Believing in Film Mark Le Fanu,2018-12-12 We live in a secular world and cinema is part of that secular edifice There is no expectation in modern times that filmmakers should be believers any more than we would expect that to be the case of novelists poets and painters Yet for all that this is true many of the greatest directors of classic European cinema the period from the end of World War II to roughly the middle of the 1980s were passionately interested not only in the spiritual life but in the complexities of religion itself In his new book Mark Le Fanu examines religion and specifically Christianity not as the repository of theological dogma but rather as an energizing cultural force an inflexion that has shaped the narrative of many of the most striking films of the twentieth century Discussing the work of such cineastes as Eisenstein and Tarkovsky from Russia Wajda Zanussi and Kieslowski from Poland France s Rohmer and Bresson Pasolini Fellini and Rossellini from Italy the Spanish masterpieces of Bu uel and Bergman and Dreyer from Scandinavia this book makes a singular contribution to both

Seven Samurai Joan Mellen,2019-07-25 In the film *Seven Samurai* 1954 a whole society is on the verge of irrevocable change Many people consider this film a major achievement in Japanese cinema an epic that evokes the cultural upheaval brought on by the collapse of Japanese militarism in the 16th century echoing the sweeping changes occurring in the aftermath of the American occupation The plot is deceptively simple A village of farmers is beset by a horde of bandits and in desperation the village hire itinerant samurai to protect their crops and their village In the end the samurai see off the bandits Together the samurai reflect the ideals and values of a noble class near the point of extinction The film may be a technical masterpiece and despite its movement and violence it appears to be a lament for a lost nobility In this book Mellen contextualizes *Seven Samurai* marking its place in Japanese cinema and in director Akira Kurosawa's career Mellen explores the film's roots in mediaeval history and the film's visual language *Women on the Verge of a Nervous Breakdown* Peter William Evans,2021-04-08 Pedro Almodóvar's 1988 black comedy melodrama *Women on the Verge of a Nervous Breakdown* established its director as one of the most exciting of European film making talents An often hilarious study of sexual mores *Women on the Verge* has a central character Pepa Carmen Maura as warm and richly drawn as any modern film heroine Made strong and self reliant by suffering in a troubled relationship Pepa is the centre of a network of lovers friends and family who represent a vivid cross section of Spanish society Peter William Evans provides a formidable analysis of Almodóvar's insights into gender sexuality and identity Evans sees *Women on the Verge* as concerned with the often tyrannical spell of sexual desire and the anxieties of relationships and families but also with the possibilities for personal liberation He discusses the film in the context of the history of Spain and the social revolution that occurred after the death of Franco In his foreword to this new edition Evans reflects upon *Women on the Verge* in the light of Almodóvar's subsequent films and the impact of Carmen Maura's performance as Pepa on the representation of women in Spanish cinema Multimedia Information & Technology ,2002 **Goodbye Cinema, Hello Cinephilia** Jonathan Rosenbaum,2010-10-15 The esteemed film critic Jonathan Rosenbaum has brought global cinema to American audiences for the last four decades His incisive writings on individual filmmakers define film culture as a diverse and ever evolving practice unpredictable yet subject to analyses just as diversified as his own discriminating tastes For Rosenbaum there is no high or low cinema only more interesting or less interesting films and the pieces collected here from an appreciation of Marilyn Monroe's intelligence to a classic discussion on and with Jean Luc Godard amply testify to his broad intellect and multi faceted talent *Goodbye Cinema Hello Cinephilia* gathers together over fifty examples of Rosenbaum's criticism from the past four decades each of which demonstrates his passion for the way we view movies as well as how we write about them Charting our changing concerns with the interconnected issues that surround video DVDs the Internet and new media the writings collected here also highlight Rosenbaum's polemics concerning the digital age From the rediscovery and recirculation of classic films to the

social and aesthetic impact of technological changes Rosenbaum doesn't disappoint in assembling a magisterial cast of little known filmmakers as well as the familiar faces and iconic names that have helped to define our era As we move into this new decade of moviegoing one in which Hollywood will continue to feel the shockwaves of the digital age Jonathan Rosenbaum remains a valuable guide Goodbye Cinema Hello Cinephilia is a consummate collection of his work not simply for fans of this seminal critic but for all those open to the wide variety of films he embraces and helps us to elucidate

The Biggest Thing in Show Business Murray Pomerance,Matthew Solomon,2024-02-01 From 1946 to 1956 Dean Martin and Jerry Lewis provoked audiences into rollicking laughter as they shook up and delighted a culture they both mediated and made fun of Using the duo's phenomenal popularity as a starting point The Biggest Thing in Show Business looks askance at postwar America with a fast moving sweep jam packed with unexpected connections revealing details and surprising insights Aiming to be as unconventional as their subjects Murray Pomerance and Matthew Solomon enact a highly spontaneous and up to the minute approach to coauthorship that re-establishes the importance of Martin Lewis in the cultural pantheon As a result the book's structure methodology and writing style are thoroughly dialogic and firmly opposed to stale convention

Vampyr David Rudkin,2005-04-30 And yet it is unquestionably extraordinary a vivid and haunting manifestation of Dreyer's power to make visible on screen the inner human state and to convey a dreamlike imagery of textures of nature amidst which transient solitary human figures pass some illuminated by an inner light others threatened by a malign or demonic presence

Luchino Visconti and the Fabric of Cinema Joe McElhaney,2021-02-02 Unveils the metaphoric and theoretical possibilities of fabric in the films of Luchino Visconti In Luchino Visconti and the Fabric of Cinema Joe McElhaney situates Visconti's films as privileged and deeply expressive instances of a trope that McElhaney identifies as the cinema of fabric a reoccurrence in film in which textiles clothing curtains tablecloths bedsheets determine the filming process An Italian neorealist Visconti emerges out of a movement immediately following WWII wherein fabric assumes crucial functions yet Visconti's use of fabric surpasses his colleagues in many ways including its fluid multifaceted articulations of space and time Visconti's homosexuality is central to this theory in that it assumes metaphoric potential in addressing forbidden sexual desires that are made visible in the films Visconti's cinema of fabric gives voice to desires not simply for human bodies draped in fabric but also for entire environments a world of the senses in which fabric becomes a crucial method for giving form to such desires McElhaney examines Visconti's neorealist origins in *Ossessione* *La terra trema* and *Rocco and His Brothers* particularly through fabric's function within literary realism and naturalism Neorealist revisionism through the

extravagant drapings of the diva film is examined in *Bellissima* and *Senso* whereas *White Nights* and *The Stranger* are examined for the theatricalizing through fabric of their literary sources Visconti's interest in German culture vis vis *The Damned* *Death in Venice* and *Ludwig* is articulated through a complex intertwining of fabric aesthetics politics and transgressive sexual desire Finally Visconti's final two films *Conversation Piece* and *The Innocent* assess through fabric both the origins of Italian fascism and the political tensions contemporaneous with the films productions Fabric in Visconti is often tied to the aesthetic impulse itself in a world of visionaries attempting to dominate their surrounding environments and where a single piece of fabric may come to represent the raw material for creation This book will tantalize any reader with a keen eye and strong interest in film and queer studies *The Manchurian Candidate* Greil Marcus, 2002-08 Greil Marcus casts his unique critical eye on this headlong fall through the looking glass of American politics and what he claims to be the most deeply prophetic film of the second half of the American century
