**Hard to Forget** Steven M. Yedinak, 1998 In the glory days of the Green Berets he served with the very best U S Army captain and Green Beret Steven M Yedinak welcomes readers to the year 1966 and to the Mobile Guerrilla Force MGF where soldiers must prepare to be outmanned outgunned and deep in enemy territory with no chance of artillery support or medevac This is a rare firsthand account of the U S s only attempt at guerrilla warfare in Vietnam **Historical Dictionary of the War in Vietnam** Ronald B. Frankum Jr., 2011-06-10 For Southeast Asia the Vietnam War altered forever the history topography people economy and politics of the Democratic Republic of Vietnam DRV the Republic of Vietnam RVN Cambodia and Laos That the war was controversial is an understatement as is the notion that the war can be understood from any one perspective One way of understanding the Vietnam War is by marking its time with turning points both major and minor that involved events or decisions that helped to influence its course in the years to follow By examining a few of these turning points an organizational framework takes shape that makes understanding the war more possible Historical Dictionary of the War in Vietnam emphasizes the international nature of the war as well as provide a greater understanding of the long scope of the conflict The major events associated with the war will serve as the foundation of the book while additional entries will explore the military diplomatic political social and cultural events that made the war unique While military subjects will be fully explored there will be greater attention to other aspects of the war All of this is done through a chronology an introductory essay an extensive bibliography and over 600 cross referenced dictionary entries This book is an excellent access point for students researchers and anyone wanting to know more about the Vietnam War **Voices from the Vietnam War** Xiaobing Li, 2010-05-07 Some of this book is heartrending some of it is as gripping as a thriller and all of it will add to our understanding of the war Booklist The Vietnam War s influence on politics foreign policy and subsequent military campaigns is the center of much debate and analysis But the impact on veterans across the globe as well as the effects on individual lives and communities is a largely neglected issue As a consequence of cultural and legal barriers the oral histories of the Vietnam War currently available in English are predictably one sided providing limited insight into the inner workings of the Communist nations that participated in the war Furthermore many of these accounts focus on combat experiences rather than the backgrounds belief systems and social experiences of interviewees resulting in an incomplete historiography of the war Chinese native Xiaobing Li corrects this oversight in Voices from the Vietnam War Stories from American Asian and Russian Veterans Li spent seven years gathering hundreds of personal accounts from survivors accounts that span continents nationalities and political affiliations The twenty two intimate stories in this book feature the experiences of American Chinese Russian Korean and North and South Vietnamese veterans representing the views of both anti Communist and Communist participants including Chinese officers of the PLA a Russian missile training instructor and a KGB spy These narratives humanize and contextualize the war s events while shedding light on aspects of the war previously unknown to

Western scholars providing fresh perspectives on a long discussed topic Li's achievement is most remarkable for the window he opens onto the lives of Chinese and Russian veterans their rare accounts appear here for the first time in English Publishers Weekly

**No Greater Loss: Memoirs of a Green Beret Under Two Flags** Saren Thach, MST, CPA, 2024-08-12 The war in Cambodia 1970-1975 pitching the unprepared Cambodian army against the battle tested communist Vietcong North Vietnamese troops who had fought for over a decade against the mighty American army was a lopsided brutal conflict Soon after the communist Khmer Rouge added to their rank The heroic sacrifice by the Cambodian fighters the populace and the dedicated small Khmer Special Forces units all supported by the United States meager financial and logistic assistance were not enough to overcome the fatal pre war shortfall created by the Khmer leader namely Prince Norodom Sihanouk who joined the enemy in the war fighting his own people for the sake of power The book highlighted crucial military operations some known only to very few personalities which the author participated in and the resulting triumph and defeat The American Congress's refusal in late March 1975 to continue further military assistance sealed the fate of the country The Cambodian sentiment is that America callously betrayed its friend and ally whose paramount aspiration is freedom and liberty This abandonment was also the American trademark in Vietnam and decades later in Afghanistan The book provides the plausible causes of the decline of the ancient Khmer civilization near the end of the Angkor era in the fourteenth century C E the era that produced a powerful Kingdom in the entire Southeast Asia decline within the context of religious conflict and the geopolitical emergence and evolution of neighboring nations The fall of Prince Norodom Sihanouk in March of 1970 gave communist Vietnam the Khmer's traditional adversary pretext to invade the country at will against international law The Cambodians will never forgive nor forget the tremendous sufferings levied upon them in which all Khmer families were affected In the shadow of his enormous tragedy early in life and likewise that of his current wife and considering the autumn of his existence the author's wish is for the sake of humanity if he can do something good let him do it now for he will pass this planet earth only once

**Defend and Befriend** John Southard, 2014-07-11 Defend and Befriend is the first comprehensive study of Americans assigned to Combined Action Platoons in Vietnam Tracing the development as well as the implementation of the program author John Southard intertwines the experiences of enlisted Marines and corpsmen with an examination of the colonels and generals in charge

*Courage in Combat* Richard J. Rinaldo, 2020-01-10 These stories of military heroism focusing on members of the Legion of Valor offer a sweeping study of courage in service to America Published in conjunction with the Legion of Valor of the United States of America *Courage in Combat* shares the stories of military heroes from the Civil War onward They are recipients of the Medal of Honor the Distinguished Service Cross the Navy Cross and the Air Force Cross Their awards are our nation's highest military decorations given only to one in twenty thousand combatants Among them are sergeants and generals as well as corpsmen civilians engineers grunts and paratroopers There are men and women a mess attendant aviators spies and POWs a cavalry

scout candidates for sainthood and a president of the United States The stories of these brave individuals relate personal accounts of heroism as well as reflections on combat and war This book also includes a short history of the Legion of Valor America s oldest military service organization and an extensive list of its members past and present Courage in Combat explores the concept of courage through the lives thoughts and actions of this elite group most of whom would say I was just doing my job

**Paddy Mayne** Hamish Ross,2011-08-26 The best biography I ve read recently Colin Bateman Sunday Independent An excellent examination of Mayne Ross corrects many of the myths about him that have flourished over the years History of War magazine This welcome reassessment officially backed and well researched sets the record straight Soldier Magazine Paddy Mayne was one of the most outstanding special forces leaders of the Second World War Hamish Ross s authoritative study follows Mayne from solicitor and rugby international to troop commander in the Commandos and then the SAS whose leader he later became and whose annals he graced winning the DSO and three bars the Croix de Guerre and the Legion d Honneur Mayne s achievements attracted attention and after his early death legends emerged based largely on anecdote and assertion Hamish Ross s closely researched biography challenges much of the received version using contemporary sources the official war diaries the chronicle of 1 SAS Mayne s papers and diaries and a number of extended interviews with key contemporaries Ross s analysis shows Mayne to be a dynamic yet principled and thoughtful man committed to the unit s original concepts He was far from flawless but his leadership and tactical brilliance in the field secured the reputation of the SAS proving he was every bit a rogue hero

**Blackjack-34 (previously titled No Greater Love)** James C. Donahue,2010-11-17 Here we go I said to myself as my system electrified with the familiar rush of adrenaline On July 18 1967 Staff Sergeant James Donahue and the men of Special Forces Detachment A 304 were on an operation code name Blackjack 34 Their mission to find and engage an enemy battalion that was thought to be operating in an enemy controlled area north of Quon Loi Vietnam Now Donahue bears witness to the horrific events of that day and the exceptional grit and heroism of his teammates Blackjack 34 is a magnificent tribute to the warriors of the Mobile Guerrilla Force their courage and willingness to press on no matter what the odds From the Paperback edition

### **Hard To Forget An American With The Mobile Guerrilla Force In Vietnam Introduction**

In today's digital age, the availability of *Hard To Forget An American With The Mobile Guerrilla Force In Vietnam* books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of *Hard To Forget An American With The Mobile Guerrilla Force In Vietnam* books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of *Hard To Forget An American With The Mobile Guerrilla Force In Vietnam* books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing *Hard To Forget An American With The Mobile Guerrilla Force In Vietnam* versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation.

Furthermore, *Hard To Forget An American With The Mobile Guerrilla Force In Vietnam* books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing *Hard To Forget An American With The Mobile Guerrilla Force In Vietnam* books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for *Hard To Forget An American With The Mobile Guerrilla Force In Vietnam* books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited

period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Hard To Forget An American With The Mobile Guerrilla Force In Vietnam books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement.
