First Certificate Avenues Revised Edition Student's Book David Foll,Anne Kelly,1996-04-11 First Certificate Avenues Workbook gives the student additional language practice and FCE training **Literary Modernism and Beyond** Richard Lehan,2012-01-09 Early modernists turned to theories of consciousness and aestheticism to combat what they saw as the hostility of naturalism and to find new ways of thinking about reality This consciousness took various forms including a Jamesian sense of moral ambiguity Proustian time spots and Bergsonian intuition but the Nietzschean theory that reality depends on perception connected them all This modernist movement reached a distinguished level of achievement with novelists Thomas Mann Marcel Proust and James Joyce but a succession of counterinfluences transformed it after World War II when elitism and a desire for a homogeneous culture gave way to diversity and elements of mass culture In *Literary Modernism and Beyond* Richard Lehan tracks the evolution of the movement from its emergence in the late nineteenth century to its recent incarnations In this wide ranging study Lehan demonstrates how and why the originary vision of modernism changed radically after it gained prominence With critical discussions on a wide variety of major modernist writers intellectuals and artists and their works including Virginia Woolf Gertrude Stein T S Eliot Wallace Stevens Andre Gide Franz Kafka Zora Neale Hurston Ian Fleming and J K Rowling Lehan examines the large scale changes that came as critical authority moved from one generation to another Both popular culture and literary criticism especially critical theory acted as key agents of change and structuralism poststructuralism and concerns with gender and race also greatly influenced the movement Along with a process of decline and a nihilism that emerged from the modernist movement these changes created a new literary reality and with it a new textuality *Literary Modernism and Beyond* treats modernism s major innovations of myth symbol and structure not as individual pieces but as interrelated contributions to a historical process the product of three generations of transformations Lehan s analysis provides a more complete understanding than ever before of the movement itself *Roses Under the Miombo Trees* Amanda Parkyn,2012-08-01 Amanda Parkyn s memoir focusses on her life in 1960s Southern and Northern Rhodesia Based on the letters she wrote to her parents back in England *Roses Under the Miombo Trees* covers significant events in Rhodesia s history as uniquely witnessed through the eyes of a young na ve housewife Amanda Parkyn a young English bride finds herself in 1960s colonial Africa Life as wife of a sales representative means frequent change as he is posted to progressively smaller communities first in Southern Rhodesia pre Ian Smith then north to the tip of Lake Tanganyika in a Northern Rhodesia about to be granted its independence She writes home regularly as she learns to keep house to become madam to a succession of servants as she eagerly seeks to fit into a white society very different from that of her upbringing Starting a family brings new challenges as she must learn to make do in ingenious ways to stretch their tiny budget Back in England her mother sends frequent parcels of everything from shoes to

toys and romper suits to Christmas cakes keeping her daughter's airmail letters in an old leather document case Forty years later Amanda has revisited these letters and in *Roses Under the Miombo Trees* weaves a narrative around the voice of Amanda's young self and her memories of the time setting the story within its historical and political context *Roses Under the Miombo Trees* describes the carefree enjoyment of a privileged white lifestyle in the sunshine of Southern Africa the fun and resourcefulness of communities making their own entertainment the support and friendship young wives and mothers give each other so far from home But she also uncovers a young woman's hidden unease at the foreignness of it all of being white among black Africans and must face her young self's casual racism and colonial attitudes The text is spiked with short poems which in a different voice reveal other aspects of the story Finally the author asks what might have happened to those she knew in countries now so different from when she lived there
