Group Work with Older Adults Ann L. Link, 2014 This book is designed to aid therapists and trained group facilitators who conduct discussion groups for geriatric clients It offers 85 exercises to broaden group topics relevant to aging Some of the exercises have been updated from those that appeared in the author's earlier publication *Group Work With Elders* Many are brand new These exercises combine the important geriatric therapy techniques of Reminiscence Validation and Remotivation to energize group discussion and foster renewal of hope Publisher

Group Work and Aging Roberta K Graziano, Robert Salmon, 2013-09-13 Get a wealth of information about the theory and practice of social work with older adults their families and their caregivers Although there is a considerable amount of writing on both group work and social work with the elderly there is surprisingly little about applying this practice method to this specific age group *Group Work and Aging Issues in Practice Research and Education* fills this gap by presenting penetrating articles about a mutual aid approach to working with diverse groups of older adults with varied needs Respected experts and gifted researchers provide case studies practice examples and explanation of theory to illustrate this practice method with aging adults their families and their caregivers *Group Work and Aging Issues in Practice Research and Education* discusses in depth information on group work with gay and lesbian elders caregivers elders with Alzheimer's disease service providers special populations such as Vietnamese and Latino elders and provides information on the use of expressive therapies like art drama and dance Each well referenced chapter presents high quality up to date social group work practice strategies to prepare practitioners for the needs of the growing population of elderly in the near future *Group Work and Aging Issues in Practice Research and Education* discusses the adaptation of group work practice approaches when working with older group members the use of a Record of Service as an analytical tool in group work with aging lesbians a chronicle of a student's field placement at a drop in center for homeless senior citizens the sociocultural reality of the Asian immigrant elderly residential substance abuse treatment for older adults mutual aid groups for older persons with mental illness the relationship between caregiver support groups and the marker framework of family caregiving telephone

caregiver support groups group work interventions with elderly parents of adults with severe mental illness a program for the development and implementation of an intergenerational singing group support groups as an effective therapy at end of life the use of a mutual aid group with home attendants and much more Group Work and Aging Issues in Practice Research and Education reveals the latest examples of good group work practice with aging adults and their support systems perfect for practitioners educators and anyone interested in and or work with older adults

Art Therapy with Older Adults Rebecca C. Perry Magniant,2004 This book constitutes an important step in demonstrating that art therapy is a unique offering for persons aged sixty five years and older giving the potential for enrichment and healing in those lives Describing the various ways in which art therapy can be used in the treatment of mental and emotional problems of older adults the editor encourages the reader to use the suggestions and concepts within or tailor them to suit one s own specific working environment or population Divided into three sections this book proposes creative art therapies interventions directives and ideas along with model programs and examples of work in different settings Section I discusses art therapy interventions and ideas for treatment including working with ceramics sandtray memory books and directives Section II deals with working with specific populations of older adults caregivers of older adults and older adults in long term care and residential settings In addition working with older adults with Alzheimer s disease is addressed in this section Section III focuses on working with individual older adult clients home based art therapy grandmothers raising troubled teenagers hospice patients and mentally ill geriatrics Readers will find this book to be a sourcebook of information It will have great appeal to human service practitioners health and mental health practitioners and educators in social work psychology nursing and counseling

The McDonaldization of Social Work Donna Dustin,2016-02-17 Based upon George Ritzer s McDonaldization of Society thesis and incorporating aspects of social theory this book examines the introduction of care management to social work practice Donna

Dustin analyzes care management as an example of the managerial application of efficiency calculability predictability and control to social work practice These principles put to good use in organizations that produce tangible outputs at a profit are being increasingly applied in non profit public sector organizations where the outcomes require intangibles such as professional relationships The author examines whether the McDonaldisation process heightens dilemmas such as cost versus rights for professionals working in the social services Using social theory to frame her research with care managers and their managers in the UK the author examines the day to day implications of care management for social work practice and questions whether the construction of service users as customers contributes to empowering practice The book s in depth analysis of the policy background implementation and practice of care management will resonate with social workers in other national contexts such as the US where the care management model has been introduced

Kauffman, Ronald W. Scott, John O. Barr, Michael L. Moran, 2014-09-05 Now in its third edition this trusted clinical guide enables both the busy practitioner and student to review or to learn about a range of pathologies conditions examinations diagnostic procedures and interventions that can be effectively used in the physical rehabilitation of older people It presents a broad overview of age related physiological changes as well as specific professional discipline perspectives Organized into eleven distinct and interrelated units the first unit begins with key anatomical and physiological considerations seen with aging which have significant impact on the older person The second and third units go on to review important aging related conditions and disorders of the musculoskeletal and neuromuscular neurological systems respectively Neoplasms commonly encountered in older people are the focus of the fourth unit while aging related conditions of the cardiovascular pulmonary integumentary and sensory systems are presented in units five through seven Unit eight highlights a range of specific clinical problems and conditions commonly encountered with older patients Critically all of these units emphasize important examination and diagnostic procedures needed for a thorough evaluation and stress interventions that can be of significant benefit to the older patient The ninth unit presents select physical therapeutic interventions that are especially important in managing rehabilitative care Key societal issues related to aging are discussed in the tenth unit Finally the concluding eleventh unit focuses on the successful rehabilitation team that includes both professional and non professional caregiver members A trusted guide to the conditions and problems faced when evaluating and treating geriatric patients Extensive coverage over 84 chapters each written by an expert in the field Includes imaging vision and the aging ear Cross referenced providing the complexity and inter relatedness of co morbidities common to aging patients Collaborative international perspective Chapters on the aging spine frailty safe pilates for bone health health care for older people Additional renowned editor Ronald W Scott Revised title to reflect the comprehensive scope of content covered previously entitled Geriatric Rehabilitation Manual *Art Therapy*, 2000 **Новые направления в игровой терапии. Проблемы, процесс и особые популяции** Коллектив авторов, 2015-05-27 **The Cumulative Book Index**, 1998 A world list of books in the English language American Book Publishing Record, 1997 **Subject Guide to Books in Print**, 1991 Working with Older Adults: Group Process and Technique Barbara Haight, Faith Gibson, 2005-03-30 Beginning with an overview of the changing world of aging this book goes on to address practical principles and guidelines for group work **The Therapeutic Purposes of Reminiscence** Mike Bender, Paulette

Bauckham, Andrew Norris, 1998-12-29 I was impressed with the accessibility of the book offering a guided tour through the history context and purposes of reminiscence therapy the range of applications from promoting social and emotional stimulation to reminiscence as psychotherapy It also provides a brief overview of its theoretical underpinnings As a book for health professionals interested in reminiscence work it is a must for the shelf most importantly it emphasizes the need for adequate training and supervision for those undertaking this type of work the authors also provide a very good working guide to the assessment process Aging and Health In this practical and accessible book leading exponents of reminiscence work describe the purposes and techniques of reminiscence and set out detailed guidelines on how to implement and conduct a wide range of reminiscence activities with different types of client Highlighting its tremendous diversity and potential and its special ability to allow people of all ages and abilities to communicate deeply about their lives the authors separate out the different aims of reminiscence which include intellectual or social stimulation allowing people to leave behind them a cultural legacy or a means of intergenerational communication They show clearly how each can be directly beneficial either to clients or their carers or for improving the culture of the arena in which the activity is being carried out **Reminiscence** Sheena McKenzie, Brighton Nursing Development Unit, 1991 **Validation Therapy and Remotivation as Treatment for the Confused Institutionalized Elderly** Norma Esperanza, 1987
