Footprints of God Charles E. Van Engen, Nancy Thomas, Robert Gallagher, 2011-07-27 Twenty five doctoral students from around the world recently set out to forge a new path toward a theology of mission As they blazed a new trail they discovered the footprints of God evidence that God was their trial guide Charles Van Engen led this group of mission practitioners pastors teachers and mission executives as they set out to discover answers to important questions such as What is theology of mission and What is missiology The team used a new approach to answer these questions employing narrative to integrate personal story community stories cultural stories and biblical stories Each writer brings his or her own unique context to bear on these important questions through personal story and by highlighting the work of a major missiologist who has impacted their life and work By drawing from personal stories the authors show how human factors affect missiology All of the chapters are set within a unique theological framework created by Charles Van Engen that focuses on mission of the way mission in the way and mission on the way This framework reveals that mission must be of the way Christ centered in the way happening among the peoples and cultures of the world and on the way moving forward over time through God s people as they anticipate Christ s present and coming kingdom If you are concerned about connecting the Bible theology and ministry with the complexity and variety of contexts facing Christians today then you will want to join this journey to discover the footprints of God As Van Engen says you will be encouraged to think theologically about mission

and missiologically about theology The Pursuit of God in the Company of Friends Richard C. Lamb, Jr.,2010-03-05 You were not meant to walk alone Many of us struggle to forge deep relationships with God and other people Modern society has isolated us as rugged individuals deceiving us into thinking we can make it through life on our own Individualism has likewise shaped the pattern of Christian discipleship privatizing faith and separating us from fellow believers But we come to know God best when others help us on the way And our friendships develop best when we seek after God together What would it look like to pursue God not by ourselves but in the company of friends According to the model of the New Testament spiritual transformation takes place in the context of Christian community By unpacking the Gospel narratives of Jesus ministry with his disciples Richard Lamb demonstrates how discipleship develops within the shared community life of groups of Christians He explores a range of topics such as spiritual friendship hospitality leadership service conflict forgiveness and mission in light of Christian community Engaging stories from real life experience show how people can form one another spiritually when their lives are tumbled against one another If you long for more of God deeper friendships or both this book will help you on the journey Discover the transforming power of discipleship in community Join the pursuit of God in the company of friends A Healing Journey Ron P. Pagel,2010-03 Psalm 19 14 Let the words of my mouth and the meditation of my heart be acceptable in your sight O Lord my strength and my redeemer I cannot heal anyone none of us can I am His obedient instrument His servant His hands no words or wisdom or experience technique or method none of my own very limited knowledge no natural gifts beyond my humble heart to try to love His children as He does to see feel and hear their pain enough to intercede on their behalf See Matthew 5 the Beatitudes Christ Jesus called us to a life of holiness any brokenness or unrepented sin is a barrier that the enemy will use to keep us from that life of holiness Paul challenges us to be imitators of Christ through the Redemptive nature of Jesus He calls us the saints His sons Ron **Disciplines of the Holy Spirit** Siang-Yang Tan,Douglas H. Gregg,2010-06-15 Connect with the life changing ministry of the Holy Spirit Disciples of the Holy Spirit shows how a dynamic close walk with God can be yours each day through the ministry of the Holy Spirit As the energizer of your faith the Spirit wants to bring you into a transforming communion with Christ He wants to empower you to love your enemies live without fear and give generously out of an inner abundance Your part Simply yielding to him through the following spiritual disciplines Solitude helping you draw near to God for spiritual growth and vigor Surrender helping you surrender to God s will and purpose for your life preparing you for effective ministry Service helping you move into fellowship with others and partnership with God in reaching a broken world As you practice the spiritual disciplines your concept of what it means to be a Christian will acquire a new life changing dimension You ll grow closer to Jesus and your life will increasingly reflect the power and presence of the Holy Spirit Dr Tan always has something worthwhile to say His passion for people life and God combined with his extensive professional knowledge make this book an important read Larry Crabb Jr PhD counselor and bestselling author A passionate fresh guide for how Christians can grow in

Sports and Play in Christian Theology Philip Halstead, John Tucker, 2020-11-24

Sport is a major preoccupation of the modern world It consumes the time and energies of millions of people around the globe In fact for many participants it operates much like a functional equivalent of religion giving them a way to interpret and understand the world Sports stadiums are the cathedrals of our time Sports stars are the saints or demi gods through whom we access the transcendent Members of the sports media serve as religious scribes and sports fans are the worshipping faithful What is true of sport is also true more generally of play Nevertheless and quite remarkably Christian theologians and religious historians have been surprisingly slow to recognize the spiritual and cultural significance of sport and play or to engage in the study of these concepts This book attempts to redress that neglect by integrating sport and play with Christian faith and practice In *Sports and Play in Christian Theology* ten Christian scholars and practitioners explore sport and play from theological biblical historical and pastoral perspectives This rich collection of wide ranging reflections and focused case studies will help readers locate sport and play within Christian faith and practice
