F.

Heard, 2016-07-05 Four chilling novellas blend horror and science fiction in this collection of short stories from one of the greatest minds of the twentieth century When a man can't bear the company of others when he runs not just from society but from something evil within himself he'll find refuge only in the dark deep underground in the horrifying void of an uncharted cave In the wilds of Mexico a veteran spelunker hears rumors of a cave that could take him deeper than he's ever gone before The locals whisper old Toltec legends of the devils that inhabit the darkness spirits that have blighted the countryside for miles around but the man doesn't listen He'll find things within that cave that mankind isn't meant to see And even if he manages to get out alive he'll never escape the darkness Drawing on his unique background as an intellectual and expert in the supernatural author H F Heard echoes the pioneering horror of H P Lovecraft and the Victorian science fiction of H G Wells In this weird world the greatest threat to man is man himself The Lost Cavern is one of Heard's best known stories and it remains just as eerie today as when it debuted Along with the other three stories that make up this volume The Cup The

Thaw Plan and The Chapel of Ease it confirms Heard's deserved status as one of the early masters of weird fiction **The Woman Who Rode Away and Other Stories** D. H. Lawrence, 2002-08-08 These thirteen short stories were written between 1924 and 1928 Eleven were collected in *The Woman Who Rode Away* 1928 though *The Man Who Loved Islands* appeared in the American edition only and the other two in *The Lovely Lady* 1933 An unpublished fragment *A Pure Witch* is also included

**Nightmare Envy and Other Stories** George Blaustein, 2018-01-05 What has it meant to be an Americanist What did it mean to be an Americanist through fascism war and occupation *Nightmare Envy and Other Stories* is a study of Americanist writing and institutions in the 20th century Four chapters trace four routes through the mid twentieth century The first chapter is the hidden history of American Studies in the United States Europe and Japan The second is the strange career of national character in anthropology The third is a contest between military occupation and cultural diplomacy in Europe The fourth is the emergence and fate of the American Renaissance as the scholar and literary critic F O Matthiessen carried a canon of radical literature across the Iron Curtain Each chapter culminates in the postwar period when the ruin of postwar Europe led writers and intellectuals on both sides of the Atlantic to understand America in new ways Many of our modern myths of the United States and Europe were formed in this moment Some saw the United States assume the mantle of cultural redeemer Others saw a stereotypical America rich in civilization but poor in culture overtake a stereotypical Europe rich in culture and equally rich in disaster Drawing on American and European archives the book weaves cultural intellectual and diplomatic history with portraits of Matthiessen Margaret Mead Ruth Benedict David Riesman Alfred Kazin and Ralph Ellison It excavates the history of the Salzburg Seminar in American Civilization where displaced persons former Nazis budding Communists and glad handing Americans met on the common ground of American culture Others found keys to their own contexts in American books reading *Moby Dick* in the ruins *Nightmare Envy and Other Stories* chronicles American encounters with European disaster European encounters with American fiction and the chasms over which culture had to reach

[The Wife, and Other Stories](#) Anton Pavlovich Chekhov, 2022-11-21 In *The Wife and Other Stories* Anton Pavlovich Chekhov masterfully crafts a collection of narratives that explore the complexities of human relationships and the poignant subtleties of everyday life These stories are marked by Chekhov's hallmark realism characterized by nuanced character development and a focus on the psychological undercurrents of seemingly mundane circumstances The collection delves into themes of love disillusionment and the existential anguish that permeates the human condition all conveyed through a concise yet evocative literary style that reflects the social and cultural milieu of late 19th century Russia Chekhov a prominent figure in the world of literature was trained as a physician which cultivated his acute observation of human behavior and emotions His experiences working in the medical field offered him unique insights into the struggles of the human psyche shaping his approach to storytelling The confluence of his medical background and his literary ambitions endowed him with a distinctive voice that captured the intricacies of life thereby reinforcing his significance within the

literary canon as a precursor to modern psychological fiction *The Wife and Other Stories* is a compelling read that invites readers to ponder the depths of their own relationships and the nature of existence Chekhov's innovations in narrative form and his deep empathy for his characters render this collection not only a profound literary experience but also an essential examination of the human soul It is a must read for anyone eager to explore the intricacies of life through the lens of one of literature's greatest masters

*A Space on the Side of the Road* Kathleen Stewart, 2020-05-05 *A Space on the Side of the Road* vividly evokes an other America that survives precariously among the ruins of the West Virginia coal camps and hollers To Kathleen Stewart this particular other exists as an excluded subtext to the American narrative of capitalism modernization materialism and democracy In towns like Amigo Red Jacket Helen Odd Viper Decoy and Twilight men and women just settin track a dense social imaginary through stories of traumas apparitions encounters and eccentricities Stewart explores how this rhythmic dramatic and complicated storytelling imbues everyday life in the hills and forms a cultural poetics Alternating her own ruminations on language culture and politics with continuous accounts of just talk Stewart propels us into the intensity of this nervous surreal space on the side of the road It is a space that gives us a glimpse into a breach in American society itself where graveyards of junked cars and piles of other trashed objects endure along with the memories that haunt those who have been left behind by progress Like James Agee's portrayal of the poverty stricken tenant farmers of the Depression South in *Let Us Now Praise Famous Men* this book uses both language and photographs to help readers encounter a fragmented and betrayed community one occupied by schoolteachers doctors social workers and other professionals representing an official America Holding at bay any attempts at definitive social scientific analysis Stewart has concocted a new sort of ethnographic writing that conveys the immediacy density texture and materiality of the coal camps *A Space on the Side of the Road* finally bridges the gap between anthropology and cultural studies and provides us with a brilliant and challenging experiment in thinking and writing about America

**Turbo's Very Life and Other Stories** Carroll Dale Short, 2005-01-01 In the eighteen stories in this retrospective of his best short fiction Dale Short shows why he is one of the best prose stylists of his generation and why he deserves a break out success Short's writing has been hailed by Wally Lamb as simultaneously mythical and modern a wild ride and Dennis Covington has called him wise and compassionate a major Southern writer He writes here from many perspectives male female first person third person grieving widow newly divorced dad jailed redneck riverman laid up with heart trouble conjure woman and in every story the voice is as true as that of a child and as clear as fresh ice The marvel of Short's prose is that the writing is so good it disappears leaving the reader surrounded only by the story which resonates long after the last word is absorbed The other remarkable thing is how Short can go from comedy to tragedy within a single paragraph sometimes within a single sentence and then back again His timelines here range from the Civil War to the near future and the locales vary from a Kentucky mining town to the Gulf Coast of Mexico to the constellation Orion all in all a rare feast for the imagination Stories that have appeared before only in
