Evangelical Worship Melanie C. Ross, 2021-09-17 Say the words evangelical worship to anyone in the United States even if they are not particularly religious and a picture will likely spring to mind unbidden a mass of white middle class worshippers with eyes closed faces tilted upward and hands raised to the sky Weaving together insights from American religious history and liturgical studies and drawing on extensive fieldwork in seven congregations Melanie C Ross brings contemporary evangelical worship to life Critics have underestimated evangelical worship seeing it as little more than a manipulative effort to arouse devotional exhilaration This book will irrevocably change that interpretation revealing worship to be the site where congregations forge argue over and enact their unique contributions to the American mosaic known as evangelicalism *Covenants Contracts and Curses* Zion Willingham, 2024-12-05 Every fruit comes from a tree or vine Every tree or vine comes from a root Every root started as a seed In order to chop down a massive tree one must cut down through the root and all seeds must be removed Curses Contracts and Covenants work in the same fashion This book will help you discern the seed of stubborn oppression so that you can destroy the tree with its fruit *The whole works of Edward Reynolds* Alexander Chalmers, *The Whole Works of the Right Rev Edward Reynolds Lord Bishop of Norwich* In six volumes
