Lands of Dust John Triptych, Millions of years from now the planet is dying The oceans have dried into plains of ash Strange lethal creatures ravage the land The surviving pockets of humanity eke out a brutal existence But some humans have also evolved into Magi men who can move objects with a mere thought and Strigas women who can control others minds

Once Gorgons could do both and were the rarest of all But a devastating war eradicated the Gorgons and their terrifying presence faded into legend Miri a powerful Striga and the chosen protector of her village by the Great Silt Sea is sworn to defend her people against attacks by raiders and monsters But when a mysterious young boy is found near the wastes her once familiar world shatters and she and her allies must journey across an unforgiving planet in order to unravel a mystery surrounding the extinction of the Gorgons one that could change everything they thought they knew Explore Dying World a new dystopian science fiction series in the tradition of Jack Vance s The Dying Earth Gene Wolfe s Book of the New Sun Frank Herbert's Dune and Star Wars as only John Triptych could tell it **Wetworld** John Triptych, New Bali is a swamp world located 20 light years from Earth Colonized by humans almost two hundred years before the planet is also home to an intelligent methane breathing race of amphibians The natives have a unique culture that precludes war and vengeance but recent events have begun to unravel a once fragile peace Sophie Singh heir to a vast conglomerate must decide whether to retain her family s control of Wetworld while Brother Moises Borbon a conflicted Jesuit researcher races against time to unlock the true meaning behind an alien art form that might be the key to truly understanding the natives These and many more unforgettable characters will experience critical choices ahead in the first part of this science fiction saga on colonialism war and sociopolitical upheaval **Nepenthe Rising** John Triptych, 2019-02-10 In the far future two major factions are locked in a galactic cold war As tensions mount between the technocratic Union and the genome harnessing Concordance both sides anxiously watch for a chance to conquer the other The Nepenthe is a pirate vessel loyal to neither Led by the enigmatic Captain Dangard her rough and ready crew includes the cat like alien Commander Creull Zeno the immortal synthetic the dashing Garrett Strand and Duncan Hauk a promising young recruit Hired by a cryptic employer the crew waylays a transport ship carrying a mysterious passenger In due time this incident sparks the beginnings of an interstellar conflict that could threaten the state of known space The first of an epic new sci fi series Nepenthe Rising delivers what today s fans want detailed world building thrilling action and mind blowing adventure on a grand scale The Maker of Entropy John Triptych, The third book in this action packed series reaches a stunning climax as the world s hidden secrets are finally revealed Miri and Zeren lead an expedition into the lost trading routes of the Unknown Regions In these strange lands they encounter disparate tribes ruled by a domineering Khanate in the midst of an internal struggle one that could decide the fate of the known world With an unseen force guiding him Rion s quest to finally unearth his true origins leads them all towards an ultimate confrontation with the Maker of Entropy a living god of immense power Do not miss this new release in the ongoing sci fi series The Dying World If you are a fan of planetary romance and out of this world adventure in the tradition of Edgar Rice Burroughs Jack Vance Ursula K Le Guin Dune and Star Wars then have a look at this latest release by John Triptych City of Delusions John Triptych, Lethe the fabled last bastion of mankind It is said that the city was humanity s last hope a place of sanctuary for those who would brave the barren wastes to enter through its

hallowed gates But the truth is far far different Lethe is a place of lies and betrayal The people who live within its ancient foundations resort to guile and hypocrisy to further their own ends The decadent aristocracy lives in fortress like mansions ignoring the suffering of the teeming masses to engage in all manner of debauchery. The Magi Order is hopelessly corrupt openly defying the ancient laws that once held the brotherhood in high esteem amongst the people In this maelstrom of deceit Miri is stripped of her powers and is forced to battle in the arenas to regain her freedom Rion is indoctrinated into the noble class his scant memories are relentlessly debilitated in order to ensure his loyalty for an insidious cause Meanwhile a dashing roque named Zeren stumbles upon a vast conspiracy that could alter the destiny of the entire city Do not miss this sequel to Lands of Dust a new dystopian science fiction series in the tradition of Jack Vance's The Dying Earth Gene Wolfe's Book of the New Sun Frank Herbert s Dune and Star Wars as only John Triptych could tell it **Grotto of Silence** John Triptych, A year has passed and the native c thloog have begun a savage guerilla war across the swamps and rivers of the entire planet The colonists of Wetworld are hard pressed for the insurgents have somehow acquired advanced human weaponry and are supported by mysterious allies Sophie Singh is thrust into a leadership role as enemies from all sides attempt to crush the ruling conglomerate her family has built up over many generations Meanwhile Conrad Gorski an agent from the Vatican is sent to New Bali to find the missing Moises Borbon the one man who holds the key to communicating with the indigenous aliens The war has intensified and the hopes for peace have been dashed With each side becoming more ruthless than ever before who will win in the end Virago One John Triptych, Virago the code name for a top secret project between ACE Corp and USAF Space Command Its goal is to deploy the first fusion powered battleship to ensure American domination of any potential conflict in space There's only one problem Virago has been stolen The world is now at the brink of war as the hijacked spacecraft forges a path of destruction across known space. The task to intercept and retake this dangerous adversary falls on corporate troubleshooter Stilicho Jones and NASA Special Agent Darian Arante who must overcome their mutual distrust and antagonism just to survive This time the stakes are higher the price of failure too catastrophic to imagine Combining hard science with heart stopping thrills this second book in the Ace of Space series will surely delight fans of Tom Clancy s The Hunt for Red October Craig Thomas s Firefox Larry Niven and Jerry Pournelle s Footfall and the works of Dale Brown X WAR Trilogy John Triptych, Around the world an increasing number of strange events forces humanity to confront their greatest question are we alone What do sightings of cryptids strange objects in the sky and the disappearances of key scientists have in common The aliens are indeed real and they have been waiting until the time is right The nations of Earth are now in a race against time can they find out what the true intentions of these beings might be before it s too late If you re into UFO conspiracies political and technological thrillers and epic edge of your seat The Fomorians John Triptych, The thrilling adventures check out this complete action packed trilogy from John Triptych sequel to Pagan Apocalypse is now available WHO ARE THE FOMORIANS A supernatural race of giants and monsters the
