Cooper, 1996 **The European Union: A Citizen's Guide** Chris Bickerton, 2016-05-12 The essential Pelican introduction to the European Union its history its politics and its role today For most of us today Europe refers to the European Union At the centre of a seemingly never ending crisis the EU remains a black box closed to public understanding Is it a state An empire Is Europe ruled by Germany or by European bureaucrats Does a single European economy exist after all these years of economic integration And should the EU have been awarded the Nobel peace prize in 2012 Critics tell us the EU undermines

democracy Are they right In this provocative volume political scientist Chris Bickerton provides an answer to all these key questions and more at a time when understanding what the EU is and what it does is more important than ever before

The Routledge Guide to the European Union Richard Lawrence Leonard, Robert Taylor, 2016 **The European Union** Alasdair Blair, 2012-06-01 The world's greatest importer and exporter the European Union is an economic heavyweight with a GDP even larger than the US But how much do we really know about the nature and aims of the EU the benefits and costs membership brings and its impact on peoples everyday lives And in an increasingly multipolar world can it ever emerge as a global superpower or do widespread concerns about national sovereignty and serious questions about the Euro's stability mean that it is destined for an uncertain future Featuring the most up to date assessment of the EU its inner workings external relations and likely future development this is the perfect introduction for anyone seeking to better understand European integration and what it means for Europeans as well as the rest of the world How the European Union Works, 2003 This booklet gives a comprehensive overview of what each institution or agency does and how it is organised The aim is to provide a helpful guide to the EU's decision making system p 47 **The Pocket Guide to the EU Directives for Clinical Research** Julie Meeson, 2009 **European Union Free Trade Agreements Handbook Volume 1 EU - Republic of Korea Free Trade Agreement** IBP, Inc., **The European Commission** Gerhard Sabathil, Klemens Joos, Bernd Kessler, 2008 The European Commission is a detailed and comprehensive guide to the workings of the European Commission This straightforward and accessible new title demystifies procedures practices and policies which up until now have been perceived by many as baffling and oblique Written in a style that is both uncomplicated and user friendly the authors equip readers with all the information about the background of the Commission its administrative structure its policies external relations and general and internal services Packed with numerous handy tables and figures The European Commission will serve to help readers to gain a full understanding of how the machinery of the Commission functions and how the daily work processes are carried out This is both an essential and fascinating handbook for all those working in the political arena **The Practical U.S. Resource Guide to the European Union** Christian De Foulloy, 1998-09-10 This timely guide will be a welcome resource for Americans at home and abroad as well as those who defend American interests throughout Europe Prepared by an American public affairs specialist with a wide experience on both sides of the Atlantic the importance of this volume for American companies and their advisers operating or contemplating setting up in the European Union will be immediately recognized Its content includes comprehensive listings on all U S sources for contacts and information on the European Union both in Brussels and in the United States Names of key individuals dealing with the United States at the Commission and Parliamentary levels are also included A special legal Section identifies all U S law firms with offices in Brussels and lists over 150 attorneys and their areas of practice **Guide to the European Union** Richard Lawrence Leonard, Dick Leonard, 2000 **A Reporter's Guide to the EU** Sigrid Melchior, 2017-05-08 A Reporter's

Guide to the EU addresses a pressing need for an effective in depth guide to reporting on this major governing body offering practical advice on writing and reporting on the EU and a clear concise breakdown of its complex inner workings Sigrid Melchior an experienced Brussels based journalist gives a detailed overview of the main EU institutions and explains the procedures for passing EU law Interviews with professionals working for the EU from areas including lobbying public relations diplomacy and journalism are featured throughout the book Building on this the second half of the book provides useful journalistic tools and tips on how to approach EU reporting It identifies common mistakes in reporting on the EU and how to avoid them as well as offering guidance on investigative reporting Melchior also details how to work with information gathered and maintained by EU institutions including their audiovisual archives the Eurostat and Eurobarometer which are invaluable resources for journalists and journalism students With few aspects of political life that remain untouched by EU decision making the book demystifies the EU system and its sources enabling professional journalists and students of journalism to approach EU reporting with clarity and confidence For additional resources related to A Reporter s Guide to the EU please visit www.areportersguidetotheeu.com

The SAGE Handbook of European Union Politics Knud Erik Jørgensen, Mark Pollack, Ben Rosamond, 2007-01-03 This volume is one to which anyone trying to make sense of the EU of the early 21st century will return again and again A terrific line up that combines diverse talents from North America and Europe Few books of this kind could live up to the billing definitive benchmark but this one certainly does John Peterson University of Edinburgh A most useful book that can be highly recommended A strong analytical framework coupled with unparalleled coverage of the major issues of the political science research of the EU makes this volume a formidable tool for teaching and a significant input to new scholarly research It is both relatively sophisticated and very accessible to graduate students and advanced researchers The clear writing style and the richness of information presented will certainly make this book interesting for non academic readers Igor Vidacak Institute for International Relations Zagreb Journal of Common Market Studies An admirably comprehensive source book for those interested in how the tools of political science inspire EU area studies The editors enlist leading researchers to synthesize the state of the art in their field of expertise The Handbook of European Union Politics will be an indispensable intellectual resource for researchers teachers and graduate students of the European Union Liesbet Hooghe University of North Carolina at Chapel Hill USA Presents an excellent overview of political science research on the EU It finds the right balance between establishing the state of the art and pointing the reader to theoretical diversity Highly recommended for advanced students and scholars looking for quick and solid orientation in a fragmented field and for new ideas for research Frank Schimmelfennig ETH Zurich Switzerland This is a milestone in the study of EU politics The authors include the most knowledgeable practitioners in the field and collectively they provide a comprehensive and highly competent overview of the state of theory and research on EU institutions politics and policies Fritz Scharpf Max Planck Institute for the Study of Societies Germany The European Union EU poses quite profound

questions for scholars and students of the social and political sciences This benchmark handbook is designed to provide an authoritative state of the art guide to the scope of the field suitable for both established scholars and students of the EU reflect and contribute to the debates about the nature of the field of EU studies and EU politics in particular explore in detail the development of the many approaches to the study of EU politics Divided into four sections the Handbook focuses on theorizing European integration the EU as polity politics and policy making in the EU and the EU and the international system Its appeal will reside not only in its comprehensive and authoritative coverage of the field but also in the quality of its contributors and the diversity of theoretical and methodological approaches included The resulting volume is a must have for all scholars and advanced students of the EU and European integration
