

**Rochester University
Lesson Plan With Descriptions**

Grade Level/Content Area	Teacher Candidate Name	Date
Kindergarten Math	Lily Cochran	09/14/2019
Content Area Standards (ISTASC 4, ISTASC 7)		
CCSMATH.CONTENT.K.CC.A.1 - Count to 100 by ones and tens. CCSMATH.CONTENT.K.CC.A.2 - Count forward beginning from a given number within the known sequence (instead of having to begin at 1). CCSMATH.CONTENT.K.CC.A.3 - Write numbers from 0 to 20. Represent a number of objects with a written numeral 0-20 (with 0 representing a count of no objects).		
Learning Outcomes (ISTASC 1, ISTASC 7)		
From the Rochester Community Schools Curriculum - Count by 1s to 100 and count forward from any given number. - Count to answer "how many?" questions when given a number from 1-20.		
Important Concepts for the Lesson (ISTASC 4, ISTASC 7)		
Counting Repetition		
Higher Order Thinking Skills (Revised Bloom's)		
Remembering: Count to 100 out loud with the class. Understanding: Write out the numbers 1-100. Applying: Count a set of objects that are less than 20. Analyzing: Explain why counting works (because each object is 1). Creating: Figure out how to count things in group of 10s.		
Essential Prior Knowledge for New Learning (ISTASC 4, ISTASC 7)		
They would need to know how to count by ones to at least 10 and the concept on what numbers are.		
Flexible and Responsive Instruction (ISTASC 1, ISTASC 3, ISTASC 7)		
Special Needs: Describe how the lesson will be adjusted for: - For the students who do not know how to count to 10 we could do a review and count to 10 as a group. - For the students who are not as quick to understand, we can go over it and keep going over it. Repetition should help. Advanced Students: - For students who understand or master the lesson concepts more quickly than expected, they can then break 100 into 5s or 20s.		
Instructional Procedures (ISTASC 4, ISTASC 5, ISTASC 6, ISTASC 7, ISTASC 8)		
- We will sit in a circle on the carpet and count to 10 (using pieces of bouncy balls or something to gain attention). - Then I will fill out the grid to 100 while showing the children on a projector. - With the projector still on, have the students fill out one for themselves while I walk around and make sure they understand. - Now introduce the concept of counting objects and how every time we go up a number that means we add another object to the section. - Model the skill up to 20. - Give each child the same amount of blocks and count them all together. - Now take some from some student and give some to others (no more than 20) have them count them. - I will walk around with a clipboard and assess where they are. - Time for any questions. - Give a homework sheet that has different pictures on it that they need to count. - Make a little 2 or 3 counting problem worksheet to assess. Review: Counting to 10 out loud. Anticipatory Set:

Richmond Thad Williamson,Julian M. Hayter,Amy L. Howard,2024-12-02 Richmond Virginia took center stage globally in the
summer of 2020 as an epicenter of antiracist protests in the wake of the police murder of George Floyd In a period of just a
few weeks overwhelming public support grew for removing Richmond s Confederate monuments Activists then transformed
the remaining statue of Robert E Lee into a shrine to African American resolve to the Black Lives Matter movement and to
Black victims of police brutality Coming to terms with Richmond s tortured racial history however is much more difficult than
toppling symbols of white supremacy This book explores these dynamics via a multidisciplinary framework of historical
research public policy analysis and political analysis showing the inner dynamics of politics and governance in Richmond The
authors reveal why change and progress has often been so difficult to achieve and why that matters with a focus on three
fundamental policy areas education economic development and housing The result is a comprehensive assessment of urban
governance in a major southern city in the early twenty first century as well as an accounting of the policy and human
consequences of both its limited successes and its recurring failures **Middle School Journal** ,2001 *Resources in*
