I. Packer** Alister McGrath, 2020-11-10 J I Packer was one of the most influential evangelical theological and spiritual writers of the twentieth century In this beautiful recollection of Packer s life and faith Alister McGrath explores his many contributions to theology and spirituality engagingly setting out the central themes of his work for a new generation of readers *The Theology of the Christian Life in J.I. Packer's Thought* Don J. Payne, 2006-06-01 This study offers a critical analysis of J I Packer s theology of the Christian life Packer has achieved international acclaim and wielded widespread influence within evangelicalism for more than three decades particularly through his writings on the doctrine of sanctification His approach to sanctification is examined in light of the theological anthropology and theological method that constitute its unique structure and assumptions J I Packer has been one of the most recognized evangelical theologians of the late twentieth century Among his theological passions is anchoring the Christian life in the legacy of

Reformed theology particularly that expressed by seventeenth century English Puritanism Yet his treatment of the doctrine of sanctification is shaped by two other influences theological anthropology and theological method This hermeneutical exploration of Packer s treatment of sanctification offers fresh insight into his thought and demonstrates the often unnoticed impact of theological anthropology and theological method within evangelical theology *Packer on the Christian Life* Sam Storms,2015-06-30 Widely recognized as a pillar of 20th century evangelicalism J I Packer has had a profound impact on millions of Christians living today Now in his late eighties Packer still exerts an enormous influence on pastors and laypeople around the world through his many books articles and recorded lectures works that overflow with spiritual wisdom related to the Christian life In the latest addition to Crossway s growing Theologians on the Christian Life series well known pastor Sam Storms examines Packer s legacy when it comes to the Christian and sanctification Whether exploring Packer s insights into prayer Bible study the sovereignty of God or the Christian s fight against sin this accessible book offers readers the chance to learn from the best of Packer s thinking on what true godliness really entails Part of the Theologians on the Christian Life series *Evangelism and the Openness of God* Vaughn W. Baker,2012-12-18 In *Evangelism and the Openness of God* Vaughn Baker argues that a dynamic concept of God as articulated in open theism better serves the evangelistic mission of the church than does conventional theology Open theism affirms an ontology of love as opposed to power and it focuses on God s kenosis in creation allowing for the authentic freedom of creation influenced by divine persuasion God s genuine temporal relationship with creation one that is open synergist and non coercive provides a new perspective for evangelistic activity In this volume the author has made a valuable contribution to the integration of new developments in theology and evangelism **The Merging of Theology and Spirituality** Larry S. McDonald,2006-07-29 While acknowledging the inherent tension between evangelicals who emphasize theological propositions and those who emphasize personal experience Alister McGrath believes that spirituality represents the interface between ideas and life between Christian theology and human existence The book explores the centrality of McGrath s theology in the development of his views on spirituality McGrath does not approach spirituality from a theological void but instead uses his theological perspective as the foundation Through detailed examination of McGrath s previous work and the writing of other evangelicals *The Merging of Theology and Spirituality* offers an overview of a unique thinker s contributions and a guide for future theological and spiritual exploration *J. I. Packer and the Evangelical Future* Timothy George,2009-10 Athletes and actors models and musicians pastors and politicians many have stepped forward looked in the camera and proclaimed I am second But most in the I Am Second movement are not celebrities They are ordinary people and they ve come to the simple realization that when God comes first in their lives everything makes sense But living second is not easy It takes grit and humility submission to God s will a willingness to listen and serve and openness to God s healing and call Live Second is a daily guide to making Jesus first in your life With 365 readings prayers action steps and an online community of support what you hold in your hands is a tool
