The Handbook of Moving on or How to Survive When You Die! Karen Moss, 2019-04-25 Follow the story of a diverse group of people after they pass on or die. Discover their stories, what has happened to them and what may be about to happen. Follow on further with some of them while they attempt to make sense of their earthly lives and how their existence carries on, sometimes in unexpected ways. What they discover may be thought provoking, challenging or comforting. To you, the reader, this may depend on what your hopes and fears are, not only about death but about lessons in life. Read on and hear messages sent back to loved ones or not so loved ones left behind. Some of these messages may make you laugh, some may make you cry, but all will make you, the reader, think. The story is one third imagination, one third experience and one third reported stories from people encountered in daily life over many years. Enjoy.
