Educating for Human Dignity Betty A. Reardon, 2010-08-03 Issues of universal human rights are critically important topics in education today Educators scholars and activists urge schools to promote awareness and understanding of human rights in their curricula from the earliest levels Written by Betty A Reardon one of the foremost scholars on human rights education for the primary and secondary levels Educating for Human Dignity is designed for both teachers and teacher educators It is the first resource offering both guidance and support materials for human rights education programs from kindergarten through high school It opens possibilities for an holistic approach to human rights education that directly confronts the values issues raised by human rights problems in a context of global interrelationships

Children's Human Rights in the USA Yvonne Vissing, 2023-07-19 This book critically examines why a human rights framework would improve the wellbeing and status of young people It explores children's rights to provision protection and participation from human rights and clinical sociological perspectives and from historical to contemporary events It discusses how different ideologies have shaped the way we view children and their place in society and how despite the rhetoric of children's protection people under 18 years of age experience more poverty violence and oppression than other group in society The book points to the fact that the USA is the only member of the United Nations not to ratify a children's human rights treaty and the impact of

this decision finds US children less healthy and less safe than children in other developed countries It shows how a rights respecting framework could be created to improve the lives of our youngest citizens and the future of democracy Authored by a renowned clinical sociologist and international human rights scholar this book is of interest to researchers students social workers and policymakers working in the area of children s wellbeing and human rights **Human Rights**

The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and thrilling novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
