Marco Cascella

Going Local Decentralization Democratization And The Promise Of Good Governance:

Going Local Merilee Serrill Grindle, 2007 Publisher description *Going Local* Merilee S. Grindle, 2009-03-09 Many developing countries have a history of highly centralized governments Since the late 1980s a large number of these governments have introduced decentralization to increase democracy and improve services especially in small communities far from capital cities In *Going Local* an unprecedented study of the effects of decentralization on thirty Mexican municipalities Merilee Grindle describes how local governments respond when they are assigned new responsibilities and resources under decentralization policies She explains why decentralization leads to better local governments in some cases and why it fails to in others Combining quantitative and qualitative methods Grindle examines data based on a random sample of Mexican municipalities and ventures into town halls to follow public officials as they seek to manage a variety of tasks amid conflicting pressures and new expectations Decentralization she discovers is a double edged sword While it allows public leaders to make significant reforms quickly institutional weaknesses undermine the durability of change and legacies of the past continue to affect how public problems are addressed Citizens participate but they are more successful at extracting resources from government than in holding local officials and agencies accountable for their actions The benefits of decentralization regularly predicted by economists political scientists and management specialists are not inevitable she argues Rather they are strongly influenced by the quality of local leadership and politics *Going Local: Decentralization, Democratization and the Promise of Good Governance*, Por Merilee S. Grindle, Princeton, Princeton University Press, 2007, 248 Pp Jonathan Hiskey, 2008 Reseña de "Going Local, Decentralization, Democratization and the Promise of Good Governance" de Merilee S. Grindle Sergio Cárdenas Denham, 2008 Decentralization, Democratization, and Informal Power in Mexico Andrew Selee, 2015-10-20 In the last two decades of the twentieth century many countries in Latin America freed themselves from the burden of their authoritarian pasts and developed democratic political systems At the same time they began a process of shifting many governmental responsibilities from the national to the state and local levels Much has been written about how decentralization has fostered democratization but informal power relationships inherited from the past have complicated the ways in which citizens voice their concerns and have undermined the accountability of elected officials In this book Andrew Selee seeks to illuminate the complex linkages between informal and formal power by comparing how they worked in three Mexican cities The process of decentralization is shown to have been intermediated by existing spheres of political influence which in turn helped determine how much the institution of multiparty democracy in the country could succeed in bringing democracy closer to home **The Idea of Good Governance and the Politics of the Global South** Haroon A. Khan, 2015-08-11 One of the major objectives of good governance is human development Many worry that without good governance many developing countries may become failed states Using one of the worst industrial disasters in Bangladesh to date Haroon A Khan helps further our understanding of the importance of bureaucratic capacity

for achieving good governance and offers a new paradigm for a merit system to improve governance In doing so he introduces the reader to the concept of good governance and its importance by investigating its relationship with failed states globalization bureaucratic effectiveness and human development The Idea of Good Governance and the Politics of the Global South will be useful for the students interested in political science public administration and international relations

Civil Society and Participatory Governance Maureen M. Donaghy, 2013 Breaks new ground in the study of participatory governance by combining qualitative and quantitative research methods Donaghy uses data from Brazil's 5 564 municipalities and fieldwork from five Brazilian cities to test whether participatory municipal housing councils are associated with an increase in adoption of social housing programs to benefit the poor

Sustainable Governance of Wildlife and Community-Based Natural Resource Management Brian Child, 2019-10-23 This book develops the Sustainable Governance Approach and the principles of Community Based Natural Resource Management CBNRM It provides practical examples of successes and failures in implementation and lessons about the economics and governance of wild resources with global application CBNRM emerged in the 1980s encouraging greater local participation to conserve and manage natural and wild resources in the face of increasing encroachment by agricultural and other forms of land use development This book describes the institutional history of wildlife and the empirical transformation of the wildlife sector on private and communal land particularly in southern Africa to develop an alternative paradigm for governing wild resources With the twin goals of addressing poverty and resource degradation in the world's extensive agriculturally marginal areas the author conceptualises this paradigm as the Sustainable Governance Approach which integrates theories of proprietorship and rights prices and economics governance and scale and adaptive learning The author then discusses and defines CBNRM a major subset of this approach Interweaving theory and practice he shows that the primary challenges facing CBNRM are the devolution of rights from the centre to marginal communities and the governance of these rights by communities a challenge which is seldom recognised or addressed He focuses on this shortcoming extending and operationalising institutional theory including Ostrom's principles of collective action within the context of cross scale governance Based on the author's extensive experience this book will be key reading for students of natural resource management sustainable land use community forestry conservation and development Providing practical but theoretically robust tools for implementing CBNRM it will also appeal to professionals and practitioners working in communities and in conservation and development

Understanding Policy Change Cristina Corduneanu-Huci, Alexander Hamilton, Issel Masses Ferrer, 2012-11-09 This book provides the reader with the full panoply of political economy tools and concepts necessary to understand analyze and integrate how political and social factors may influence the success or failure of their policy goals

Philippine Politics Lynn White III, 2014-12-17 Philippine political history especially in the twentieth century challenges the image of democratic evolution as serving the people and does so in ways that reveal inadequately explored aspects of many democracies In the

first decades of the twenty first century the Philippines has nonetheless shown gradual socioeconomic progress This book provides an interpretive overview of Philippine politics and takes full account of the importance of patriotic Philippine factors in making decisions about future political policies It analyses whether regional and local politics have more importance than national politics in the Philippines Discussing cultural traditions of patronism it also examines how clan feuds localize the state and create strong local policies These conflicts in turn make regional and family run polities collectively stronger than the central state institution The book goes on to explore elections in the Philippines and in particular the ways in which politicians win democratic elections the institutionalized role of public money in this process and the role that media plays Offering a new interpretive overview of Philippine progress over many decades the author notes recent economic and political changes during the current century while also trying to advance ideas that might prove useful to Filipinos

Presenting an in depth analysis of the problems and possibilities of politics and society in the Philippines the book will be of interest to those researching Southeast Asian Politics Political History and Asian Society and Culture *Public Service*

Broadcasting 3.0 Mira Burri, 2015-06-05 The digital media environment is characterized by an abundance and diversity of content a multiplicity of platforms new modes of content production distribution and access and changed patterns of consumer and business behaviour This has challenged the traditional model of public service broadcasting PSB in diverse ways This book explores whether and how PSB should adapt to reflect the conditions of the digital media space so that it can effectively and efficiently continue to serve its public mandate Drawing on literature on media governance in media and communication science public international law as well as discussions on cyberlaw Mira Burri maps and critically analyses existing policy and scholarly debates on PSB transformation She challenges some of conventional rationales for reform identifies new ones as well as exposes the limitations placed upon existing and future policy solutions by global media governance arrangements especially in the fields of trade copyright and Internet governance The book goes on to advance a future oriented model of Public Service Media which is capable of matching an environment of technological and of governance complexity As a work that explores how public interest objectives can be pursued efficiently and sustainably in the digital media ecology this book will be of great interest and use to students and researchers in media law information technology law and broadcast media studies as well as to policy makers **Rural Policy Implementation in**

Contemporary China Anna Ahlers, 2014-01-10 At the turn of the millennium the disparities between rural and urban livelihoods underdevelopment and administrative shortcomings in the Chinese countryside were increasingly seen as posing a manifest threat to social harmony and economic and political stability At that time the term three rural problems sannong wenti was coined which defined the main issues of rural life that needed to be targeted by government action agriculture nongye villages nongcun and farmers nongmin In turn with the launch of the 11th Five Year Plan in 2006 a pledge was made to shift the focus of developmental efforts to the long neglected countryside which is still home to half of the Chinese

population This book presents an analysis of adaptive local policy implementation in China in the context of the Building of a New Socialist Countryside BNSC policy framework Based on intensive field work in four counties in Fujian Jiangxi Shaanxi and Zhejiang Provinces between 2008 and 2011 it offers detailed analyses of the form and impact of county governments strategic agency at certain stages and within certain fields of the implementation process for example the design of local BNSC programs the steering of project funding implementation and evaluation the establishment of model villages and the management of public participation Further this study illustrates that BNSC is far more than the empty slogan described by many observers when it was launched in 2005 2006 Instead it has already brought about considerable shifts in terms of the process and outcomes of rural policy implementation Altogether the results of this research challenge existing paradigms by showing how against the background of contemporary approaches to rural development and recent reforms initiated by the central state local bureaucracies strategic agency can actually push forward effective albeit not necessarily optimal policy implementation to some extent which serves the interests of central authorities local implementors and rural residents By tying into the larger debates on China s state capacity and authoritarian adaptability this book enriches our understanding of the inner workings of the Chinese political system As such it will prove invaluable to students and scholars of Chinese politics public policy and development studies more generally

Localizing Development Ghazala Mansuri,Vijayendra Rao,2012-11-01 This book examines the conceptual foundations of the participatory approach to local development assesses the evidence of its efficacy and draws key lessons for policy

The Politics of Education in Developing Countries Samuel Hickey,Naomi Hossain,2019 This book focuses on how politics shapes the capacity and commitment of elites to tackle the learning crisis in six developing countries It deploys a new conceptual framework to show how the type of political settlement shapes the level of elite commitment and state capacity to improving learning outcomes

The Government Analytics Handbook Daniel Rogger,Christian Schuster,2023-10-27 The Government Analytics Handbook presents frontier evidence and practitioner insights on how to leverage data to strengthen public administration Covering a range of microdata sources such as administrative data and public servant surveys as well as tools and resources for undertaking the analytics it transforms the ability of governments to take a data informed approach to diagnose and improve how public organizations work Readers can order the book as a single volume in print or digital formats or visit worldbank.org/governmentanalytics for modular access and additional hands on tools The Handbook is a must have for practitioners policy makers academics and government agencies Governments have long been assessed using aggregate governance indicators giving us little insight into their diversity and how they can practically be improved This pioneering handbook shows how microdata can be used to give scholars and practitioners granular and real insights into how states work and practical guidance on the process of state building Francis Fukuyama Stanford University author of State Building Governance and World Order in the 21st Century The Government Analytics Handbook is the most comprehensive work on practically building government administration I

have ever seen helping practitioners to change public administration for the better Francisco Gaetani Special Secretary for State Transformation Government of Brazil The machinery of the state is central to a country's prosperity This handbook provides insights and methodological tools for creating a better shared understanding of the realities of a state to support the redesign of institutions and improve the quality of public administration James Robinson University of Chicago coauthor of *Why Nations Fail* *Challenges of Governance* Ronald L. Holzhaecker, Wendy Guan Zhen Tan, 2021-01-05 This book presents a varied and multi dimensional view of challenges of governance in Southeast Asia and ASEAN through the variety of disciplines and nationalities involved In light of 50 years of regional collaboration and integration as the member states of ASEAN seek to chart out a future path for the region this book is dedicated to showcasing different challenges to governance that occur due to internal and external pressures for the various member states The editors are particularly interested in the multi level governance challenges on issues of democracy equity and sustainability the adaptation of policies and norms to fit an ASEAN way and the changing roles of civil society and citizens in this process of seeking a common identity and voice The book is divided into four sections The first section introduces the fundamental political institutional dynamics that are in play within the region and the interplay between regional forces and national norms The second section tackles the economic and legal discourses that various member states face in relation to external and internal pressures related to international and regional trade and industry The third section focuses on issues of sustainability and equity resulting from the vast socio spatial differences in the varied cities and regions of member states In the final section the authors discuss dilemmas resulting from economic growth in exploitative industries and the impact that has on the local and regional community through the lenses of inclusivity and justice Written by a diverse collection of policy makers researchers educators and activists from the regions discussed this book provides an authoritative first hand analysis of key challenges to governance in Southeast Asia and ASEAN As such this volume is an excellent resource for academics advanced masters and PhD candidates interested in the region and major Southeast Asian research institutes and centers as well as policy makers and influencers at both national and regional levels within the region **From Peril to Partnership** Paul J. Angelo, 2024 Plan Colombia and the M rida Initiative represented an unprecedented effort by Washington to stabilize fragile democracies in Latin America by shoring up the Colombian and Mexican security forces respectively From Peril to Partnership evaluates the extent to which the US government achieved its stabilization objectives US assistance was more helpful to Colombia than Mexico which adopted a more militarized approach This book highlights the importance of the private sector party system and security bureaucracy in facilitating progress and how their absence obstructs it **Rural Protest and the Making of Democracy in Mexico, 1968-2000** Dolores Trevizo, 2011-03-01 When the PRI fell from power in the elections of 2000 scholars looked for an explanation Some focused on international pressures while others pointed to recent electoral reforms In contrast Dolores Trevizo argues that a more complete explanation takes much earlier democratizing changes in civil society into

account Her book explores how largely rural protest movements laid the groundwork for liberalization of the electoral arena and the consolidation of support for two opposition parties the PAN on the right and the PRD on the left that eventually mounted a serious challenge to the PRI She shows how youth radicalized by the 1968 showdown between the state and students in Mexico City joined forces with peasant militants in nonviolent rural protest to help bring about needed reform in the political system In response to this political effervescence in the countryside agribusinessmen organized in peak associations that functioned like a radical social movement Their countermovement formulated the ideology of neoliberalism and they were ultimately successful in mobilizing support for the PAN Together social movements and the opposition parties nurtured by them contributed to Mexico s transformation from a one party state into a real electoral democracy nearly a hundred years after the Revolution

Natural Hazards and Disaster Risk Reduction Carina Fearnley, Emily Wilkinson, Catherine J. Tillyard, Stephen J. Edwards, 2016-04-08 Building upon presentations given during the conference on Disaster Risk Reduction for Natural Hazards Putting Research into Practice held at University College London in November 2009 the articles collected in this book examine how natural hazards research is accessed and used by practitioners and decision makers and conversely how policy and practice inform research As with the conference this book successfully brings together views from humanitarian and development agencies academia business government and funding bodies It is rare to engage such a wide range of sectors in a discussion relating to the issues of disaster risk reduction from a natural hazards perspective and the book captures this interaction and the resultant exchange of ideas thus providing an insight into how stakeholders respectively undertake or engage with natural hazards research Collectively the articles highlight the need for greater dialogue understanding and collaboration between all these sectors if research is to be made relevant and generate significant impact on risk reduction policy and practice There is an urgent requirement to better understand the respective needs ways of working project timescales and funding mechanisms for disaster risk reduction as well as the challenges posed by institutional and organizational structures and functions These issues must be overcome to ensure that ultimately and most significantly discussions turn into positive practical actions so that research on natural hazards is relevant and applicable The book represents a step in that journey This book was published as a special issue of *Environmental Hazards*

The Conundrum of Corruption Michael Johnston, Scott Fritzen, 2020-12-30 This book argues that it is time to step back and reassess the anti corruption movement which despite its many opportunities and great resources has ended up with a track record that is indifferent at best Drawing on many years of experience and research the authors critique many of the major strategies and tactics employed by anti corruption actors arguing that they have made the mistake of holding on to problematical assumptions ideas and strategies rather than addressing the power imbalances that enable and sustain corruption The book argues that progress against corruption is still possible but requires a focus on justice and fairness considerable tolerance for political contention and a willingness to stick with the reform cause over a very long process of

thoroughgoing sometimes discontinuous political change Ultimately the purpose of the book is not to tell people that they are doing things all wrong Instead the authors present new ways of thinking about familiar dilemmas of corruption politics contention and reform These valuable insights from two of the top thinkers in the field will be useful for policymakers reform groups grant awarding bodies academic researchers NGO officers and students

The book delves into Going Local Decentralization Democratization And The Promise Of Good Governance. Going Local Decentralization Democratization And The Promise Of Good Governance is a vital topic that needs to be grasped by everyone, from students and scholars to the general public. The book will furnish comprehensive and in-depth insights into Going Local Decentralization Democratization And The Promise Of Good Governance, encompassing both the fundamentals and more intricate discussions.

1. The book is structured into several chapters, namely:
 - Chapter 1: Introduction to Going Local Decentralization Democratization And The Promise Of Good Governance
 - Chapter 2: Essential Elements of Going Local Decentralization Democratization And The Promise Of Good Governance
 - Chapter 3: Going Local Decentralization Democratization And The Promise Of Good Governance in Everyday Life
 - Chapter 4: Going Local Decentralization Democratization And The Promise Of Good Governance in Specific Contexts
 - Chapter 5: Conclusion
 2. In chapter 1, this book will provide an overview of Going Local Decentralization Democratization And The Promise Of Good Governance. This chapter will explore what Going Local Decentralization Democratization And The Promise Of Good Governance is, why Going Local Decentralization Democratization And The Promise Of Good Governance is vital, and how to effectively learn about Going Local Decentralization Democratization And The Promise Of Good Governance.
 3. In chapter 2, the author will delve into the foundational concepts of Going Local Decentralization Democratization And The Promise Of Good Governance. This chapter will elucidate the essential principles that need to be understood to grasp Going Local Decentralization Democratization And The Promise Of Good Governance in its entirety.
 4. In chapter 3, this book will examine the practical applications of Going Local Decentralization Democratization And The Promise Of Good Governance in daily life. This chapter will showcase real-world examples of how Going Local Decentralization Democratization And The Promise Of Good Governance can be effectively utilized in everyday scenarios.
 5. In chapter 4, the author will scrutinize the relevance of Going Local Decentralization Democratization And The Promise Of Good Governance in specific contexts. This chapter will explore how Going Local Decentralization Democratization And The Promise Of Good Governance is applied in specialized fields, such as education, business, and technology.
 6. In chapter 5, this book will draw a conclusion about Going Local Decentralization Democratization And The Promise Of Good Governance. This chapter will summarize the key points that have been discussed throughout the book.
- The book is crafted in an easy-to-understand language and is complemented by engaging illustrations. This book is highly recommended for anyone seeking to gain a comprehensive understanding of Going Local Decentralization Democratization And The Promise Of Good Governance.

Going Local Decentralization Democratization And The Promise Of Good Governance Introduction

Going Local Decentralization Democratization And The Promise Of Good Governance Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Going Local Decentralization Democratization And The Promise Of Good Governance Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Going Local Decentralization Democratization And The Promise Of Good Governance : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Going Local Decentralization Democratization And The Promise Of Good Governance : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Going Local Decentralization Democratization And The Promise Of Good Governance Offers a diverse range of free eBooks across various genres. Going Local Decentralization Democratization And The Promise Of Good Governance Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Going Local Decentralization Democratization And The Promise Of Good Governance Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Going Local Decentralization Democratization And The Promise Of Good Governance, especially related to Going Local Decentralization Democratization And The Promise Of Good Governance, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Going Local Decentralization Democratization And The Promise Of Good Governance, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Going Local Decentralization Democratization And The Promise Of Good Governance books or magazines might include. Look for these in online stores or libraries. Remember that while Going Local Decentralization Democratization And The Promise Of Good Governance, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Going Local Decentralization Democratization And The Promise

Of Good Governance eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Going Local Decentralization Democratization And The Promise Of Good Governance full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Going Local Decentralization Democratization And The Promise Of Good Governance eBooks, including some popular titles.

FAQs About Going Local Decentralization Democratization And The Promise Of Good Governance Books

What is a Going Local Decentralization Democratization And The Promise Of Good Governance PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Going Local Decentralization Democratization And The Promise Of Good Governance PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Going Local Decentralization Democratization And The Promise Of Good Governance PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Going Local Decentralization Democratization And The Promise Of Good Governance PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Going Local Decentralization Democratization And The Promise Of Good Governance PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress

PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
