Ithaka Rising Halcyone Space :

Ithaka Rising LJ Cohen, 2015-06-26 A derelict ship and a splintered crew are not the rewards Ro had hoped for when she helped disrupt her father's plans to start a war with smuggled weapons. But with the responsibilities of full Commonwealth citizenship and limited resources she is forced to take her father's place working as an engineer on Daedalus station while she and Barre try to repair their damaged freighter Halcyone. Barre's brother Jem is struggling with the disabling effects of his head injury, unable to read or code. His only hope is to obtain a neural implant, but the specialists determine he is too young and his brain damage too extensive. When Jem disappears, his trail dead ends at the black market. Ro and Barre race to find Jem before he sells his future, risking his mind for an illegal neural implant. But they're not the only ones looking for The Underworld and its rogue planet Ithaka. What they find endangers more than just the three of them and forces them to confront a very different truth about the war they believed was ancient history. *Ithaka Rising* L. J. Cohen, 2015-06-30

A Star in the Void LJ Cohen, 2018-06-14 Control the wormholes, control the galaxy. For over fifty years the Commonwealth's lock on wormhole transit has enabled the military government to keep its grip on commerce, travel, and the community in diaspora off Earth. But everything changed once Ro Maldonado resurrected the damaged AI on a derelict spaceship. When she and her accidental passengers aboard Halcyone stumbled upon a hidden planet and Ada May, its brilliant but reclusive leader, they became entangled with her covert resistance. But behind the scenes of the Commonwealth lurks an even bigger enemy: the Reaction Chamber, a powerful shadow organization of politicians, business moguls, and crime cartels that has co-opted and infiltrated all levels of the government. The Chamber knows Halcyone is the key to finding and eliminating the resistance. And as people close to Ro and her companions disappear or die, it's clear their enemies are closing in fast. When May vanishes through an impossible wormhole, taking the leader of the Reaction Chamber with her, she abruptly shatters a decades-old stalemate. Now Halcyone and her crew must decode May's revolutionary wormhole technology and locate the missing scientist before the Reaction Chamber obliterates the resistance and exploits its resources to seize complete control of the cosmos. *A STAR IN THE VOID* is the fifth and final book in the Halcyone Space series that began with the award-winning *DERELICT*. Get it now at the special pre-order price of 2.99. [Litany For A Broken World](#) LJ

Cohen, 2025-02-10 A young girl's disastrous first foray through the multiverse cleaves her from her family and abandons her in a homeless encampment adrift in a world and a body not her own. A doctor struggling with grief volunteers for the annual Boston homeless census and is confronted by the impossible and her deeply buried childhood trauma. A lonely disaffected seer rejected by those he seeks to help is drawn from his home by a desperate call across the world walls. When the three strangers, each broken in some way, are pulled into a conflict between those with the ability to travel the multiverse and the organization seeking to exploit them, they must risk everything that matters to heal the fractured places in themselves and throughout reality. Advance praise for *Litany For A Broken World*: A poignant and original multiverse story that takes on
