Writing and Designing Manuals and Warnings 4e Patricia A. Robinson, 2009-06-15 Twenty five years ago how many people were thinking about the internet on a daily basis Now you can find everything including technical and instruction manuals online But some things never change Users still need instructions and warnings to guide them in the safe and proper use of products Good design clear instructions and warnings place

Technology and Innovation in Adult Learning Kathleen P. King, 2017-02-10 A comprehensive exploration of technology's role in adult learning Technology and Innovation in Adult Learning introduces educators and students to the intersection of adult learning and the growing technological revolution Written by an internationally recognized expert in the field this book explores the theory research and practice driving innovation in both adult learning and learning technology and illuminates a powerful approach to recognize and leverage these opportunities Building on current trends and research in technology and its use each chapter illustrates the need opportunities and examples of current and future technologies that scaffold adult learning and provides comprehensive coverage of both current and emerging challenges Many adult learning faculty practitioners and students realize that technology presents a growing and ever present set of issues yet few feel confident in identifying the opportunities that arise with each step forward This book clarifies the interplay between adult learning and learning technology and characterizes the cyclic exchange of information and opportunities that link these fields now and in the future Understand the critical issues currently affecting adult learning Learn how technology is presenting both opportunities and challenges for the teaching and learning of adults in different contexts Examine recent research on learning technology for adult learners Discover how technological innovation can be applied now and how it will continue to shape the future of learning Adult learning is on the rise and there is no mistaking technology's role whether they're learning with or about technology today's adult learners come with unique sets of needs and skills that demand specialized approaches Traditional pedagogical techniques don't transfer directly and learning technology requires its own unique approach to development and use Technology and Innovation in Adult Learning equips practitioners to further adult learning and shape the future of the field while providing a rich perspective for classroom inquiry and research

User Localization Strategies in the Face of Technological Breakdown Isidore Kafui Dorpenyo, 2019-08-20 This book examines Ghana's use of the fingerprint biometric technology in order to further conversations about localization championed by technical communication scholars Localization in this case refers to the extent to which users demonstrate their knowledge of use by subverting and reconfiguring the purpose of technology to solve local problems Dorpenyo argues that the success of a technology depends on how it meets the users needs and the creative efforts users put into use situations In User Localization Strategies in the Face of Technological Breakdown Dorpenyo advocates studying how users of technological systems construct knowledge about the technology and develop local strategies to solve technological breakdowns By analyzing technical documents and interview transcripts the
