God Where Are You Voices From The Monastery:

Voices from the Mountains Andrew D. Mayes, 2021-10-18 In the shifting sands of today's uncertain world where traditional paradigms are fragmenting and everything seems in a state of flux the biblical mountains endure as unshakable and steadfast In their caves and canyons linger ancient voices that can startle us into new insights and awaken in us new ways of seeing the world and ourselves In this book we go on a quest to locate the ancient voices of those who actually lived in these mountains who knew both the physical contours and spiritual secrets of the summits and who long pondered their mysteries We will rediscover texts and fragments that have been long forgotten in the West The pandemic has filled the world with uncertainty and fear We will discover wisdom and insights that are strikingly relevant to this unfolding world crisis and that speak with an uncanny directness to our situation But the wisdom here is timeless and enduring and readers will benefit from these ancient voices in all generations and in all sorts of circumstances This book is not so much an anthology of forgotten voices as a sourcebook of spirituality and a guidebook for the spiritual adventure **The Lands of**

Father Arseny various unknown, 2021-07-24 Wealth without work Pleasure without conscience Science without humanity Knowledge without character Politics without principle Commerce without morality Worship without sacrifice <https://vidjambov.blogspot.com> 2023 01 book inventory vladimir djambov talmach.html Dedicated to the memory of the new martyrs and confessors of Russia Father Arseny Bear ye one another's burdens and so fulfil the law of Christ Gal 6 2 Can die but stay living for people and you can stay alive but to be lost Father Arseny is a collection of literary processed eyewitness accounts of the life of a modern confessor their spiritual father as well as their stories about his life The first editions spread throughout Russia and abroad and made the book Father Arseny one of the most beloved in the Orthodox world The book is translated and published in English and Greek It revealed the image of a saint internally identical to the Orthodox holiness of all times but having unique features of an ascetic of modern times In the new edition for the first time the fifth part of Love Your Neighbor is published transmitted to the publishers after the publication of previous editions The authenticity of the events described partially hidden by personal names is not in doubt In addition to the confirmations of the still living disciples of Father Arseny there is also an internal guarantee of this authenticity the reader's heart joyfully believes everything described since it is impossible not to believe the truth is in its genuine beauty Even in Samizdat typewriting a remarkable book was widely distributed and had a very strong impact on a large circle of readers It revealed the image of a saint of our time intrinsically identical to the Orthodox holiness of all times but having unique features of an ascetic of modern times What is the peculiarity of this recent feat First of all in the spirit of the times The first Christian martyrs were waiting for the imminent end of the world but they were spiritually born in a young church living a clean spiritual life that did not yet know the notorious historical sins If then out of twelve students one

became a traitor then the persecution of the 20th century figuratively speaking often only one out of twelve was left true The terrible atmosphere of total renunciation betrayal betrayal the unimaginable scale of a spiritual and historical disaster millions of people captivated by lies and involved in the satanic reprisals against the Church of Christ over their people and their country all this plunged into despondency and despair produced a sense of doom hopelessness abandonment Having lost faith in God the formerly great Orthodox Russia became a defenseless object for the implementation of the satanic plan of an unprecedented in the history of genocide Civil and Patriotic War tens of millions of victims of artificially created famine tens of millions of innocent painfully destroyed in countless camps and prisons Before the Orthodox people are soldered accustomed to deception theft and lies as a way of life to violence and robbery to fornication and debauchery to the systematic destruction of their own children In a devilish obscurity seeing enemies in each other and becoming enemies people gave their strength and life to a century old senseless war cruelly ruthlessly tormenting each other They became unable to organize their national life forgot how to work forgot how to love live a family life give birth and raise children
