Future Esoteric Brad Olsen,2016-04-01 Examining the flaws of mainstream society this collection of conspiracy theory esoteric knowledge and fringe subjects seeks to present solutions to current social economic and environmental world issues This book encourages the exploration and integration of modern science with ancient wisdom which will lead modern society towards advancement and enlightenment Topics discussed include religious mythos government manipulation technological advances and utopia

Beyond Esoteric Brad Olsen,2021-01-14 Nothing in this world works the way you think it does there is always more to the story Be aware that there is a war for your mind and your soul Corporations have taken over governments in a new form of Fascism that now incorporates high technology and artificial intelligence The survival of the human race may depend on breaking the Embargo of truth and collectively developing an berMind But truth always resonates Beyond Esoteric takes off the kids gloves and exposes the control grid extending its tentacles across the planet The word occult means nothing more than to study the realm of the hidden So much of real knowledge and wisdom is disguised because the people who run the planet feel that true information of how the world works and how to manifest reality is something you do not need to know Everything we think we know about the world and the universe in which we live whatever we have been led to believe concerning the course of human history could very well be completely wrong distorted and misinformed The 19th century teachers of the occult could never have imagined The Ultimate Journey of the 21st century we now face one that extends far Beyond Esoteric

Confessions of an Illuminati, Volume III Leo Lyon Zagami,2017-05-01 Zagami pushes the boundaries once again with this unique and personal journey into the mysteries of the secretive world of the Dark Cabal In the third book of this acclaimed series Zagami explores a variety of cryptic topics that are always verified with documentation This is not a work of fiction but a tool with which readers can comprehend topics that range from the truth about the mythical Knights Templars to the Jesuits and their Vatican espionage game Zagami uncovers the most credible candidates of the Grail mystery with proven testimony from an official saint of the Catholic Church Zagami also upholds what he calls conspiracy reality a way to fight back against the system of lies and deceit responsible for the rise of Satanism in the Vatican showing in the process the magical practices of the Illuminati

Modern Esoteric Brad Olsen,2017-08-02 This completely reworked second edition of Modern Esoteric includes new information over a dozen additional images and up to date revisions Winner of the Best Book Design 2014 Modern Esoteric examines the flaws in modern history and looks at how conspiracy theories esoteric knowledge and fringe subjects can be used to help change the dead end course humanity seems to be following The Lifeology section explores the long and storied

alternative narrative of life on this planet In the Control section author Brad Olsen examines how Big Brother is here in the form of the New World Order and how they keep the knowledge of humankind's true nature from the mass population Finally the Thrive section looks at all the ways humans are evolving to achieve their full potential [A Christian's Guide through the Gender Revolution](#) Vincent E. Gil,2020-12-22 Contemporary questions about gender challenge our views of ourselves and the proverbial other In this meticulously researched well written and illuminating guide Vincent Gil unpacks elements involved in gender identity conflicts and intersexuality At the heart of the matter are real people not just issues Drawing on histories culled from his many years as counselor professor and researcher Gil explores gender and identity issues of conflict and of reconciliation He distinguishes biological and psychological elements from social issues and addresses the current movement of gender individuation its language idioms and its influences on gender ideology and theology He also provides an engaging theological discourse filling gaps in our understanding of procreation to better inform our theology of being The work assists Christian parents clergy and lay leaders by working through the tough questions It suggests means to engage counsel support and reconcile with those gender questioning or conflicted be they children adolescents or adults

Richardson,2022-10-04 Dismantling the Myths that Obscure God's Great Plan The primary mission of the church is to glorify God by blessing all peoples of the world through the gospel of Jesus Christ The Great Commission's task of global disciple making is the most ambitious project ever undertaken Given the scale and complexity of global missions it's no wonder that misconceptions abound even among invested godly people Questions and skepticism about missions arise from both outside and inside the church Is missions an outdated idea Do missionaries do more harm than good Are we succeeding or failing Is it time for global believers to do the job in their own countries with minimal Western involvement We don't need to fear questions like these But we do need to seek and find solid biblical answers Is the Commission Still Great dismantles the myths that obscure God's beautiful plan to make disciples of all nations Misperceptions discourage God's people from joyfully participating with Him in reaching the world Yet deepening our understanding of the call to missions restores perspective and motivates us to participate in God's grand design Author and missionary kid Steve Richardson uses stories from Scripture history and his own ministry experience to impart timely lessons on modern missions Richardson also draws from

the wisdom of field missionaries sending agencies pastors and church members to address this all important endeavor Each chapter finishes with thought provoking questions to facilitate purposeful discussion in families and small groups Is the Commission Still Great will equip followers of Christ to be participants not spectators in the redemption of the world

Confessions of an Illuminati, VOLUME II Leo Lyon Zagami, 2017-11-11 After his master thesis of the secret societies network as outlined in Volume I the Confessions of an Illuminati narrative of Leo Lyon Zagami is projected to the reality of today including the occult maneuvers behind the New World Order We need to wake up beyond our current belief systems because the controllers of the New World Order are moving fast using the Prophecies to their advantage to implement their evil plan by 2020 when World War III will finally break loose The author demonstrates that the hierarchy of power emanating from Rome and Jerusalem with the Jesuits and the Zionist s united by a secret pact since the Second Vatican Council are in cahoots working towards the creation of a world government There is also China playing a new role in the NWO with the far reaching tentacles of Chinese Freemasonry manipulating economic Hit Men and disinformation artists while Russia is building their Christian orthodox alliance to apparently oppose the Western antichrist In this unprecedented scenario we also have the involvement of the big media moguls like Ted Turner and Silvio Berlusconi and their role in manipulating perceptions The author discusses further aspects of the Satanic infiltration of Freemasonry

pointing out on the generational aspect the many ways of defending yourself psychically against black magicians but also against the many sects operating in the Illuminati Network
