Offshoring of Business Processes by Banks from Switzerland

Alexander Beutler, 2008-11-28 Inhaltsangabe Introduction The global banking sector is currently undergoing fundamental changes Banks face new challenges created by socio economic and political developments and the potential of new information and communication technologies Competition has risen to formerly unknown levels and active management of costs has become an ongoing tasks Unlike the manufacturing industries most banks still cover large parts of their value chain by themselves Lead by Anglo Saxon institutes global banks have started in recent years to use the advantages of globalization by splitting up their value chains and by offshoring selected functions to countries offering wage differentials According to experts banks have just started to create their global sourcing model so that the offshoring volume is projected to increase further While most banks have started their offshoring initiatives with IT functions business process offshoring and even knowledge process offshoring have now become the main drivers of the move to the key offshoring locations like India China and Eastern Europe Banks from Switzerland have been spectators to the global move towards a global delivery model for many years Only its two large global banks UBS and Credit Suisse have started offshoring initiatives yet trying to catch up with their global competitors They face challenges especially from the legal and regulatory side which are specific to offshoring from Switzerland and have to balance cost discipline with keeping the high standards in quality security and confidentiality which are the base for the high reputation of the Swiss banking market Inhaltsverzeichnis Table of Contents 1 Introduction 5 1 1 Current Situation 5 1 2 Objective 5 1 3 Structure of Analysis 6 2 Business Process Offshoring 9 2 1 Definition of relevant terms 9 2 2 Organizational options 10 2 3 Main offshoring locations 13 3 Offshoring by banks 17 3 1 Drivers for market growth in business process offshoring 17 3 2 Benefits 18 3 2 1 Cost savings 18 3 2 2 Access to new talent pools 20 3 2 3 Market access 20 3 2 4 Process optimization 21 3 2 5 Further benefits 21 3 3 Risks 21 3 4 Potential business processes for offshoring 23 3 4 1 Criteria for selecting processes 23 3 4 2 Processes offshored by banks 24 3 5 Strategic options for banks 25 4 Specific challenges for offshoring banking processes from Switzerland 28 4 1 Legal restrictions to offshoring from Switzerland 28 4

2Regulatory restrictions to offshoring **IT Application Service Offshoring** Mario Lewis,2006-11-14 Offshoring has become a strategic necessity in the new global economy This book is perhaps the first ever guide to all the practical issues involved in moving IT operations to another country The author with his plentiful experience in IT offshoring in India and abroad offers critical insights and information that will help the reader understand The difference between offshoring and outsourcing How to set up an offshore operation from selecting the offshore venture model location and infrastructure to staffing and running the offshore organisation How to evaluate offshore vendors How to plan and execute an offshore delivery How to design the offshore organisation How to customise delivery management and control processes for offshore operations How to mature a new offshore operation How to read current business trends to prepare for the future of offshoring This book focuses on the methods that the industry uses as it works out of India which is at the forefront of mature outsourcing and offshoring However the fundamental principles in offshoring are the same worldwide This Insider s Guide will be invaluable for anyone who needs to execute and manage an offshore project as also for business leaders and strategists www.offshoringbook.com **The Handbook of Global Outsourcing and Offshoring** Ilan Oshri,Julia Kotlarsky,Leslie P. Willcocks,2022-11-10 Global sourcing is a complex area and one that managers must get to grips with as business investment in outsourcing continues to climb This book provides invaluable guidance for the reader walking them through the fundamentals of global sourcing to very recent trends including intelligent automation cloud services and crowdsourcing Replete with key examples and cases it allows students and managers alike to relate academic theory to practice acting as a roadmap to a rapidly evolving field For the last decade the authors have studied the full spectrum of activities involved in global sourcing from both client supplier and advisory viewpoints Their research has shown that while more firms engage in global sourcing activities many of them are still struggling to extract value from sourcing relationships While past research has produced numerous practical frameworks regarding the management of global sourcing of services little of this insight has been put into practice This book addresses such shortcomings by exploring the impact of theory on practice It is important reading for any academic student or practitioner concerned with global sourcing either from the client or supplier perspective Impacts of Offshoring on Jobs and Small U.S. Manufacturers Jonathan S. Krekl,2012 Offshoring also known as offshore outsourcing is the term now being used to describe a practice among companies located in the United States of contracting with businesses beyond U S borders to perform services that would otherwise have been provided by in house employees in white collar occupations The term is equally applicable to U S firms offshoring the jobs of blue collar workers on textile and auto assembly lines for example which has been taking place for decades The extension of offshoring from U S manufacturers to service providers has heightened public policy concerns about the extent of job loss and foregone employment opportunities among U S workers This concern is especially pertinent to policymakers because of a national unemployment rate persistently exceeding 9 per cent despite the end of the latest recession This book discusses

the impacts of offshoring on jobs and small U S manufacturers *Outsourcing and Offshoring of Professional Services: Business Optimization in a Global Economy* Gupta, Amar,2008-03-31 This book discusses the considerations and implications surrounding the outsourcing and offshoring of professional services such as software development computer aided design and healthcare from multiple global perspectives This book offers industry professionals policymakers students and educators with a balance between a broad overview and detailed analysis of offshore outsourcing would make an invaluable addition to any reference library Provided by publisher **Offshore Outsourcing of IT Work** M. Lacity,J.

Rottman,2008-02-01 This book considers offshore client supplier relationships biggest challenges including the protection of intellectual property and managing knowledge transfer and offshore outsourcing at project level Based on over 150 interviews and case studies this is an invaluable read for managers and researchers looking to learn from real experiences

The Handbook of Global Outsourcing and Offshoring 3rd edition Ilan Oshri,Julia Kotlarsky,Leslie P. Willcocks,2015-01-23 Now in its third edition this is the only outsourcing and offshoring book to offer a broad but coherent guide to the strategy operations and management of ITO and BPO outsourcing and offshoring from how to source new relationships to managing business processes in a national and global context Software Engineering Approaches for Offshore and Outsourced Development Bertrand Meyer,Mathai Joseph,2007-09-22 This book constitutes the thoroughly refereed post proceedings of the First International Conference on Software Engineering Approaches for Offshore and Outsourced Development SEAFOOD 2007 Zurich Switzerland in February 2007 The 15 revised full papers constitute a balanced mix of academic and industrial aspects and address topical regions such as processes education country reports evaluation and assessment communication and distribution as well as tools
