Mastering Corporations And Other Business Entities Carolina Academic Press Mastering Series:

Mastering Corporations and Other Business Entities Lee Harris, 2016 The title of the basic business law course Corporations Business Associations Business Organizations or Business Entities varies from law school to law school and from year to year However in these courses the core coverage is essentially the same agency principles partnership law fiduciary duties securities fraud and changes in corporate control This relatively concise book is intended to reach students in the basic corporate law course regardless of course title This book attempts to make the usual coverage as easy and straightforward as possible Although the vast majority of law students take a corporations or basic business organizations course there are surprisingly few attempts to systematically organize the most important doctrines and theories covered Of the few books that track the basic business law course even fewer still are of recent vintage This book attempts to fill those lacunae The book intends to aid students of course in the basic Corporations or Business Organizations courses Additionally this book would be a useful resource to students in other closely related courses in law school like Agency Partnership Closely Held Firms Mergers Acquisitions and Securities Regulation to name just a few In addition to law schools the book is also written with an eye toward the graduate students in business administration who are frequently enrolled in a basic business law course as well as the newly minted corporate attorney who wants a refresher text

Mastering Administrative Law William R. Andersen, 2010 Mastering Administrative Law is designed as a supplement to law school courses in Administrative Law or as an introduction to the subject for lawyers trained in other legal systems The book explicitly and in plain language identifies the functions of the various principles of administrative law It covers all the basic administrative law topics including how the administrative process fits into our governmental structure typical agency procedures e g rulemaking adjudication investigation etc important statutes affecting agencies e g the freedom of information act constitutional limits on legislatures and agencies and the limited but critical role of the courts in helping monitor the process A number of classroom tested graphics charts tables diagrams supplemented this text by identifying essential doctrinal components and illustrating important doctrinal relationships

Technology Entrepreneurship Thomas N. Duening, Robert A. Hisrich, Michael A. Lechter, 2020-10-23 Technology Entrepreneurship Taking Innovation to the Marketplace Third Edition provides a practical toolkit for potential entrepreneurs with technology backgrounds that will help them navigate complex issues such as raising capital IP protection product development and more The book's structure follows the entrepreneurial process in a step by step way defining key terms and helping readers without business qualifications engage with the activities addressed In addition it covers a discussion of current trends and developments relevant for tomorrow's entrepreneurs In depth information on the practicalities of technology entrepreneurship are combined with experience from academics to provide a unique resource on how to approach this crucial subject Presents an intense focus on product design and development with customers and markets in mind Includes extensive discussions on

intellectual property development management and protection Provides potent insights into marketing and selling technology products to the global marketplace Covers techniques for forecasting financials raising funds establishing venture valuation and exit strategies **Current Publications in Legal and Related Fields** ,2009 *Mastering Bankruptcy* George W.

Kuney,2008 *Mastering Bankruptcy* is a succinct practical guide to the intricacies of Title 11 of the United States Code Functional in approach it describes the operation of the general administrative and estate management and maximization provisions of chapters 1 3 and 5 of the Bankruptcy Code and their interaction with one another and then turns to the operative chapters of the Code 7 9 11 12 and 13 to describe how these provisions are deployed in liquidation rehabilitation and reorganization cases The author is a long term professor and practitioner whose writings on this and other subjects have long been praised as spare and straightforward eschewing the overly complex tone of other works including many casebooks and treatises He has incorporated his experience and explanations of typical bankruptcy issues problems solutions and outcomes formed over nearly 20 years in the field By weaving together the purpose and the practical effect of the provisions of the Bankruptcy Code and the Federal Rules of Bankruptcy Procedure with illustrative examples this book will greatly assist those who are seeking to master the subject in short order **Mastering Torts** Vincent R. Johnson,2005 *Mastering Torts* presents in a clear narrative form a doctrinal overview of the law of torts By clarifying the basic rules governing tort liability and illuminating their application to specific fact situations *Mastering Torts* describes the main features of the American tort system *Mastering Torts* discusses more than two hundred illustrative cases Each of these decisions is presented in a way that probes the meaning and limits of particular rules but also reveals a broader perspective on the law governing compensation for personal injuries and property damage BOOK JACKET *Working Mother* ,2001-10 The magazine that helps career moms balance their personal and professional lives **Working Mother** ,2001-10 The magazine that helps career moms balance their personal and professional lives **Corporations and Other Business Organizations** Linda Smiddy, Lawrence Cunningham,2014-07 *Corporations and Other Business Organizations Cases Materials and Problems* reflects the substance and implications of the significant changes in the law of business organizations Retaining the organizational structure of prior editions so well received by professors and students this book employs a variety of engaging pedagogical approaches designed to promote a comprehensive understanding of the full body of business associations law and practice This organization promotes optimal teaching flexibility allowing professors to choose from a balanced mix the cases problems and textual readings most suitable for their individual course This highly teachable book of manageable length is designed to be used in a three or four semester hour corporations law or business association course The first two chapters deal with unincorporated business organizations and the remaining chapters focus on corporations Most chapters open with a situation involving one or more hypothetical clients with later situations building on earlier ones These optional problems can be used to stimulate classroom discussion to place the cases and other materials

in an understandable context or omitted entirely Because this is a teaching device rather than a research tool the authors heavily edited the cases omitting both footnotes and internal citations while preserving the most important language Textual readings contain background materials on related areas such as securities regulation to impart a greater of understanding of the larger picture An Appendix includes an introduction to financial statements The accompanying Teacher s Manual available only to professors has also been expanded from prior versions It explains the authors conception of the materials offers a detailed analysis of the key cases and proposes answers and explanations for the hypothetical situations This edition has no companion statutory volume because the authors have moved all the pertinent material to the text or Teacher s Manual This book also is available in a three hole punched alternative loose leaf version printed on 8 5 x 11 inch paper with wider margins and with the same pagination as the hardbound book **Paperbound Books in Print** ,1992

Corporations and Other Business Organizations Lawrence A. Cunningham,2016 The late Al Sommer is among giants who forged previous editions of this student friendly casebook carried on through several editions by Lawrence Cunningham The ninth edition retains the book s strengths including problems starting every chapter cases supported by clear narrative and juxtaposition of the MBCA and DGCL It complements classics with up to date cases moving smoothly from Van Gorkom to Cornerstone Weinberger to M and Revlon to Corwin The opening fourth addresses alternative forms of business organization the middle half rivets on corporations and the final fourth treats relevant securities regulation This book is ideal for Business Organizations at small and medium law schools and Corporations at large schools **Forthcoming Books** Rose

Army,1996-06 **Subject Guide to Books in Print** ,1996 *Corporations and Other Business Organizations* Melvin Aron Eisenberg,James D. Cox,2011 The concise version of Corporations Tenth Edition includes materials on Limited Liability Partnerships and Limited Liability Companies This edition continues the approach of earlier editions in emphasizing rich full bodied versions of the principal cases and a functionalist approach to the problems of contract law The new edition includes a great number of new principal cases and case notes as well as longer analytical notes The emphasis of previous editions on international contract law continues **Corporations and Other Business Entities** Diane M. Baldwin,Frances Beall

Whiteside,1993 Corporations Steven Emanuel,2013 Emanuel CrunchTime provides a comprehensive topic breakdown and criticalinformation review all in one tool The application flow charts can be usedall semester long but the capsule summaries are ideal for exam preparation Each title offers capsule summaries of major points of law and criticalissues exam tips for identifying common tr **Law in a Flash Corporations & Other Business Entities** Theresa A.
