Keeping Attendance For Vbs:

The Best VBS Workbook Ever! Lisa Brown, 2017 Enables organizers to envision and implement a VBS program customized for the local church Practical comprehensive from the ground up approach to VBS Designing a Vacation Bible School program as opposed to choosing one of the many off the shelf packages is a labor of love It considers the unique perspective of children and invests accordingly It s a home cooked meal compared to fast food It sends a message to parents that a church values children enough to identify and meet their specific needs in their community at a particular moment in time Well designed VBS programs speak to children with respect love and patience offering opportunity for authentic spiritual growth not to mention an intentional theology that is reflective of the church Finally custom designed VBS programs are a way to fully include children in the mission and ministry of the church rather than confine their unique gifts This book provides Christian educators with the tools they need to assess the needs and resources in their congregation and to craft a creative program in response to that assessment The Best VBS Workbook Ever offers direction and suggestions on theme structure logistics program activities staffing and promotion Audience Episcopal and other mainline churches looking for something more original and thoughtful than typical pre packaged VBS programs Directors of Christian Education Directors of Children s Ministry Camps and Retreat Centers FORMA Kanuga Christian Education conference eFormation network

It Worked For Us Judy Comstock, 2011-12-01 Need help from someone who has actually been there and done that This comprehensive guide provides the all the information you need to plan and implement a complete ministry with children of all ages Produced in partnership with the International Network of Children s Ministry this guide features numerous articles written by experienced children s workers The enclosed CD ROM makes it easy to access and customize forms This one source guide covers multiple topics from safety concerns and technology to spiritual formation Ideal for children s pastors educators and leaders whether paid or volunteer **The Alliance Weekly** ,1956 *The ABC's of VBS* Eleanor Ann Daniel, 1994 **The Living Church** ,1963 *Vacation Bible School* Doris Freese, 1977 **Great Ideas for VBS** John Robert Cutshall, 1992 **No-Work Paperwork for Children's Ministry** ,1996 **The Great CoMission** Brooks St. Clair Morton, 2012-11-02 This book presupposes that pastors and seminarians deeply desire to answer the question of all questions how do I make disciples of Jesus Christ The Great CoMission Making Sense of Making Disciples is a helpful guide for pastors in the field yet meaty enough for seminarians in the classroom In The Great CoMission readers will encounter useful principles for discipleship and solid biblical theology for ministry This unique book approaches the Great Commission from a rite of passage framework therefore allowing for serious consideration of the internal mechanisms of Matthew 28 16 20 by focusing on the relationship between initiation instruction and Jesus promise to be with the church to the end of the age Morton writes from a Wesleyan cross cultural and missiological perspective avoiding the popular method of using the Great Commission merely as a holy launching pad for retelling the story of a mega church *Energizing Children's Ministry in the*

Parr, Dr. Tom Crites, 2015-09-02 Do you want your children to be actively serving in the local church when they turn thirty and beyond Why The Stay can help Much has been written about younger adults and their departure from church involvement Concerned parents and church leaders want to know what has caused them to depart Instead of asking why young adults are leaving the church Parr and Crites conducted a national research project of those who grew up in church and are still serving faithfully They studied why they have stayed and the results are compelling You will learn as a parent pastor or church leader specific actions that you can take to make a definitive difference in whether or not the fifteen year olds attending your church now are still attending and serving when they turn thirty You will discover fifteen factors that make a great difference in the likelihood that children and teens will remain in church as adults ten issues that make somewhat of a difference in lifetime involvement five surprises that do not make as much difference as you might think the greatest gap discovered in the ministry focus of a church actions you can take as a parent that greatly increase the likelihood your children will remain faithful to church when they are adults strategies church leaders can implement that increase the probability that children and youth group members will serve in the church as adults Why They Stay is much more than numbers and data Parr and Crites share from their personal
