The Grey Wolves Novella Collection Quinn Loftis, 2021-01-13 A pack is made up of many members And each of those members has his or her own story to tell The following is a collection of four stories of the Romanian Greys and their allies Sacred Silence I thought nothing could be eviler than Desdemona or Reyaz or any other villain we ve faced down I was wrong I read all the books I could devour on the beauty of parenthood I thought I was ready But nothing could have prepared me for the hurricane of jacked up emotional chaos otherwise known as post partum hormones Jen Resounding Silence Duty sacrifice service and discipline These were the characteristics that described Cyn the warrior fae Though love was out of her reach she thought this life was all she needed She had never been more wrong A chance meeting with the Prince of the Elves turns her carefully structured world upside down Piercing Silence It s been six months since Jacque Lupei was imprisoned in the dark forest with her female pack mates wondering if they would ever see their mates again Six months since she and Fane found out that Jen and Decebel would not be the only couple adding a new pup to the pack Six months of peace and quiet other than Jen running her mouth incessantly about Sally getting to go on an adventure with Peri while she has to miss all the fun When she isn t complaining about that she spends her time commenting on how Jacque s butt is getting wider by the minute Jacque doesn t know it but the reprieve was about to be over Forgotten Silence Filthy Disgusting Unworthy trash The same thoughts keep swirling in Sally s mind She s broken and no one can fix her not her friends try as they might and not her beautiful mate She d thought when Costin had rescued her from Jericho s clutches broken the spell the rogue werewolf had cast on her and left the cur lying in bloody pieces on the floor of an Ocean Side bar that one day she might find some peace Perhaps with time she could forget the horrible things she d done Perhaps she could forget how she had betrayed her one true mate Now several weeks later the memories and the nightmares have only grown stronger **Alpha Rising** Quinn

Loftis, 2020-12-08 Supernatural war is on the horizon and no one will escape unscathed Enemy after enemy foe after foe has fallen before the combined might of the Romanian grey wolves and their allies among the supernatural races But now the alliance doesn t fight a single supernatural threat It s no longer a single coven of vampires a lone deranged warlock or a rogue pack that threatens their safety Now the wolves face a unified force of evil the Order of the Burning Claw The Order needs a representative from every supernatural race to unleash a spell that will enslave humanity forever and they ve just recruited one of their most powerful members The Order will stop at nothing to gain power including kidnapping the pack s children and its beleaguered healer The Romanian pack would love nothing more than to bring the wrath of the Great Luna down upon their foes But how can they do that when their enemies hold captive the pack s greatest treasures Before this is over bonds will be tested a new leader will rise and all hell will break loose **Treoir Dragon Chronicles of the**
