Epic Poem by the Beowulf Poet

Translated by Burton Raffel

Where do MONSTERS lurk?

Beowulf presents a dramatic battle between an evil monster and a legendary hero. Unlike the monsters in *Beowulf*, the monsters in our own world are often difficult to recognize. Evil hides in unexpected places: behind a smiling face, between the lines of a law, in otherwise noble-sounding words.

PRESENT What does evil mean to you? Write your own definition of evil, and then list some examples of real-life monsters. Present your ideas to a group of classmates.

Text Analysis: Characteristics of an Epic

An epic is a long narrative poem that depicts the adventures of a great hero. *Beowulf* is the only surviving epic poem written in Old English—the language of the people of the Anglo-Saxon period who lived in England prior to 1100 A.D. We do not know exactly when *Beowulf* was composed. However, the legendary events it describes took place in Scandinavia during the 500s. The chart below lists the characteristics of an epic.

Epic	
The Hero	The Poem
is of noble birth or high social position	uses formal diction (word choice and sentence structure) and a serious tone (the writer's attitude toward the subject)
embodies character traits that reflect the ideals of a society	reflects universal themes (themes common to most cultures and times)

As you read *Beowulf*, look for the characteristics of an epic. Notes in the side column will help you identify these characteristics and analyze them to understand the poem's larger meaning.
