Thomas J. Day,2002-03 Twenty five years ago Tom Day was managing a growing business holding his own on the golf course and tennis court He was living in the fast lane For the past 25 years Tom has spent his days in a wheelchair with a spinal cord injury Attendants serve his every need What happened to Tom We get an honest account of the choices Tom made in his life It s a courageous story of reckoning redemption and peace **Who's Your Founding Father?** David

Fleming,2023-05-16 A centuries old secret document unravels the origin story of America and reveals the intellectual crime of the millennia in this hugely entertaining dive into our country s history to discover the first true Declaration of Independence Andrew Roberts author of Napoleon and Churchill In 1819 John Adams came across a stunning story in his hometown Essex Register that he described to his political frenemy Thomas Jefferson as one of the greatest curiosities and one of the deepest mysteries that ever occurred to me entitled the Mecklenburg Declaration of Independence The genuine sense of America at that moment was never so well expressed before nor since The story claimed that a full 14 months before Jefferson crafted his own Declaration of Independence a misfit band of zealous Scots Irish patriots whiskey loving Princeton scholars and a fanatical frontier preacher in a remote corner of North Carolina had become the first Americans to formally declare themselves free and independent from England Composed during a clandestine all night session inside the Charlotte courthouse the Mecklenburg Declaration aka the MecDec was signed on May 20 1775 a date that s still featured on the state flag of North Carolina About a year later in 1776 Jefferson is believed to have plagiarized the MecDec while composing his own slightly more famous Declaration and then covered the whole thing up Which is why Adams always insisted the MecDec needed to be thoroughly investigated and more universally made known to the present and future generation With Who s Your Founding Father David Fleming picks up where Adams left off leaving no archive no cemetery no bizarre clue or wild character and definitely no Dunkin Donuts unexplored while traveling the globe to bring to life one of the most fantastic
