Pogue, 2005-08-24. The incomparable iLife '05 is the must-have multimedia suite for everyone who owns a Mac and the envy of everyone who doesn't. iLife '05: The Missing Manual is the definitive iLife '05 book and what should have come with the suite. There's no better guide to your iLife experience than the #1 bestselling Macintosh author and expert and Missing Manual series creator David Pogue. Totally objective and utterly in the know, Pogue highlights the newest features, changes, and improvements of iLife '05, covers the capabilities and limitations of each program within the suite, and delivers countless goodies that you won't find anywhere else: undocumented tips, tricks, and secrets for getting the best performance out of every iLife application. Pogue examines all five programs in iLife '05, including iTunes 4.7: The digital jukebox software for Mac and Windows; rips songs from music CDs onto your hard drive, organizes, and plays your music collection; lets you buy songs from the iTunes Music Store and syncs all your music with your iPod; iPhoto 5: With iPhoto 5 you can pull photos from digital cameras and then organize and present them as a slideshow, desktop picture, screen saver, email attachment, web page, DVD printout, or hardbound photo book; iMovie HD: Now you can easily import and edit video from the newest High Definition camcorders and even little flash media video cams in all the latest formats. You can turn those seemingly endless home movies into short, fun, tightly edited, top-quality highlight reels that friends and family actually beg to watch; iDVD 5: Transform your iMovie productions and digital slideshows into Hollywood-style DVDs that play on everyday DVD players. GarageBand 2: This critically acclaimed program turns a Mac into a digital music recording studio. With your authoritative, witty, full-color, all-inclusive iLife '05: The Missing Manual at the ready, there's nothing standing between you and professional-caliber music photos, movies, and more. **GarageBand 2** David Pogue, 2005. Whether you're a professional musician or a mere novice, Apple's GarageBand software has everything you need to produce commercial-quality recordings entirely on your own. Just imagine how many thousands of singers and instrumentalists remain undiscovered because they lack the capability to produce viable demos. Well, no more. Now there's no need to assemble a backup band or book time at a professional studio.

GarageBand has it covered And GarageBand 2 The Missing Manual gives you the know how you need to make it all happen It s an authoritative witty guide to constructing digital recordings with GarageBand Written by the master of the Missing Manual series and a musician himself David Pogue this top selling book shows you how to maximize the program s entire set of tools Pre recorded loops sampled sounds live recordings they re all explained in easy to understand language It also shows you how to apply professional sounding effects like reverb or chorusing and then export the finished product to iTunes where you can download your work to an iPod export it as an MP3 or burn it onto CDs Now revised to reflect GarageBand s latest features this book s second edition also addresses how to use GarageBand s eight track capabilities display music notation in real time enhance timing and pitch for better quality recordings change the tempo and key of recorded instruments tune guitars with GarageBand before recording So if you re chasing a dream or just having fun GarageBand 2 The Missing Manual is the only resource you need to make the finest musical recordings possible
