Davis, 2007-07-30 The definitive guide to dressage the art science and secrets of graceful horsemanship for riders who want to exude natural elegance in the saddle Dressage has been described as a beautiful ballet on horseback It embodies an innate grace a seemingly effortless flow and an easy harmony between horse and rider Dressage elevates riding from a sport to an art form One of the fastest growing equestrian sports in America it appeals to competitive riders as well as those who simply want to improve their mounts and their skills Because the principles of dressage encompass the art and science of horsemanship and every aspect of the horse rider relationship dressage training enhances other equestrian disciplines The exercises and patterns help improve the horse s overall balance and athleticism and make the mount more responsive Ideal for beginning enthusiasts or people who simply want to appreciate the elegance and finesse of classical riding *Deciphering Dressage* unlocks the secrets of classical precision riding It covers Choosing and caring for a suitable dressage horse Buying tack and riding apparel Sitting the horse correctly and using aids or subtle signals to cue the horse Preparing for competitions Riding a dressage test Competition and scoring Recognized shows schooling shows ride a tests and eventing Complete with over fifty photographs and drawings as well as step by step explanations of exercises and maneuvers this guide helps riders master the basics of this exceptionally demanding and rewarding discipline *Master Dressage* Mary Wanlass, 2017-11 **Broken Or Beautiful** Dominique Barbier, Liz Conrod, 2021-01-21 The future of Dressage is at a crossroads today That sounds like a dramatic statement but it is very true Competitive Dressage is abandoning the very rules that its top governing body the Federation Equestre Internationale F E I is responsible to uphold leading to a crisis in Competitive Dressage Money and popularity rule the day From their inception the F E I rules were established to protect horses and to uphold the basic principles that are true for all horses regardless of the style of riding *Broken or Beautiful* explains in depth What the rules are Why they are important How they are being disrespected and How they are causing harm to horses For every top competitor today there are thousands of riders copying what is perceived as good training

because their role models are winning So called Modern Dressage is being imitated by the masses to the extreme detriment of the horse We offer an alternative path to the many dressage riders that are questioning what is on display in the competitive world today riders that want to re affirm and follow the Correct Classical Principles The prevailing measure of all correct dressage training is to help the horse to become the happy athlete that is so often mentioned in the F E I Rule Book We offer this book in love of the Horse love of Dressage love of beauty and joy that can honestly be part of our everyday experience with our horses both in and out of the show ring Dominique Barbier Liz Conrod Discovering Dressage Laura Fry,2003
