Couples Therapy teaches readers to conduct sensitive and comprehensive therapy with a diverse range of couples Experts from social work clinical psychotherapy neuroscience social psychology and health respond to one of seven central case examples to help readers understand the dynamics within each partner as well as within the couple as a system and within a broader cultural context Presented within a Problem Based Learning approach PBL these cases ground the text in clinical reality Contributors cover critical and emerging topics like cybersex emotional well being forgiveness military couples developmental trauma and more making it a must have for practitioners as well as graduate students **Constructivist, Critical, And Integrative Approaches To Couples**

Counseling Michael D. Reiter, Ronald J. Chenail, 2017-01-20 Couples counseling is distinct from individual and family therapy and while ideas from these other formats may be overlapping applying theoretical concepts to couples has distinctive challenges Constructivist Critical and Integrative Approaches to Couples Counseling is unique in that it addresses how to conceptualize various theories around a single case By discussing only one case the reader is more readily able to compare and contrast the theoretical ideas of each theory as well as the pragmatics of techniques Five theories are discussed around four consistent parts history theory of problem formation theory of problem resolution and case transcript This book follows the same format as its companion Behavioral Humanistic Existential and Psychodynamic Approaches to Couples Counseling

Handbook of Counseling Military Couples Bret A. Moore, 2012 Handbook of Counseling Military Couples provides expert analyses of the special issues that come up for military couples and guides clinicians through the process of addressing them productively

Couples in Collusion Dennis A. Bagarozzi, 2013 When a couple enters therapy both partners have either explicit or implicit understandings of what can and more importantly cannot be discussed in therapy Even when empirically tested assessments are used to help pinpoint areas of concern and conflict couples may choose to identify only those areas that are relatively safe and do not seriously threaten each partner's sense of integrity and vulnerability How is a therapist supposed to proceed when a couple comes in for a tune up not realizing that their entire transmission needs to be serviced Therapists know that some relationships like some transmissions can continue to function on some level even without proper care sometimes even for years before the couple seeks therapy If when they come in the therapist can help the couples to repair and regain their lost equilibrium they'll be more likely to seek help when the transmission next begins to slip In its clear precise prose insightful case studies and thought provoking discussion questions Couples in Collusion lays out guidelines for identifying understanding and dealing with the unspoken agreements and collusive systems that couples build up over time Clinicians will find each chapter replete with concrete strategies they can use in practice as well as thorough explanations of the assessment tools suggestions on how to use them and even advice on how to build the tools costs into clinicians limited budgets

Same-Sex Couples and Other Identities Damian McCann, 2021-12-30 This book provides a contemporary exploration of psychoanalytic theory and its application to therapy with lesbian gay bisexual trans and queer relationships challenging heteronormative practice and introducing new perspectives on working with gender and sexual diversity In this wide ranging collection international contributors draw on key aspects of couple psychoanalytic theory and practice whilst also expanding hetero and mono normative frames of reference to explore the nature of relating in open closed and poly relationships Developments in regard to gender and sexuality within the contexts of family and culture and an examination of same sex parenting are also included as are psychosexual considerations and the process of aging A major focus of the book is the importance of the therapist's own gender and sexuality in the clinical encounter and how to manage adjustments in approach to counter the dominance of heteronormative thinking in practice The first book of its kind to incorporate an in depth examination of same sex queer bi sex trans and queer relationships in regard to psychoanalytic thinking and practice Same Sex Couples and Other Identities is a vital resource for psychoanalytically informed psychotherapists counsellors and practitioners working with a diverse range of clients

The Emotionally Focused Casebook James L. Furrow, Susan M. Johnson, Brent A. Bradley, 2011-05-09 There is currently no single resource that compiles the various applications to the many clinical populations being served by Emotionally Focused Therapy today The Emotionally Focused Casebook fills that void as a substantive reference for clinicians students professors and supervisors using and teaching EFT Each chapter utilizes a hands on case study approach with concrete guidelines and illustrations for

the adaptation and application of EFT with specific treatment populations This Casebook is the perfect practical resource for professionals and students looking for examples of specific theoretical conceptual and treatment applications of EFT

Working With Immigrant Families Adam Zagelbaum,Jon Carlson,2011-01-19 Working With Immigrant Families examines the theoretical and practice based issues that must be considered by counseling professionals when performing family therapy with immigrant clients It provides practitioners with insights into why immigrant families come to the United States the processes that unfold while they do and the steps that can be taken to help these families make the most of their experience in their new country

Attachment Theory in Practice Susan M. Johnson,2019 Drawing on cutting edge research on adult attachment and providing an innovative roadmap for clinical practice Susan M Johnson argues that psychotherapy is most effective when it focuses on the healing power of emotional connection The primary developer of emotionally focused therapy EFT for couples Johnson now extends her attachment based approach to individuals and families The volume shows how EFT aligns perfectly with attachment theory as it provides proven techniques for treating anxiety depression and relationship problems Each modality individual couple and family therapy is covered in paired chapters that respectively introduce key concepts and present an in depth case example Special features include instructive end of chapter exercises and reflection questions

Case Studies in Couples Therapy David K. Carson,Montserrat Casado-Kehoe,2013-06-19 This up to date highly readable theory based and application oriented book fills a crucial void in literature on couple therapy Few books in the couple therapy market bridge the gap between theory and practice texts tend to lean in one direction or the other either emphasizing theory and research with little practical application or taking a cookbook approach that describes specific techniques and interventions that are divorced from any conceptual or theoretical base However couples therapy requires a high degree of abstract conceptual thinking as well as ingenuity inventiveness and skill on the part of the therapist Case Studies in Couples Therapy blends the best of all worlds clinical applications with challenging and diverse couples that have been derived from the most influential theories and models in couples and family therapy all written by highly experienced and respected voices in the field In Case Studies in Couples Therapy readers will grasp the essentials of major theories and approaches in a few pages and then see how concepts and principles are applied in the work of well known clinicians The case studies incorporate a wide variety of couples from diverse backgrounds in a number of different life situations It is simultaneously narrow including specific processes and interventions applied with real clients and broad clearly outlining a broad array of theories and concepts in scope and the interventions in it are directly linked to theoretical perspectives in a clear and systematic way Students and clinicians alike will find the theoretical overview sections of each chapter clear and easy to follow and each chapter s thorough descriptions of effective practical interventions will give readers a strong sense of the connections between theory and practice

Engaging Men in Couples Therapy David Shepard,Michele Harway,2012-03-15 This book will help practitioners overcome one of the leading challenges

in couples therapy working effectively with the male partner Men have unique needs and psychological issues that many clinicians may not recognize or know how to address This volume presents chapters by the leading practitioners associated with current therapeutic models including Emotionally Focused Couple Therapy Imago Relationship Therapy Integrated Behavioral Couple Therapy and more Using in depth case examples they demonstrate how their approaches can be adapted to be male sensitive and respond to the ambivalence so many men experience about couples work Special topics are also addressed including infidelity cultural diversity working with veterans and fathering issues This book will enrich therapists work with couples making treatment a welcoming experience for both partners and the treatment process more gratifying for the therapist

This Captivating World of E-book Books: A Detailed Guide Revealing the Benefits of E-book Books: A Realm of Convenience and Flexibility E-book books, with their inherent mobility and simplicity of availability, have freed readers from the constraints of hardcopy books. Gone are the days of lugging bulky novels or meticulously searching for specific titles in bookstores. E-book devices, stylish and lightweight, seamlessly store an wide library of books, allowing readers to immerse in their favorite reads anytime, everywhere. Whether commuting on a bustling train, relaxing on a sun-kissed beach, or simply cozying up in bed, Kindle books provide an unparalleled level of convenience.
