Guide To Meetings Prentice Hall:

Guide to Meetings Mary Munter, Michael Netzley, 2002 This concise practical book is written for you if you want to assure your meetings will be necessary and not just a waste of time. Interesting, coherent and well organized. A place for people to share rather than show off their ideas. Constructive, thoughtful and creative. Inclusive with full participation from all. Efficient and not a waste of energy. In today's environment meetings are more commonplace and important than ever because of advances in technology such as videoconferencing and conference calls. Increased reliance on collaborative workgroups and cross functional work teams. Increased specialization which necessitates sharing diverse knowledge and expertise. Like all books in the Prentice Hall Guides to Advanced Business Communication series this book is brief, summarizes key ideas only. Practical offers clear straightforward tools you can use. Reader friendly provides easy to skim format. Reviews of the core concepts book for this series. Guide to Managerial Communication by Mary Munter. Listed by the Wall Street Journal as one of the five business books you shouldn't miss. Really a gem. Former managing editor Harvard Business Review. Short, compact, practical and readable. I liked it immensely. Journal of Business Communication. *Effective Fire and Emergency Services Administration* Robert S. Fleming, 2010-04-21 Dr Fleming's new book drawing from an array of business and administrative disciplines provides a solid conceptual foundation for understanding meeting and exceeding the expectations of organizational stakeholders and preparing for professional, personal and organizational success in fire administration. The book addresses the various course objectives and learning outcomes for both the Introduction to Fire and Emergency Services Administration course within the FESHE Associate's Model Curriculum and the corresponding bachelor's course. Fire and Emergency Services Administration: Effective Fire Emergency Services Administration will be an invaluable resource for students both undergraduate and graduate and current fire and emergency services personnel of all ranks who are preparing for career advancement including promotional examinations. It also will serve as a very useful reference for current fire and emergency service operational and administrative officers. **Handbook Event Market China** Helmut Schwägermann, Peter Mayer, Yi Ding, 2015-12-14 China's event market is full of dynamic and exciting developments, innovation, new players and novel ideas but at the same time of certain shortcomings. This new and huge market is drawing increasing attention from the event industry worldwide. The aim of this handbook is to analyse the Chinese event market, reflect on emerging trends, scrutinise the key players and identify the implications for the education of future professionals in this industry. This handbook is the first of its kind on the Chinese event market written in English. It is a collection of 27 articles written by 39 authors from China, Germany, Malaysia, South Africa, the United Kingdom and the United States. The contributions embrace a mix of theoretical and practical reflections written by academics, lecturers and practitioners alike. The focus lies on business events such as trade fairs, conventions and corporate events. Some very specifically describe a

certain trend or development others focus on overall trends The handbook is divided into four chapters Following an introductory chapter on the event market the second chapter focuses on the event market in China from a global perspective The third chapter reflects on management aspects in China s event industry The fourth and final chapter addresses the issue of educating professionals for the event industry
