Test Preparation for Talented Children in Preschool and Kindergarten Cogat Olsat Nnat Workbook for Pre-K and Kindergarten

Pre-K Lab,2019-05-23 It s important for parents to understand the intent and content of the Gifted and Talented G T test to best prepare their child for the entrance exam Some exams may even consist of several components such as the Otis Lennon School Ability Test OLSAT the Naglieri Nonverbal Ability Test 2 NNAT2 and the Cognitive Abilities Test COGAT Below outlines what each test covers The OLSAT tests students Verbal Comprehension and Reasoning Skills such as their ability to follow Multi step Oral Directions It also tests students abilities to Think Abstractly and Make Connections Using Verbal Cues The NNAT2 tests students nonverbal problem solving skills such as Abilities to perform Spatial Visualization Serial Reasoning Pattern Completion and Reasoning by Analogy The COGAT test measures students Reasoning Abilities in the three areas that are linked to academic success Verbal Reasoning Non Verbal Reasoning and Quantitative Reasoning How to Prepare There are two sets of challenges your child will face when taking the G T exam The first and most important one is the test of their problem solving abilities and their knowledge of foundational concepts The second challenge they face is being able to perform their skills in an unfamiliar setting and format Test preparation booklets can only familiarize your child with the exam format That is why at Gifted and Talented Test Preparation we believe success on the test is not a result of cramming before the test but a result of a continued successful commitment in a child s education Investing in early childhood education pays huge dividends for getting students in the G T program in school How this book can Prepare your Child for the Gifted and Talented Test The book s programs help to cultivate creative problem solving abilities and invest your child with knowledge needed for the test Our programs not only teach foundational concepts such as sequence ordering pattern completion and similarity and difference identification but they also reinforce these concepts throughout every subject allowing students to learn these skills in new and exciting ways Our program also seeks to expose children to a wide variety of objects people jobs and situations and is proven to increase children s vocabularies Such exposure to multiple life scenarios and world cultures as well as the development of children s vocabularies are important for

G T Testing as the exam may ask a child to identify unfamiliar public figures items or concepts We advise parents to pay attention to the development of childhood social skills that helps to cultivate children s confidence in their answers and their understanding of appropriate classroom behavior This helps children avoid wrong answers based on poor attention or shaky confidence A long term investment in increasing your child s vocabulary ability to follow oral directions and problem solving skills is especially important for the exam because of changes in the scoring system Previously student s verbal scores were only weighted as 35% of the over all percentile now however the verbal will be weighed at 50% This means that your child s ability to perform verbal reasoning and problem solving will be more important than it was for previous classes Our G T Preparation book Familiarizes your Child with the Test Format After having developed the necessary foundational knowledge and skills through our other programs our book will help familiarize your child with the test format and teach him or her how to best apply his or her knowledge and skills on the test This approach keeps children s attention fixed and ensures that students who learn differently understand each concept fully Our Book is also designed to teach children to sit and pay attention for the test s full length

CogAT Form 6 Practice Test - Kindergarten and Level One Questions for Children Bright Kids NYC,2012-05-15

Two Full Length (Colored) Practice Tests for the CoGAT Form 7 Top Grader LLC,2017-08-25 Top Grader has been coaching children on the gifted and talented tests for more than three years When we got requests from parents to coach their children on the CogAT we went looking around for practice material on this test While we started with what was available in the market we quickly realized that we could give these children a much better preparation if we

developed quality content on our own So our academicians got on the job After reviewing a lot of study material on CogAT available both online and in print we found that there is a void when it comes to high quality structured and relevant content for the CogAT test This book is an attempt to fill that void every question in this book has been carefully developed to provide children with the most appropriate content for practice What s even better is that all the questions in this book are in full color something that is essential to simulate the real CogAT test experience but is hard to find in the current marketplace Although we cannot guarantee that the content of this book will help every child ace the CogAT we do assure you based on our experience coaching prospective CogAT test takers that if a child solved all the problems available in the two practice tests in this book his or her chances of getting a high score will improve greatly If you feel your child needs personal attention and hand holding to prepare for the CogAT we encourage you to take advantage of our one on one online tutoring for the CogAT test at [www top grader com](http://www.topgrader.com) The Top Grader team wishes you and or your child best of luck for the CogAT test We value your feedback to help us improve our products and services hence if you have any questions comments or suggestions please do not hesitate to reach out to us at [feedback top grader com](mailto:feedback@topgrader.com)
