Linking up with Video Heidi Salaets, Geert Brône, 2020-01-15 This volume is intended as an innovating reader for both interpreting practitioners as well as scholars engaging with the multifaceted question addressed in the title Why linking up with video The chapters in this volume deal with this question from different perspectives On the one hand the volume continues the ongoing discussion on the pros and cons of video based interaction for the interpreting profession exploring the implications and applications when interpreters and their clients link up through video technology On the other hand the chapters also explore the potential of video technology for research on interpreting hence raising the question in which way high quality video recordings of interpreters in the booth participants involved in interpreter mediated talk etc may be instrumental in gaining new insights In this sense the volume strongly ties in with the fast growing field of multimodal interaction studies which makes use of video recordings to study the relationship between verbal and nonverbal resources such as gestures postural orientation gaze and head movements in the construction of meaning in communication

Handbook of Terminology Łucja Biel, Hendrik J. Kockaert, 2023-12-15 As a core component of legal language used to draft enforce and practice law legal terms have fascinated lawyers linguists terminologists and other scholars for centuries Third in the series this Handbook offers a comprehensive compendium of the current state of knowledge on legal terminology It is the first attempt to bring together perspectives from the domains of Terminology Translation Studies Linguistics Law and Information Technology in a single place This interdisciplinary endeavour comprises systematic reviews case studies and research papers which overview key properties of legal terms and concepts terminological tools and resources training aspects as well as translation in national contexts and multilingual organizations The Handbook attests to the complex multifaceted nature of legal terminology and showcases its cultural communicative cognitive and social contexts in diverse legal systems It is a rich resource for scholars practitioners trainers and students presenting vibrant research and practice in this area

Handbook of Terminology Abied Alsulaiman, Ahmed Allaithy, Kara Warburton, 2019-01-29 The current volume represents a revival of Arabic translation and terminology studies These disciplines have been dominated by Western scholarship in recent decades but in truth their historical tradition as a whole

owes a great debt to Arabic scholarship The first systematic translation activity ever organized was under the Abbasids in Baghdad in the 9th Century CE and Arabic domination continued for several centuries before the tide turned In this collection the importance of the ongoing translation and terminology movement in the Arab world is revealed through the works of some of the most distinguished scholars who investigate a wide range of relevant topics from the making of the first ever Arabic monolingual dictionary to modern day localization into Arabic Arabic terminology standardization as well as legal medical Sufi and Quranic terms issues with both cultural and economic ramifications for the Arab world are thoroughly examined completing the solid framework of this rich tradition that still has a lot to offer
