**Tractors** Charlie Morgan,2021-01-29 Although there has always been much interest in classic or vintage cars vans lorries motorbikes and bicycles the awareness of old tractors took longer to evolve However when it did in the latter part of the 20th century the interest was phenomenal and worldwide How many have come to love these old tractors varies from

those who flock to events including meets reunions and rallies to those who remember a balmy summer as children camping in a farmer s field and being allowed to sit on aging relics pretending to drive across the farmland wrapped up in a world of fantasy What these people all have in common is that they appreciate the character of these special old tractors and recognize the importance and nostalgia of the hulking ironmongery of a bygone era This book looks at some of the key manufacturers around the world and is illustrated with superb archive photographs      **National 4-H Club News** ,1961
