## Guide To Becoming Rich:

**Rich Dad's Guide to Becoming Rich...Without Cutting Up Your Credit Cards** Robert T. Kiyosaki, Sharon L.

Lechter, 2000-11-01 Why cutting up your credit cards won't make you rich A popular TV personality often says Take out your credit cards and cut them into pieces While that is sound advice for people who are not financially responsible it is inadequate advice for anyone who wants to become rich or financially free In other words just cutting up your credit cards will not make you rich What does make you rich is financial education unfortunately a type of education we do not receive in school If a person has a solid financial education they would know that there are two kinds of debt good debt and bad debt A person with a sound financial education would know how to use good debt to make them richer faster much faster than a person who only saves money and has no debt Rich Dad's Guide to Becoming Rich Are you in credit card debt Is job security dead Is your financial security threatened Is a high paying job the answer Is your money working for you Do you have good debt or bad debt We all need more financial education We need to know how to have our money work hard for us so we don't have to spend our lives working for money That is why we need more sophisticated financial education not oversimplified and childish financial tips such as cut up your credit cards or save more money If you are ready to increase your financial education and enjoy your credit cards then this book is for you *How to Become Wealthy* William Reese, 2015-09-16

**Kids Get Rich** G&G Plytas, 2019-01-21 Financial literacy and planning are more important than ever, and much of what we need to know to be successful is never taught in school. Children often grow up without a sound understanding of their own finances, leaving them unprepared as they enter adulthood. But there is another way. You can teach them. This book is a guide for parents on how to teach their kids to develop a mindset of success, personal resiliency, and to implement common-sense saving strategies to build personal wealth. Using easy-to-follow principles and age-specific activities, it covers both the theory and practice of building financial literacy from the first time children experience money to when they venture off as young adults. Learn how to teach your children the smart way to save, invest, and think about money to give them a head start to financial success.
