Mastering Alliance Strategy A Comprehensive Guide To Design Management And Organization:

Mastering Alliance Strategy James D. Bamford, Benjamin Gomes-Casseres, Michael S. Robinson, 2003-02-03 Erfolgreiche Unternehmensallianzen sind heute für viele Unternehmen absolut wichtig wenn es darum geht sich einen Wettbewerbsvorteil zu sichern Mastering Alliance Strategy ist ein umfassender Leitfaden zum Thema Allianzstrategie Er entwirrt die haarigsten Themen rund um das Allianzmanagement und erläutert die aktuellsten Gedanken Ideen und Praktiken für eine effektive Nutzung von Partnerschaften Ob absoluter Anfänger oder erfahrener Allianzexperte ob Fachmann im Bereich Unternehmensentwicklung Linienmanager oder Führungskraft hier lernen Sie Allianzen besser zu verstehen und auszunutzen Die Autoren zeigen dass das Erfolgsgeheimnis nicht nur in den Feinheiten einer Vereinbarung liegt sondern auch in der Strategie und Organisation hinter dieser Vereinbarung Aus ihrer langjährigen Forschungsarbeit und Berichterstattung präsentieren sie hier Ideen und Tools zu den vier Kernelementen einer effektiven Allianzstrategie Planen der Allianz und Entwerfen der Vereinbarung Managen der Allianz sobald sie gegründet ist Vorteile ziehen aus einer Konstellation von Allianzen Aufbau einer internen Allianzfähigkeit Verständlich geschrieben Mit anschaulichem Beispielmaterail Mastering Alliance Strategy die ultimative Pflichtlektüre für alle Unternehmensstrategen und Führungskräfte *Strategic Alliance Management* Brian Tjemkes, Pepijn Vos, Koen Burgers, 2023-06-27 Strategic Alliance Management presents an academically grounded alliance development framework detailing eight stages of alliance development with consideration for specific management challenges For each stage readers are presented with theoretical insights evidence based managerial guidelines and a business case illustration Other chapters consider alliance attributes alliance competences and alliance challenges and cover topics such as innovation co branding co opetition business ecosystems alliance professionals alliance capabilities societal alliances and a tension based alliance mindset This fully revised 3rd edition leverages the book's strengths in marrying theory with practical insight All the chapters have been updated to reflect the current academic literature whilst new international case studies are incorporated throughout Two new chapters feature in this edition considering the importance of the mindset required to successfully navigate alliance arrangements and emerging alliance practices exploring how new technologies sustainability and the external environment have disrupted alliance management In chapter text boxes discussing emerging themes provide opportunity for discussion and analysis The textbook remains highly valuable core and recommended reading for postgraduate students of Strategic Management and Corporate Strategy MBA and Executive MBA as well as reflective practitioners in the field Online resources include chapter by chapter lecture slides two long case studies and short interviews with alliance executives **The Architect's Handbook of Professional Practice** American Institute of Architects, 2011-09-26 Architects must be proficient in a variety of business practices to contribute to manage or launch a successful firm They are responsible for the same kind of legal financial marketing management and administrative activities as any other professional Within these broad categories however there are many

details including professional standards and documents that are unique to the profession of architecture **Remix Strategy** Benjamin Gomes-Casseres, 2015-08-11 Create and capture value no matter what path you've chosen How to Create Joint Value Alliances partnerships acquisitions mergers and joint ventures are no longer the exception in most businesses they are part of the core strategy As managers look to external partners for resources and capabilities they need a practical roadmap to ensure that these relationships will create value for their firm They must answer questions like these Which business combinations do we need How should we govern them Will their results justify our investments Benjamin Gomes Casseres explains how companies create value by remixing resources with other companies Based on decades of consulting and academic research Remix Strategy shows how three laws shape the success of any business combination First Law The combination must have the potential to create more value than the parties could create on their own Which elements from each business need to be combined to create joint value Second Law The combination must be designed and managed to realize the joint value Which partners best fit our strategic goals How should we manage the integration Third Law The value earned by the parties must motivate them to contribute to the collaboration How will we share the joint value created Will the returns shift over time Supported by examples from a wide range of industries and companies and filled with practical tools for applying the three laws this book helps managers design and lead a coherent strategy for creating joint value with outside partners Developing Alliance Capabilities K. Heimeriks, 2008-05-29 Alliances are becoming an ever more important strategic weapon to succeed in many industries This book describes how various leading firms have succeeded in learning how to manage their alliance portfolios and uses cutting edge research to offer advice on alliance management skills

Strategic Alliances Steve Steinhilber, 2008-11-03 As a top executive you've almost certainly forged strategic alliances with other companies Some of these deals have worked but many others have likely failed In fact companies worldwide launch more than two thousand strategic alliances every year and more than half never deliver as promised In *Strategic Alliances* Steve Steinhilber proves that despite the odds alliances are critical to the business strategy for companies competing globally customers want integrated solutions to their problems and that's pushing companies to work together to create differentiated offerings Equally crucial well managed alliances generate important forms of business value including new products and accelerated growth Drawing on his experience as the head of Cisco's Strategic Alliances group Steinhilber has created tools and guidelines that will help you forge alliances that work He describes the three essential building blocks of successful alliances and explains how to establish The right framework by articulating how an alliance will help you achieve your company's strategic business goals and identifying potential partners The right organization by staffing your alliance organization with the right people and constantly honing their skills The right relationships by cultivating trust among the many key internal contacts in your organization and your alliance partners Engaging and authoritative *Strategic Alliances* shows you how to manage strategic partnerships more effectively and maximize their value in a complex and
