Beethoven Confidential & Brahms Gets Laid Ken Russell, 2007-03-01 *Beethoven Confidential* started life as a play that was developed into a screenplay for a film starring Jodie Foster and Glenda Jackson with Anthony Hopkins as the deaf musical genius Ludwig von Beethoven It tells the story of the rivalry between two would be biographers in the quest for the so called Immortal Beloved Beethoven's secret love Personal friends of Beethoven the biographers become pitted against each other in a race to reveal the mysterious lover The film was never made but the mystery is solved in this novel about the great composer It is a story that Ken Russell considers to be one of the most bizarre and compelling detective yarns of all time Johannes Brahms was renowned for his three B's beer beard and belly Tradition has it that Brahms died a confirmed bachelor and a respected pillar of society who liked nothing better than a pint in the evening and a walk through the Black Forest at weekends But what of his sex life According to Ken Russell Brahms probably knew more about sex than any composer before

or since The evidence is in the music for sheer sensuality try the inner movements of his Third Symphony or the opening of his First Symphony tell me if that doesn't have balls or a section in the Fourth that can only be described as the sex act set to music But the composer's early life tells us more Born in the red light district of Hamburg Brahms spent his formative years playing piano in city brothels Brahms Gets Laid investigates his close association with insane genius Robert Schumann and his even closer relationship with the psychologically disturbed Clara Schumann and her daughters **Broadway's Most Wanted** Tom Shea, 2004-09-30 There is no business like show business The Applause/Best Plays Theater Yearbook of ..., 1991 *Beyond Blonde* Christine Margaret Young, 2009 To fulfill the MFA thesis requirements I have the opportunity to play Audrey in Ken Ludwig's *Leading Ladies* as part of the 2008 UCF SummerStage season *Leading Ladies* is a two act farce dealing with the shenanigans of two men Jack and Leo who impersonate Florence Snider's long lost nieces in order to gain her fortune Audrey knows Florence and unwittingly provides Jack and Leo with the information they need to succeed in their scam During the course of the play Audrey and Jack fall in love and by the end of the evening they are engaged Ken Ludwig describes Audrey She's about 20 extremely well built and extremely sweet and good natured She's a knockout 20 Although this description focuses mainly on Audrey's appearance her personality is also important While Audrey possesses a certain kind of intelligence she definitely has a unique view of the world that could be construed as naïve innocent or silly Because of this lack of sophistication and the emphasis on her physical appearance the phrase dumb blonde could be attributed to her as the blonde hair color carries specific connotations in contemporary culture American society possesses strong if not basic stereotypes for each color the dumb blonde the intelligent or serious brunette and the spitfire redhead In contemporary entertainment culture blonde women have achieved unique status beyond the stereotypes accorded to their brunette and redheaded counterparts Revered and reviled simultaneously these women cannot be ignored or dismissed The convention of the dumb blonde is at the heart of this issue When scrutinized it is possible to discern at least four distinctions of this stereotype the perceived truly dumb or innocent blonde Johanna in *Sweeney Todd* the bombshell blonde Lorelei Lee in *Gentlemen Prefer Blondes* Mae West in *Dumb Blonde* the dumb but actually intelligent blonde Elle Woods in *Legally Blonde* Galinda in *Wicked* and the comedic blonde Adelaide in *Guys and Dolls* These characters presumably share more than their hair color and sex By researching these blonde stereotypes commonalities will be discovered and assessed for their applicability in character research As this thesis explores the creation of Audrey in Ken Ludwig's *Leading Ladies* a methodology for creating this type of character will be created Through research and analysis of the various blonde stereotypes an in depth character and script analysis and a journal of the creation process it is my intention to reveal how a non superficial portrayal of this character is possible and can be duplicated Audrey's blonde traits will also be explored as they relate to the character's function within the play emphasizing the ways her specified bloneness serves the play's needs Analysis of the blonde stereotypes script and character analyses and the rehearsal journal will not only create a system for

creating this type of character but also will illuminate why this character type is important to comedic theatrical literature
