Handbook on Strategic Environmental Assessment Thomas B. Fischer, Ainhoa González, 2021-03-26 This comprehensive Handbook shows how Strategic Environmental Assessment SEA an important decision support tool for strategies policies plans and programmes is applied globally It reflects on SEA practices and the advancements made over the past three decades in the development of SEA

Analysing Strategic Environmental Assessment Pietro Caratti, Holger Dalkmann, Rodrigo Jiliberto, 2004-01-01 The book is useful easy to read and a good addition to the references list of practitioners who use strategic environmental assessment as a day to day tool Eagle Bulletin The European Directive on strategic environmental assessment requires implementing legislation and guidance in each of the European member states Other countries worldwide are also establishing procedures for strategic environmental assessment This very timely book on analytical strategic environmental assessment ANSEA deals head on with the decision making systems that these regulations and guidance documents are supposed to influence ANSEA focuses on the quality of the decision making process rather than on the impacts of the decision on describing the decision process rather than the output of the decisions and on ensuring full integration of environmental values in decision making From the foreword by Riki Therivel Analytical Strategic Environmental Assessment ANSEA is an insightful new approach to environmental evaluation based on decision theory policy analysis and environmental considerations These concepts though not new in their own fields of application are combined and integrated in an innovative fashion This book presents recent research on the implementation of the ANSEA approach which aims to

ensure environmental values are properly integrated into the decision making process ANSEA was developed to contribute to the systematic integration of environmental protection objectives in strategic decision making which in turn will contribute to the promotion of sustainable development The method can be applied to analyse how environmental and sustainability issues are addressed in decision making processes at both the national and local level for a variety of different policies Importantly the focus is on evaluating the decision making process itself rather than the quantitative output of an assessment With explicatory examples and practical case studies the distinguished interdisciplinary authors clearly illustrate how a decision centred approach to environmental assessment can be successfully achieved At a time when a new European directive requires the implementation of strategic environmental assessment SEA into all relevant decision making processes this timely book will be required reading for environmental policymakers in all EU member states It will also be a valuable source of information and reference for researchers academics and consultants in the fields of planning environmental evaluation and environmental management

Strategic Environmental Assessment and Land Use Planning Michael Short, Mark Baker, Jeremy Carter, Carys Jones, Stephen Jay, 2013 A wonderfully international and up to date perspective on strategic environmental assessment of land use plans by leading experts in the field Strategic Environmental Assessment and Land Use Planning covers not only how much such SEAs are carried out and in what context but whether they are effective and why It provides invaluable insights for practitioners and researchers in this rapidly evolving field Riki Therivel author of Strategic Environmental Assessment in Action Strategic Environmental Assessment and Land Use Planning provides an authoritative international evaluation of the SEA of land use plans The editors place the SEA of land use plans in context and uniquely qualified contributors then evaluate systems in Canada Denmark Germany Hong Kong Hungary Ireland The Netherlands New Zealand Portugal South Africa Sweden the United Kingdom the United States and the World Bank These chapters provide a description of the context in each country a case study of the use of SEA in land use planning and an evaluation of each SEA system against a set of generic criteria specially designed to analyse different aspects of SEA The contributors critically review each SEA system SEA process and SEA outcome and conclude by summarizing their findings The editors draw the various national perspectives together in a final chapter and derive widely applicable conclusions about SEA and land use planning This book is a core text for all students in environmental assessment land use planning environmental science environmental management development studies geography landscape design and law and engineering It is also essential reading for all governments and environmental regulators academics researchers and environmental and planning consultants worldwide who are involved in SEA research practice and training

Strategic Environmental Assessment for Policies Kulsum Ahmed, Ernesto Sanchez-Triana, 2008-04-30 Environmentally and socially sustainable policies are essential for good governance Strategic Environmental Assessment SEA is the key tool for integrating environmental considerations into policies programs and plans This book focuses on SEA applied to policies

Through lessons learned from previous use of SEA on policies it draws lessons on the strengths and weaknesses of current SEA methodology It then goes on to analyze how policies are formulated and implemented and proposes a new conceptual framework for conducting SEA of policies that potentially could be more useful in influencing decision makers to integrate environmental sustainability considerations into policy formulation and implementation Implementing Strategic Environmental Assessment Michael Schmidt, Elsa Joao, Eike Albrecht, 2006-02-20 This comprehensive Handbook describes the implementation of SEA in 18 countries around the world as well as a critical analysis of different SEA methodologies It introduces key SEA principles and the legal requirements of the new European SEA Directive which became law in 2004 and describes the implementation of SEA in 11 European Union countries as well as the USA Canada and New Zealand This is contrasted with SEA requirements of four developing countries *Strategic Environmental Assessment* Barry Sadler, Barry Dalal-Clayton, 2012-04-27 This unique sourcebook provides a global state of the art review of the rapidly evolving field of strategic environmental assessment SEA that is intended to serve as a baseline for the work of an OECD Task Team on SEA and a UNEP initiative on integrated planning and assessment It describes trends in application and experience in different contexts worldwide providing in depth coverage of the status of SEA systems and practice in developed transitional and developing countries by a range of development agencies The book draws on a large body of published and unpublished material and contributions from a wide range of individual experts organizations and agencies It provides an unparalleled and invaluable understanding of the emerging scope and potential of SEA and describes how when and where it is being used The sourcebook includes a probing review of concepts terminology approaches and tools of SEA and a comparative analysis of the different types of existing SEA systems The volume also contains many case examples illustrating SEA practice in different countries and contexts a full set of references and a number of appendices containing source materials
