Happy Birthday Pop Up Card Template:

Pop-Up Cards Mari Kumada, 2012-10-09 A card is an even more special gift when it's made by hand and the cards in this book make the giving even more fun through designs that pop up, move and spin. The charm and whimsy of these cards will elevate any occasion. From children's birthday cards with wheels that spin to get well wishes revealed with the pull of a tab and gift boxes that magically take shape when the card is opened, the cards in this book are sure to please. With over fifty designs for a range of occasions from birthdays, baby announcements and get well wishes to Easter, Halloween and Christmas, there's sure to be something for everyone in this book. Each project is presented through beautifully styled photographs, clear step-by-step instructions, detailed diagrams and templates. Even those new to working with paper will be able to make the whimsical and elegant designs in this book. Make the cards in this book and give your friends and family a keepsake they will treasure. *Paper Engineering and Pop-ups For Dummies* Rob Ives, 2009-03-03 *Paper Engineering Pop ups For Dummies* covers a wide range of projects from greeting cards to freestanding models. Easy to follow step-by-step instructions and dozens of accompanying diagrams help readers not only to complete the diverse projects in the book but also master the skills necessary to apply their own creativity and create new projects beyond the book's pages. **Bringing Spanish to Life** Catherine Watts, Hilary Phillips, 2014-11-27 *Bringing Spanish to Life* provides an innovative and refreshing cross-curricular approach to teaching languages in primary schools, combining art design and foreign languages with various aspects of the National Primary Curriculum such as Literacy, Numeracy and PE. This unique practical resource comprises an engaging storyline about a day in the life of two Spanish children and gives an opportunity for learners to re-enact their day using finger puppets, handmade crafts and exciting games to practise new language. Each of the 14 sections begins with a short accessible dialogue in Spanish and is followed by suggestions for using the new vocabulary in pairs, small groups or as a whole class. The main story is accompanied by fun craft activities linked to the story, one for each section, i.e. 14 in total, for children to create in class using the templates and instructions provided. A wide range of further activities follows, consisting of lively games, songs and opportunities to communicate simple ideas. Language extensions are suggested, focussing on imaginative writing and reading ideas linked to the theme of each section. Written to support the new foreign languages programme of study, the book also includes cross-curricular links to numerous subjects including Literacy, Numeracy, PE and ICT. Classroom games and activities, Photocopiable resources and templates for fun classroom activities and projects. Language extension activities. *Bringing Spanish to Life* can be read on three levels to suit a variety of classroom situations. First, the story can be told straight with the whole class participating in the dialogues. Second, the story can be combined with the craft activities after each main section, 14 doing and making activities match the storyline and provide a colourful eye-catching display and learning focus in the classroom or for Open Days or Assemblies. Teachers can use as many or as few as they wish. The resultant crafts can be used for very effective classroom displays, open days, assemblies etc. Finally, the

language extension activities can be used alongside the art craft design activities as desired The aim of these activities is to extend the target language in a relevant context through a variety of methods such as songs playlets simple communicative exchanges games with numbers etc Bringing French to Life Catherine Watts,Hilary Phillips,2014-10-17 Bringing French to Life provides an innovative and refreshing cross curricular approach to teaching languages in primary schools combining art design and foreign languages with various aspects of the National Primary Curriculum such as Literacy Numeracy and PE This unique practical resource comprises an engaging storyline about a day in the life of two French children and gives an opportunity for learners to re enact their day using finger puppets handmade crafts and exciting games to practise new language Each of the 14 sections begins with a short accessible dialogue in French and is followed by suggestions for using the new vocabulary in pairs small groups or as a whole class The main story is accompanied by fun craft activities linked to the story one for each section ie 14 in total for children to create in class using the templates and instructions provided A wide range of further activities follows consisting of lively games songs and opportunities to communicate simple ideas Language extensions are suggested focussing on imaginative writing and reading ideas linked to the theme of each section Written to support the new foreign languages programme of study the book also includes Cross curricular links to numerous subjects including Literacy Numeracy PE and ICT Classroom games and activities Photocopiable resources and templates for fun classroom activities and projects Language extension activities Bringing French to Life can be read on three levels to suit a variety of classroom situations First the story can be told straight with the whole class participating in the dialogues Second the story can be combined with the craft activities after each main section 14 doing and making activities match the storyline and provide a colourful eye catching display and learning focus in the classroom or for Open Days or Assemblies Teachers can use as many or as few as they wish The resultant crafts can be used for very effective classroom displays open days assemblies etc Finally the language extension activities can be used alongside the art craft design activities as desired The aim of these activities is to extend the target language in a relevant context through a variety of methods such as songs playlets simple communicative exchanges games with numbers etc Bringing German to Life Catherine Watts,Hilary Phillips,2014-11-27 Bringing German to Life provides an innovative and refreshing cross curricular approach to teaching languages in primary schools combining art design and foreign languages with various aspects of the National Primary Curriculum such as Literacy Numeracy and PE This unique practical resource comprises an engaging storyline about a day in the life of two German children and gives an opportunity for learners to re enact their day using finger puppets handmade crafts and exciting games to practise new language Each of the 14 sections begins with a short accessible dialogue in German and is followed by suggestions for using the new vocabulary in pairs small groups or as a whole class The main story is accompanied by fun craft activities linked to the story one for each section ie 14 in total for children to create in class using the templates and instructions provided A wide range of further activities follows consisting of lively games songs and
