The Unified Operations of the Human Soul Jeffrey C. Waddington, 2015-07-24 This book endeavors to examine and critically assess the theological anthropology of Jonathan Edwards with a view to considering how this anthropology coheres with his apologetic methodology Specifically the question has been raised whether Edwards doctrine of man is consistent with the picture painted of Jonathan Edwards by John Gerstner that he was the epitome of the classical apologist It is argued that Edwards practiced an eclectic apologetic sans apologetic self awareness In other words Edwards was a child of his training and time

Growing in God's Spirit Jonathan Edwards, 2003 Marking the Three Hundredth Anniversary of Jonathan Edwards s birth Growing in God s Spirit is the first in a series of books designed to make the writings of Edwards accessible to all T M Moore has divided these selections into thirteen brief chapters added introductory remarks and subheadings and concluded each chapter with questions to promote reflection and application Book jacket

Cotton Mather, Jonathan Edwards, and the Quest for Evangelical Enlightenment Ryan P. Hoselton, 2023-12-28 This book explores the early evangelical quest for enlightenment by the Spirit and the Word While the pursuit originated in the Protestant Reformation it assumed new forms in the long eighteenth century context of the early Enlightenment and transatlantic awakened Protestant reform This work illuminates these transformations by focusing on the dynamic intersection of experimental philosophy and experimental religion in the biblical practices of early America's most influential Protestant theologians Cotton Mather 1663 1728 and Jonathan Edwards 1703 1758 As the first book length project to treat Mather and Edwards together this study makes an important contribution to the extensive scholarship on these figures opening new perspectives on the continuities and complexities of colonial New England religion It also provides new insights and interpretive interventions concerning the history of the Bible early modern intellectual history and

evangelicalism's complex relationship to the Enlightenment

To Understand Things as Well as Words John R. Van

Wyk, 2025-06-17 One significant way that the influential Puritan minister Jonathan Edwards 1703-58 remains relevant today is through his approach to teaching. His holistic pedagogical approach addressed the total person: mind, intentions, and actions. Crucial to Edwards also was mentoring students to assist their spiritual development and to encourage and to help enable their leadership potential. This volume fills a significant gap in the academic study of Jonathan Edwards: his work as a teacher and educational theorist.

Reading the Christian Spiritual Classics Jamin Goggin, Kyle C. Strobel, 2013-05-01 This new collection of essays edited by Kyle Strobel and Jamin Goggin offers an evangelical hermeneutic for reading the Christian spiritual classics. Addressing the why, what, and how of reading these texts, these essays challenge us to find our own questions deepened by the church's long history of spiritual reflection.
