Subject: Application for position of Prefect

Dear Mr., Mrs., [NAME PRINCIPAL]

I am applying for the position of Head Girl/Deputy Head Girl for [SCHOOL NAME] Prefectural Board.

I would be a good Head Girl/Deputy Head Girl because I feel I am a good role model to the rest of our school and I would take the position very seriously. - To ensure the year six pupils set the right example to the rest of the school;

Bowing to Necessities C. Dallett Hemphill, 1999-09-23 Anglo Americans wrestled with some profound cultural contradictions as they shifted from the hierarchical and patriarchal society of the seventeenth century frontier to the modern and fluid class democracy of the mid nineteenth century. How could traditional inequality be maintained in the socially leveling environment of the early colonial wilderness? And how could nineteenth century Americans pretend to be equal in an increasingly unequal society? *Bowing to Necessities* argues that manners provided ritual solutions to these central cultural problems by allowing Americans to act out and thus reinforce power relations just as these relations underwent challenges. Analyzing the many sermons, child rearing guides, advice books, and etiquette manuals that taught Americans how to behave, this book connects these instructions to individual practices and personal concerns found in contemporary diaries and letters. It also illuminates crucial connections between evolving class, age, and gender relations. A social and cultural history with a unique and fascinating perspective, Hemphill's wide-ranging study offers readers a panorama of America's social customs from colonial times to the Civil War.
