Joyce, 2015-09-03 Easton Novak is hiding something fearsome inside of him An unconventional upbringing has turned his inner grizzly into a berserker one who has all but destroyed his humanity Being around people isn't easy Not when he doesn't understand any of their reactions or half of what they're saying And if he can convince his alpha he's half sane he just might let Easton live But when the raven from Easton's childhood shows up at his

door again he knows he's slowly sinking into a madness he can't come back from She's not real She can't be Raven shifter Aviana King is terrified of bears They're her people's natural enemy but she hasn't been able to forget the bear cub she befriended all those years ago Faced with a loveless courtship she doesn't want she visits Easton just to see if the sparking feelings she felt for him when they were kids are still there The only problem is he thought she was just a friendly raven all those years ago and now he doesn't recognize her human form at all But as she searches for the courage to approach him and his terrifying Gray Back Crew it becomes clear that the sweet silver bear cub from her childhood has grown into a powerful dominant barely controlled monster grizzly Now the greatest threat to Aviana's life is the man she loves He isn't Easton Novak anymore He's Beaston Content Warning explicit love scenes naughty language and piles of sexy shifter secrets
