*How Then Shall We Guide?* Jimmy Boon-Chai Tan, 2023-05-25 There has been a marked increase of interest in the art of spiritual direction in recent decades Yet in many circles especially in ecumenical and interfaith contexts it is unclear what grounds the practice of this ancient art As a tradition's practice of spiritual direction expresses its particular theology which in turn is shaped by its unique history this work explains that ecumenical spiritual direction must make and retain the tri-perspective of history theology and method that faithfully reflects each tradition's distinctives as requisite for true ecumenical enrichment The importance of this trinocular vision is brought into sharp focus through a comparative study of Ignatius of Loyola and John Calvin where points of continuity and discontinuity between the Ignatian and Reformed traditions underscore the importance of this work's thesis

Male Chastity Keyholder Guide Mistress Dede, 2015-01-08 There is a lot of variety in the world of fetish and kink with limitless possibilities for creativity in sensual play Many people unfamiliar with this lifestyle immediately focus on the more obvious or superficial aspects like honorific nicknames or corsets and leather boots But for people who participate in fetishes as a lifestyle the practices and games are an essential part of their relationship with its own set of rules and standards One particularly interesting subculture within the world of kink is that of the female keyholder and her chastised male subordinate The phrase male chastity probably immediate spooks some men or excites others whether they are willing to admit it or not Either attitude is amusing to the sophisticated woman with a predilection for domination and control For submissive men there are many benefits to a male chastity arrangement The calculating domme will use all of her feminine charms to her advantage establishing a system of rules meant to keep her man under lock and key Literally The popularity of male chastity devices has soared in recent years

and although this be taboo it s something many people talk about behind closed doors Conveniently hidden under clothes male chastity devices provide necessary restriction for the man and allowing his dominant complete control over his orgasms These devices are a valuable tool for the modern dominant woman and excellent for contemporary tease and denial games Exploring male chastity can be a fun new game for adventurous couples or a complete long term lifestyle for kinky pairs Whatever the relationship type employing a male chastity device sends a clear message he s on lockdown and she holds the key

*The Dasmariñases, Early Governors of the Spanish Philippines* John Newsome Crossley, 2016-03-22 Building upon Dr Crossley s 2011 book *Hernando de los R os Coronel and the Spanish Philippines in the Golden Age* this new work further expands our understanding of the Spanish Philippines by looking at G mez P rez Dasmari as and his son Luis successive governors from 1589 Drawing upon a rich selection of documents from the official Spanish archives principally the Archivo General de Indias Seville and earlier histories the book also utilizes an unpublished 628 page manuscript in the Lilly Library at Indiana University to provide many details not available elsewhere In so doing the book reveals the complex situation that existed in the Philippines and how the two governors and the people around them threw out and responded to challenges from a variety of different cultures Born into a rich family in north western Spain about 1539 G mez P rez Dasmari as had a distinguished career in Spain before being selected in 1588 to become the new governor of the Philippines A devout Christian intent on converting the new country in which he found himself Dasmari as epitomised the Spanish state s increasing emphasis on its missionary role He departed Spain with clear instructions from the king which had been drawn up in response to requests from the Philippines asking for a better governor and one of higher moral standards than they had previously enjoyed From the evidence found in his sources John Newsome Crossley argues that Dasmari as largely measured up to these requirements Killed in an attempt to capture the fort at Ternate in the Moluccas in 1593 G mez P rez Dasmari as was succeeded by his son Luis After being replaced himself as governor in 1596 Luis remained in the Philippines until his death in the Chinese rebellion of 1603 in Manila In revealing the story of the two Dasmari as governors this book further illuminates the history of the Spanish Philippines and its relationship both with the wider Spanish empire and the regional powers including China Japan Siam and Cambodia
