the Second World War**

Guided Postwar Uncertainty:

A Guide to the Architecture of St. Louis Frank Peters, 1989 The city of St Louis has undergone substantial physical changes in recent years dramatic new structures have been built in the rejuvenated downtown district and throughout the urban area neglected buildings have been put to new innovative uses and historic neighborhoods and landmarks have been restored Illustrating and describing over two hundred years of architecture from both the city and the surrounding region A Guide to the Architecture of St Louis includes over 500 photographs elevation drawings plans diagrams and maps In addition the entry for each structure gives the address the name of the architect the date the date of construction and descriptive and historic information Introductory essays provide an overview of architectural developments in the city and stress its unique characteristics such as its private streets and vernacular structures Sponsored by the St Louis Chapter American Institute of Architects

Architects of Power Philip Terzian, 2010-10 The United States is not a preternaturally inward looking nation and isolation is not the natural disposition of Americans The real question is not whether Americans are prone to isolation or engagement but how their engagement with the world has evolved how events have made the United States a superpower and how these developments have been guided by political leadership Indeed the great debates on foreign affairs in American history have not been about whether to have debates on foreign affairs they have been between the competing visions of American influence in the world In *Architects of Power* Philip Terzian examines two public figures in the twentieth century who personify in their lives careers and philosophies the rise of the United States of America to global leadership Franklin D Roosevelt and Dwight D Eisenhower Terzian reveals how both men recognized and acted on the global threats of their time and questions whether America can rise to the same challenges today Without this clear window into the stricken world that Roosevelt inhabited and Eisenhower understood we are unlikely to recognize the perils and challenges of the world we have inherited

Standing Fast Timothy Allen Wray, 1987 In this Research Survey Major Timothy A Wray provides an excellent survey of the intricacies of employing defensive tactics against a powerful opponent Using after action reports unit war diaries and other primary materials Major Wray analyzes the doctrine and tactics that the Germans used on the Eastern Front during World War II At the end of World War I the Germans adopted the elastic defense in depth and continued to use it as their basic doctrine through the end of World War II However because of limitations caused by difficult terrain severe weather manpower and supply shortages Soviet tactics and Hitler's order to stand fast German commanders were unable to implement the Elastic Defense in its true form Even so innovative and resourceful unit commanders were able to adapt to the harsh realities of combat and improvise defensive methods that saved the German armies from complete annihilation

The Rise and Fall of United Grain Growers Paul D. Earl, 2019-10-18 For much of the twentieth century United Grain Growers was one of the major forces in Canadian agriculture Founded in 1906 for much of its history UGG worked to give western farmers a third way between the competing poles of cooperatives like the Saskatchewan Wheat Pool and the

private sector At its peak more than 800 UGG elevators dotted the Canadian prairies and the company had become a part of western Canada s cultural psyche By 2001 then known as Agricores United it was the largest grain company on the Prairies The UGG s history illuminates many of the intense debates over policy and philosophy that dominated the grain industry After the Second World War it would be a key player as the western Canadian grain industry expanded into new international markets Through the rest of the century it played an important role in resolving major disputes over regulation and grain transportation policy Despite its many innovations the company s final decade and eventual demise illustrated the tensions at the heart of the grain industry In 1997 to finance the rebuilding of its grain elevator network UGG went public and entered equity markets While successful at first this strategy also weakened the company s cooperative structure In 2007 it was purchased by Saskatchewan Pool in a hostile takeover The disappearance of Agricores United marked the end of a century of voluntary farmer control of the grain business in western Canada Paul Earls history reveals UGG s central role in the growth and transformation of the western grain industry at a critical period With meticulous research supplemented by interviews with many of the key players he also delves into the details and the debates over the company s demise *Current History and Forum ...*, 1924 *Principles of Sustainable Development - Volume I* Giancarlo Barbiroli, 2009-10-20 Principles of Sustainable Development is the component of Encyclopedia of Development and Economic Sciences in the global Encyclopedia of Life Support Systems EOLSS which is an integrated compendium of twenty one Encyclopedias Sustainable Development is a term of differing definitions Standing alone the term is abstract and ambiguous The meaning most often cited is that adopted by the World Commission on Environment and Development meeting today s true needs and opportunities without jeopardizing the integrity of the planetary life support base the environment and diminishing its ability to provide for needs opportunities and quality of life in the future This definition may serve as a general principle but for a guide to action its components sustainability and development must be given substance what is to be sustained and what developed Is development essentially economic or material growth and is sustainability mostly a means to keep economic growth growing Consequently should development represent means toward ecologically sustainable ends The concept of ecological sustainability has been advanced as a restriction on economic development It follows therefore that principles of sustainable development depend upon how the term is understood and how it is put into practice Even so the definition of the World Commission on Environment and Development given the adequate definition of variable needs provides the most reliable principle for testing the qualitative and ecological sustainability of development proposals The Theme on Principles of Sustainable Development in three volumes deals with the diversity of points of view on this complex subject These three volumes are aimed at the following five major target audiences University and College students Educators Professional practitioners Research personnel and Policy analysts managers and decision makers and NGOs [Into the Breach at Pusan](#) Kenneth W. Estes, 2012-08-31 In the opening campaign of the Korean War the First Provisional Marine Brigade participated

in a massive effort by United States and South Korean forces in 1950 to turn back the North Korean invasion of the Republic of Korea. The brigade's actions loom large in marine lore. According to most accounts, traditional Marine Corps discipline, training, and fighting spirit saved the day as the marines rescued an unprepared U.S. Eighth Army which had been pushed back to the Pusan Perimeter at the southeastern tip of the Korean peninsula. Historian and retired marine Kenneth W. Estes undertakes a fresh investigation of the marines and Eighth Army's fight for Pusan. *Into the Breach at Pusan* corrects discrepancies in earlier works, including the official histories, to offer a detailed account of the campaign and place it in historical context. Drawing on combat records, command reports, and biographical materials, Estes describes the mobilization, organization, and operations of the First Brigade during the first three months of American participation in the Korean War. Focusing on the battalions, companies, and platoons that faced the hardened soldiers of the North Korean army, he brings the reader directly to the battlefield. The story he reveals, there woven with the voices of soldiers and officers, is one of cooperation rather than interservice rivalry. At the same time, he clarifies differences in the organizational cultures of the U.S. Army and the Marine Corps. *Into the Breach at Pusan* is scrupulously fair to both the army and the marines. Estes sets the record straight in crediting the Eighth Army with saving itself during the Pusan Perimeter campaign, but he also affirms that the army's suffering would have been much greater without the crucial, timely performance of the First Provisional Marine Brigade.

Uncertain Horizons Canadian Committee for the History of the Second World War, 1997 [Chase's Calendar of Events 2025](#) Editors of Chase's, 2024-09-09 Find out what's going on any day of the year anywhere across the globe. Since 1957, Chase's Calendar of Events lists everything worth knowing and celebrating for each day of the year: 12,500 holidays, national days, historical milestones, famous birthdays, festivals, sporting events, and more. One of the most impressive reference volumes in the world. Publishers Weekly: From national days to celebrity birthdays, from historical milestones to astronomical phenomena, from award ceremonies and sporting events to religious festivals and carnivals, Chase's is the must-have reference used by experts and professionals, a one-stop shop with 12,500 entries for everything that is happening now or is worth remembering from the past. Completely updated for 2025, Chase's also features extensive appendices: astronomical data, major awards, perpetual calendar, as well as an exclusive companion website that puts the power of Chase's at the user's fingertips. 2025 is packed with special events and observances, including National days and public holidays of every nation on Earth. Scores of new special days, weeks, and months, such as the International Day for the Arabian Leopard (Feb. 10), American Sparkling Wine Day (July 3), or Reduce Your Lawn Day (May 20). Birthdays of new world leaders, lauded authors, sports stars, and breakout celebrities. Info on milestone anniversaries, such as the 250th anniversary of the beginning of the Revolutionary War, the 250th birth anniversary of Jane Austen, the 150th birth anniversary of Mary McLeod Bethune, the 50th anniversary of the cult film *The Rocky Horror Picture Show*, the 25th anniversary of the first human habitation of the International Space Station, and much more. Information on such special events as the International Year of Glaciers Preservation and Expo 2025. And

much more **Perspectives on the History of Higher Education** Roger L. Geiger, 2017-07-05 The early twentieth century witnessed the rise of middle class mass periodicals that while offering readers congenial material also conveyed new depictions of manliness liberal education and the image of business leaders Should Your Boy Go to College asked one magazine story and for over two decades these middle class magazines answered in numerous permutations with a collective yes In the course of interpreting these themes they reshaped the vision of a college education and created the ideal of a college educated businessman Volume 24 of the Perspectives on the History of Higher Education 2005 provides historical studies touching on contemporary concerns gender high ability students academic freedom and in the case of the Barnes Foundation the authority of donor intent Daniel Clark discusses the nuanced changes that occurred to the image of college at the turn of the century Michael David Cohen offers an important corrective to stereotypes about gender relations in nineteenth century coeducational colleges Jane Robbins traces how the young National Research Council embraced the cause of how to identify and encourage superior students as a vehicle for incorporating wartime advances in psychological testing Susan R Richardson considers the long Texas tradition of political interference in university affairs Finally Edward Epstein and Marybeth Gasman shed historical light on the recent controversy surrounding the Barnes Foundation The volume also contains brief descriptions of twenty recent doctoral dissertations in the history of higher education This serial publication will be of interest to historians sociologists and of course educational policymakers *Chase's Calendar of Events 2021* Editors of Chase's, 2020-10-27 Find out what's going on any day of the year anywhere across the globe The world's date book since 1957 Chase's is the definitive authoritative day by day resource of what the world is celebrating and commemorating From national days to celebrity birthdays from historical anniversaries to astronomical phenomena from award ceremonies and sporting events to religious festivals and carnivals Chase's is the must have reference used by experts and professionals a one stop shop with 12 500 entries for everything that is happening now or is worth remembering from the past Completely updated for 2021 Chase's also features extensive appendices as well as a companion website that puts the power of Chase's at the user's fingertips 2021 is packed with special events and observances including National days and public holidays of every nation on Earth The 400th anniversary of the Plymouth pilgrim Thanksgiving The 200th independence anniversary from Spain of its Central and South American colonies The 100th anniversary of the Tulsa Race Massacre Scores of new special days weeks and months Birthdays of new world leaders office holders and breakout stars And much more All from the reference book that Publishers Weekly calls one of the most impressive reference volumes in the world *Chase's Calendar of Events 2018* Editors of Chase's, 2017-09-26 Find out what's going on any day of the year anywhere across the globe The world's datebook Chase's is the definitive day by day resource of what America and the world are celebrating and commemorating Founded in 1957 Chase's observes its 60th anniversary with the 2018 edition From celebrity birthdays to historical anniversaries from astronomical phenomena to national awareness days from award ceremonies and sporting

events to religious festivals and carnivals Chase s is the must have reference used by experts and professionals a one stop shop with 12 500 entries for everything that is happening now or is worth remembering from the past Completely updated for 2018 Chase s also features extensive appendices as well as a companion website that puts the power of Chase s at the user s fingertips 2018 is packed with special events and observances including The XXIII Olympic Winter Games in South Korea and the FIFA World Cup The 100th anniversary of the World War I armistice The 50th anniversaries of the Civil Rights Act and Martin Luther King s assassination The 25th anniversary of the European Union The 200th birthdays of Frederick Douglass and Karl Marx and much more **Regional Post-war Planning. A Guide to the Study of Manitoba Local History Gerald Friesen,Barry Potyondi,1981-01-01 Local history buffs students teachers and armchair historians will find a wealth of information and practical advice in this guide to the study of local history The authors explore some of the most fruitful areas of research in such themes as the environment population transportation and communication agriculture politics social and family life In five appendices they provide more detailed information for the determined researcher Specific advice is given on compiling a community archive or data base and on publishing a local history An extensive bibliography and a guide to local archives complete the book

McDougal Littell World History: Patterns of Interaction McDougal-Littell Publishing Staff,2004-03-11 **Makers and Manners** Andrew Holden,2004 Moral decline or sexual revolution How Westminster has come to terms with the permissive society The post war decades have seen a revolution in moral behaviour Changing attitudes towards sexuality censorship and decent behaviour have meant that politicians have struggled to keep up In Makers and Manners Andrew Holden argues that in the six decades since 1945 Britain has changed from a society in which public morality and the criminal law were rooted firmly in Christina doctrine and the sensibilities of late Victorian England to one where the very existence of a public morality is questioned and the laws governing the behaviour of individuals are affected more by the European Convention on Human Rights than by religious doctrine He revisits the landmark court cases and changes to the law that have tested and defined the new moral order and examines the results for politicians and the public alike **Capturing the Beat Moment** Erik Mortenson,2010-11-02 CHOICE Outstanding Academic Title Examining the moment as one of the primary motifs of Beat writing Erik Mortenson offers the first book to investigate immediacy and its presence and importance in Beat writing Capturing the Beat Moment Cultural Politics and the Poetics of Presence places an expanded canon of Beat writers in an early postmodern context that highlights their importance in American poetics and provides an account of Beat practices that reveal how gender and race affect Beat politics of the moment Mortenson argues that Beat writers focused on action desire and spontaneity to establish an authentic connection to the world around them and believed that living in the moment was the only way in which they might establish the kind of life that led to good writing With this in mind he explores the possibility that far from being the antithesis of their times the Beats actually were a product of them Mortenson outlines the

effects of gender and race on Beat writing in the postwar years as well as the Beats attempts to break free of the constrictive notions of time and space prevalent during the 1950s Mortenson discusses such topics as the importance of personal visionary experiences the embodiment of sexuality and the moment of ecstasy in Beat writing how the Beats used photographs to evoke the past and the ways that Beat culture was designed to offer alternatives to existing political and social structures Throughout the volume Mortenson moves beyond the Kerouac Ginsberg Burroughs triumvirate commonly associated with Beat literature discussing women such as Diane di Prima Janine Pommy Vega and Joyce Johnson and African American writers including Bob Kaufman and Amiri Baraka With the inclusion of these authors comes a richer understanding of the Beat writers value and influence in American literary history

Transformation and Post-War Economic Recovery of Ukraine Leonid Kistersky,Anatolii Zadoia,2024-09-26 Even before achieving victorious peace in the war against the Russian aggressor the process of economic recovery has begun in Ukraine The purpose of this monograph is to explore the possibilities of the post war revival of the main sectors of the Ukraine s economy based on positive world experience and advanced technologies To obtain practically applicable results highly qualified researchers from various universities and research centres of Ukraine were involved The main focus of the monograph is the study of the problems of the transformation and post war reconstruction of the economy and it is mainly intended for potential practical participants in these processes However the authors are convinced that it will be interesting and useful to all researchers analysing the transformations of complex economic systems Methodological approaches and practical recommendations can be adapted to the specifics of a country that is solving the problems of transformation and building an economic model that would correspond to new geostrategic realities
