Ivanhoe is the story of one of the remaining Saxon noble families at a time when the English nobility was overwhelmingly Norman. It follows the Saxon protagonist Wilfrid of Ivanhoe who is out of favour with his father owing to his courting the Lady Rowena and for his allegiance to the Norman king Richard I of England. The story is set in 1194 after the end of the Third Crusade when many of the Crusaders were still returning to Europe. King Richard, having been captured by the Duke of Saxony on his way back, was still supposed to be in the arms of his captors. The legendary Robin Hood, initially under the name of Locksley, is also a character in the story, as are his merry men including Friar Tuck and, less so, Alan a Dale. Little John is merely mentioned. The character that Scott gave to Robin Hood in *Ivanhoe* helped shape the modern notion of this figure as a cheery noble outlaw. Other major characters include Ivanhoe's intractable Saxon father Cedric, a descendant of the Saxon King Harold Godwinson, various Knights Templar and churchmen, the loyal serf Gurth the swineherd and the jester Wamba, whose observations punctuate much of the action, and the Jewish moneylender Isaac of York, equally passionate of money and his daughter Rebecca. The book was written and published during a period of increasing struggle for Emancipation of the Jews in England, and there are frequent references to injustice against them.

Sir Walter Scott, 1st Baronet, 15 August 1771 – 21 September 1832, was a prolific Scottish historical novelist and poet popular throughout Europe during his time. In some ways, Scott was the first author to have a truly international career in his lifetime, with many contemporary readers all over Europe, Australia, and North America. His novels and poetry are still read, and many of his works remain classics of both English language literature and specifically Scottish literature. Famous titles include *Ivanhoe*, *Rob Roy*, *The Lady of the Lake*, *Waverley*, and *The Heart of Midlothian*.

Ivanhoe Sir Walter Scott, 2001-07-10. Hailed by Victor Hugo as the real epic of our age, *Ivanhoe* was an immensely popular bestseller when first published in 1819. The book inspired literary imitations as well as paintings, dramatizations, and even operas. Now Sir Walter Scott's sweeping romance of medieval England has prompted a lavish new television production. In the twelfth century, Sir Wilfred of Ivanhoe returns home to England from the Third Crusade to claim his inheritance and the love of the lady Rowena. The heroic adventures of this noble Saxon knight involve him in the struggle between Richard the Lion-Hearted and his malignant brother John, a conflict that brings Ivanhoe into alliance with the mysterious outlaw Robin Hood and his legendary fight for the forces of good. Scott's characters, like Shakespeare's and Jane Austen's, have the seed of life in them: observed Virginia Woolf, "The emotions in which Scott excels are not those of human beings pitted against other human beings, but of man pitted against Nature, of man in relation to fate. His romance is the romance of hunted men hiding in woods at night, of brigs standing out to sea of waves breaking in the moonlight of solitary sands, and distant horsemen of violence and suspense." For Henry James, Scott was a born storyteller. Since Shakespeare, no writer has created so immense a gallery of portraits.
